Jones Thomas Harri Jones, 2008 The Complete Poems of T H Jones reveals the iconoclastic life of an English speaking Welshman who spent most of his maturity as an emigrant professor in Australia T H Jones s sensational and alcohol fueled life ended prematurely when he drowned in a swimming pool after a trip to a bar In surprising contrast to his wayward life Jones s black book meticulously logged a copy of every poem he wrote in chronological draft form making his collected life s work an unusually complete window into the development of a poet s craft This exciting volume contains an outline of Jones's career a full bibliography and review of critical materials as well as a discussion of poetic technique and a detailed annotation of each poem and chronologically evoking the poet s life loves aspirations and despair from adolescence to premature death In the Shadow of the Pulpit M. Wynn Thomas, 2023-02-02 A fascinating and exhilarating look at the many ways we love and are loved Following on from his bestselling History of Wales in 12 Poems M Wynn Thomas turns his attention in A Map of Love to poems from Wales and reflects on what they have to say on the age old subject of love in its many and varied forms Featuring twelve pieces dating from the 14th century to the present this absorbing collection deliberately veers far from clich d verses with its poems of regret and of mourning straight love and gay love bawdy verses of passion and desire and gentle meditations on motherhood and marriage It features anonymous and lesser known writers as well as household names such as Gillian Clarke and R S Thomas and it includes a previously unpublished poem by Emyr Humphreys With original illustrations by Ruth I n Evans throughout this short but powerful collection will appeal to anyone interested in people and their complex relationships **The Dragon Has Two Tongues** Glyn Jones, 2018-05-15 First published in 1968 The Dragon Has Two Tongues was the first book length study of the English language literature of Wales Glyn Jones 1905 95 was one of Wales s major English language writers of fiction and poetry and the book includes chapters dealing with the work of Dylan Thomas Caradoc Evans Jack Jones Gwyn Thomas and Idris Davies all of whom the author knew personally This first hand knowledge of the writers coupled with the shrewdness of Glyn Jones s critical comments
