Read,1861 **Nazism, 1919-1945: The rise to power, 1919-1934** Jeremy Noakes,Geoffrey Pridham,1983 Contains documents including memoirs letters diaries and newspaper articles relating to Nazism The Rise of Caring Power Annemieke van Drenth,Francisca de Haan,1999 This original study discusses the role of women in developing and dispersing caring power and vice versa the role of caring power in constituting women as modern social subjects processes which began around 1800 Based on the historian philosopher Foucault s concept of pastoral power caring power also takes into account the vital role played by gender Both humanitarian and religious motives fostered the ideal of serving the well being of individual others and thereby the interest of society as a whole With the rise of caring power this book argues women began to feel responsible for those of their own sex and to organize themselves in all female organizations In the process they carved out new gender identities for themselves and the women in their care The authors illustrate this profound historical change with the work of the reformers Elizabeth Fry 1780 1845 and Josephine Butler 1828 1906 and trace their impact in Britain and the Netherlands **Mao's Road to Power: Revolutionary Writings, 1912-49: v. 4: The Rise and Fall of the Chinese Soviet Republic, 1931-34** Zedong Mao,Stuart Schram,2016-04-08 This projected ten volume edition of Mao Zedong s writings provides abundant documentation in his own words regarding his life and thought It has been compiled from all available Chinese sources including the many new texts that appeared in 1993 Mao s centenary Kept by the Power of God I. Howard Marshall,2008-12-01 This is a very controversial subject which disturbs many people If you do get disturbed it will be because of the emotion usually surrounding the subject of eternal security If you get upset it will NOT be caused by the manner in which Dr Marshall has presented the subject It is the contention of the author that there is biblical truth in both the Calvinistic and the Arminian position concerning this volatile subject and that each camp should candidly recognize the value of the other s positions John Wesley once wrote The truth of the Gospel is within a hairsbreadth of Calvinism Quite a concession for the chief spokesman of Arminianism Dr I Howard Marshall echoes the contention of Wesley and then goes even beyond it The full Arminian position is as much open to error as is extreme Calvinism My aim is to reach beyond the Calvinist Arminian controversy to a position which is biblical **Words of Power** Jem Bloomfield,2016-05-26 Shakespeare and the Bible are titans of English speaking culture their images are endlessly cited and recycled and their language permeates everything from our public ceremonies to our private jokes In Words of Power Jem Bloomfield explores the cultural reverberations of these two collections of books and how each era finds new meanings as they encounter works such as Hamlet or the Gospel of Mark Beginning with a shrewd examination of how we have codified and standardised their canons deciding which books and which words are included in the official collections and which are excluded Bloomfield charts the ways in which every generation grapples with these enigmatic and complex texts He explores the way they are read and performed in public the institutions that use their names to legitimise their own activities and how the texts are quoted by politicians lords and rappers Words of Power throws modern ideas about Shakespeare and the Bible into sharp

relief by contrasting them with those of our ancestors showing how our engagements with these texts reveal as much about ourselves as their actual meanings
