The Cometeers:

The Cometeers Jack Williamson, 1978 Science-fiction Everett Franklin Bleiler, Richard Bleiler, 1998 Complementing Science Fiction The Early Years which surveys science fiction published in book form from its beginnings through 1930 the present volume covers all the science fiction printed in the genre magazines Amazing Astounding and Wonder along with offshoots and minor magazines from 1926 through 1936 This is the first time this historically important literary phenomenon which stands behind the enormous modern development of science fiction has been studied thoroughly and accurately The heart of the book is a series of descriptions of all 1 835 stories published during this period plus bibliographic information Supplementing this are many useful features detailed histories of each of the magazines an issue by issue roster of contents a technical analysis of the art work brief authors biographies poetry and letter indexes a theme and motif index of approximately 30 000 entries and general indexes Science Fiction The Gernsback Years is not only indispensable for reference librarians collectors readers and scholars interested in science fiction it is also of importance to the study of popular culture during the Great Depression in the United States Most of its data which are largely based on rare and almost unobtainable sources are not available elsewhere The Chrononaut Mark C. Malkasian, 2014-03 It started with murder She knew too much I am a time traveler out of necessity I love her I m the time traveler first to do what I just did I voyaged back and altered history for my wife I know the proverbs warn that only bad can come from this Tonight I ll find out The Voyager 2071 In 2071 on Solar7 nineteen year old T C s heart is shattered by loss when Jewel his love and a member of the Space Corps has heard of a mysterious time erasing chronometer of alien origin She will soon pay for her curiosity with her life Desperate and grief stricken T C enlists in the corps with a secret agenda He decides to steal the chronometer so he can travel back in time Going into his own past T C gives himself eight days to alter history in order to save her His only desire is to fix things but in his youthful enthusiasm he ll only make things much worse Much worse He returns to his own time to find a universe in chaos Jewel lives but he doesn t recognize the evil person she has become and she has no idea who he is The butterfly effect ripples through the universe and the young man is lost in a world he can t understand He s now an outcast hunted by her and enemies he didn t even know he had Can he set things right with another journey to the past Will his enemies let him survive long enough to even make the attempt Only time will tell **Voices for the Future** Thomas D. Clareson, 1976 Bringing together a group of original essays concerning major writers of science fiction whose careers had begun by the end of World War II this volume covers Isaac Asimov Ray Bradbury Arthur C Clarke C L Moore Clifford D Simak Olaf Stapledon Kurt Vonnegut and Jack Williamson **The Humanoids** Jack Williamson, 1996-01-15 Sleek androids have spread slowly through the galaxy threatening human dominance until a small band of rebels rise up against the humanoid tide Historical Dictionary of Science Fiction Literature Brian Stableford, 2004-04-19 This reference tracks the development of speculative fiction influenced by the advancement of science and the idea of progress from the eighteenth

century to the present day The major authors and publications of the genre and significant subgenres are covered Additionally there are entries on fields of science and technology which have been particularly prolific in provoking such speculation The list of acronyms and abbreviations the chronology covering the literature from the 1700s through the present the introductory essay and the dictionary entries provide science fiction novices and enthusiasts as well as serious writers and critics with a wonderful foundation for understanding the realm of science fiction literature The extensive bibliography that includes books journals fanzines and websites demonstrates that science fiction literature commands a massive following

The Stonehenge Gate Jack Williamson, 2013-06-11 A dark mystery has been buried beneath the sands of the Sahara desert since the beginning of time In a basement in New Mexico four poker buddies find reason to believe that a startling secret is out there These four amateur adventurers are about to uncover the key that could unlock the vast reaches of the universe A sudden burst of curiosity propels mild mannered English professor Will and his three friends to the Sahara to excavate a site where radar has evidently detected trilithic stones hidden beneath the sand There they stumble upon an ancient artifact that will change their lives and the world forever a gateway between planets linking Earth to distant worlds where they will discover wonders and terrors beyond imagining Jack Williamson the dean of science fiction writers weaves an exciting tale that takes the friends to the far corners of the universe One leads an oppressed people to freedom Another uncovers clues that could identify a long dormant civilization of immortal beings Now each traveler must play a crucial role in unraveling an ancient mystery the solution to which may reveal the true origins of the human race If they can just survive their journeys back to Earth At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied

Terraforming Earth Jack Williamson, 2024-06-04 Winner of the John W Campbell Memorial Award for Best Science Fiction Novel When a giant meteor crashes into the earth and destroys all life the small group of human survivors manage to leave the barren planet and establish a new home on the moon From Tycho Base men and women are able to observe the devastated planet and wait for a time when return will become possible Generations pass Cloned children have had children of their own and their eyes are raised toward the giant planet in the sky which long ago was the cradle of humanity Finally after millennia of waiting the descendants of the original refugees travel back to a planet they ve never known to try and rebuild a civilization of which they ve never been a part The fate of the earth lies in the success of their return but after so much time the question is not whether they can rebuild an old destroyed home but whether they can learn to inhabit an alien new world Earth
