The Discworld Graphic Novels Terry Pratchett, 2009-10-06 In a distant and second hand set of dimensions in an astral plane that was never meant to fly Imagine a flat world sitting on the backs of four

elephants who hurtle through space balanced on a giant turtle The Discworld is a place and a time strikingly parallel to our own but also very different But also very similar To commemorate the twenty fifth anniversary of the birth of the Discworld the first two volumes of the remarkable Terry Pratchett s equally remarkable and phenomenally successful series were made available together right here in graphic novel form These beautifully illustrated renditions of *The Colour of Magic* and *The Light Fantastic* show and tell the bizarre misadventures of the spectacularly inept wizard Rincewind and Twoflower Discworld s very first and possibly portentously its very last tourist Not to mention the Luggage which has a mind of its own And teeth *The Colour of Magic and The Light Fantastic* Terry Pratchett, *The Light Fantastic* Terry Pratchett,2012-07-09 Incredibly funny compulsively readable The Times The Discworld is very much like our own if our own were to consist of a flat planet balanced on the back of four elephants which stand on the back of a giant turtle that is What shall we do said Twoflower Panic said Rincewind hopefully He always held that panic was the best means of survival As it moves towards a seemingly inevitable collision with a malevolent red star the Discworld could do with a hero What it doesn t need is a singularly inept and cowardly wizard still recovering from the trauma of falling off the edge of the world or a well meaning tourist and his luggage which has a mind and legs of its own Which is a shame because that s all there is

_____ The Discworld novels can be read in any order but *The Light Fantastic* is the second book in the Wizards series *The Colour of Magic* PRATCHETT TERRY,2004-09-01 *The Color of Magic* ,2009 Inside a magical realm known as Discworld a naive tourist is on holiday until a terrible fire breaks out forcing him to flee along with an incompetent wizard As the clueless pair set out on a magical journey across the disc neither realizes that they are merely pawns in an elaborate board game being played by the Gods After encountering a pair of barbarians they take a trip to an inverted mountain housing dragons that only exist in imagination survive a fall off the edge of the disc and attempt to beat the wizard s former classmate to a collection of spells that could save Discworld from total destruction ***The Colour of Magic* ,2001 *The Colour of Magic by Terry Pratchett* ,1995 *Terry Pratchett's Discworld Series The Colour of Magic* ,1990**
