## **The Coming World Dictator:**

**The Coming World Dictator** John Wesley White, 1981      **The Coming World Leader** David L. Hocking, 1988      *The Coming New World Order* Thomas J. Mueller, 2015-04-02 This book proposes a step by step blueprint for a better world There is a storm brewing on the horizon A new world order is coming based on all the trends and global pressures that is facing mankind today The question is who s world vision is going to prevail and lead us into the 21st century and beyond Will it be based on Man s vision and his world ruling government that has only produced war or God s vision and Christ s world ruling government that is guaranteed to produce lasting peace The outcome to this vital question and struggle will either bring on the Apocalypse or the prophesied Millennium It is our choice and we need to decide soon before we hit a point of no return Prophecy says the Kingdom of Man is going to face off with the Kingdom of God on the Plains of Megiddo in Northern Israel in the not too distant future for supremacy on earth if we don t heed the warnings and change our ways Our message therefore is simple Christ is returning shortly as King of Kings to establish a new political order His world ruling government of the Kingdom of God on earth His return can either be a forceful one or a peaceful one It is our decision Either way we need to decide soon and get ready for the Second Coming      **The Next World War** Grant R. Jeffrey, 2008-05-20 The first warning shots of WW III have already been fired The escalating terrorist attacks in the Middle East and in major cities in the West are not isolated acts of extremism They are the first warning shots fired in a coming world war For decades prophecy expert Grant R Jeffrey has been analyzing geopolitical developments through the lenses of history religion and prophecy As current events unfold according to the prophecies of the Bible Jeffrey says Islamic extremists are preparing to attack Israel and conquer western civilization destroying our freedom Drawing from firsthand interviews intelligence reports and ancient prophecy Jeffrey reveals Saddam Hussein s role in the 9 11 attack on America Where Iraq hid its Weapons of Mass Destruction How Russia and extreme Islam will launch World War III The Bible s prophecy of the destruction of extremist Islam How Israel will rebuild the Temple in Jerusalem With Grant Jeffrey s incisive and sometimes surprising analysis you can understand the hidden agenda and powerful players behind today s news headlines      **Birth, Criminal History and Judgment of the Roman C. Church** Luis Munoz, 2013-08-16 This book uses history and the Bible to offers a fresh and scriptural interpretation of passages of the Bible which for centuries remained a mystery to the student of Bible prophecy including Mystery Babylon the great the mother of harlots and of the abomination of the earth I will explore the myths and deception of Roman Catholicism and their direct connection with the idolatrous worship system of the Mother and Child of ancient Babylon The claims that Roman Catholicism is the only true Church of Christ on Earth and the claim that man cant find salvation apart from her is the greatest deception the world has ever known Centuries of moral crisis and sexual abuse of children speak volumes about the true nature of the leaders of the Catholic Church The abhorrence of marriage and the negative view of women recorded in the Canon Laws clearly reflect the Vaticans Gnostic belief on sexual intercourse and the

imposition of celibacy Many people throughout the world equate Christianity with everything that is vile contemptible and depraved For centuries the Roman C Church suppressed basic human rights and also persecuted and murdered anyone who held beliefs which conflicted with the dogma of the church During the horrors of the Inquisition tens of thousands of people were tortured dismembered beaten and burned alive all in the name of a fraudulent faith Roman Catholicism is the false representation of truth and also the cause great many people throughout history have repudiated true Christianity The history of crimes the papacy has committed throughout history is so compelling that it would inevitably lead any objective thinker to the conclusion that throughout the history of the world there hasnt been any other organization as notorious as the Roman C Church The long history of cruelty crimes and immorality that for centuries the church of Judas has committed on every generation provides irrefutable proof that she is not of God      **Angelic Renegades and Rephaim Giants** Dennis L. Siluk,2002-01-16 We are going into a world very few people have entered And if they have there stories have not been told And imparticular not this one These beings are called the Watchers angelic renegades The Forbidden Ones The Shinning Ones Serpents of Old The ancient dictators of the world They have cursed God to have man worship them Some were cast to the abyss thousands of years ago others into silence The author takes you into this vortex of images and sounds He meets these blood hungrey beings They have no shame They will plant seeds for mankind to breed such humans like Nimrod of old Nero Hitler Stalin Saddam Hussein bin Laden and the rest of their kind They have done more to mankind then he knows They feed their unnatural desires with human women They will teach mankind magic war astrolgoy and women how to paint their faces Their children will become giants And they will walk the earth and kill at will then parish in the sands of time One of the Watchers may return by request of the coming world dicttor He is the one the author meets just before Armageddon Dramatic prophetic events are also wedged into this small book May God be on your side my friend Say a prayer before reading it for it may be difficult to read otherwise for Satan holds no claim to liking such things written nor read his angelic friends neither      **Faith** Robert James Thoms,2019-03-06 The following book which is part one of a three part series is a restoration of The Faith delivered to the planet earth two thousand years ago in that it fully restores spiritual development No explanation is necessary to explain the magnitude of such This three volume set is in fact the final warning from the Almighty to the inhabitants of the earth before the Rapture takes place Much of what is contained in this three volume set is instruction for those inside the house of God but many of those outside will benefit from its contents too      *Endtimes and Sex ,*      *Israel on High Alert* Ron Rhodes,2023-12-01 What Does the Future Hold for Israel The Middle East has long been spiraling out of control causing global uncertainty and fear What does this turmoil mean for Israel and why has peace been so elusive In this updated and expanded edition of Israel on High Alert author and Bible teacher Ron Rhodes offers a clear view of the situation and future faced by Israel You will explore the causes of the rising conflicts and wars in the Middle East what Scripture says about the ongoing battles and God s plans for Israel how the events in the Middle East affect each of our

**The Bible in American Life** Philip Goff, Arthur Emery Farnsley, Peter Johannes Thuesen, 2017 There is a paradox in American Christianity According to Gallup nearly eight in ten Americans regard the Bible as either the literal word of God or inspired by God At the same time surveys have revealed gaps in these same Americans biblical literacy These discrepancies reveal the complex relationship between American Christians and Holy Writ a subject that is widely acknowledged but rarely investigated *The Bible in American Life* is a sustained collaborative reflection on the ways Americans use the Bible in their personal lives It also considers how other influences including religious communities and the Internet shape individuals comprehension of scripture Employing both quantitative methods the General Social Survey and the National Congregations Study and qualitative research historical studies for context *The Bible in American Life* provides an unprecedented perspective on the Bible's role outside of worship in the lived religion of a broad cross section of Americans both now and in the past The Bible has been central to Christian practice and has functioned as a cultural touchstone From the broadest scale imaginable national survey data about all Americans down to the smallest details such as the portrayal of Noah and his ark in children's Bibles this book offers insight and illumination from scholars across the intellectual spectrum It will be useful and informative for scholars seeking to understand changes in American Christianity as well as clergy seeking more effective ways to preach and teach about scripture in a changing environment

*American Apocalypse* Matthew Avery Sutton, 2014-12-15 A Choice Outstanding Academic Title 2015 The first comprehensive history of modern American evangelicalism to appear in a generation *American Apocalypse* shows how a group of radical Protestants anticipating the end of the world paradoxically transformed it The history Sutton assembles is rich and the connections are

startling New Yorker American Apocalypse relentlessly and impressively shows how evangelicals have interpreted almost every domestic or international crisis in relation to Christ's return and his judgment upon the wicked. Sutton sees one of the most troubling aspects of evangelical influence in the spread of the apocalyptic outlook among Republican politicians with the rise of the Religious Right. American Apocalypse clearly shows just how popular evangelical apocalypticism has been and during the Cold War how the combination of odd belief and political power could produce a sleepless night or two. D. G. Hart, Wall Street Journal. American Apocalypse is the best history of American evangelicalism I've read in some time. If you want to understand why compromise has become a dirty word in the GOP today and how cultural politics is splitting the nation apart, American Apocalypse is an excellent place to start. Stephen Prothero, Bookforum.

**Revelation** John Walvoord, Philip E. Rawley, 2011-04-01 The book of Revelation has long fascinated and even confused readers and students of the Bible. Yet the Bible is written to be understood and Revelation is no exception. Who better to help you understand the seals, trumpets, vials, woes, and plagues than John F. Walvoord, one of evangelicalism's most prominent leaders, and Mark Hitchcock, today's leading Bible prophecy expert. In this first in a renewed series of commentaries from Dr. Walvoord, he points out that much of the book's symbolism can be interpreted literally. At key points, different views and approaches to interpretation are explored. Walvoord devotes special attention to textual and doctrinal issues while avoiding technical language. Refined, updated with the English Standard Version (ESV), and streamlined, this classic text is set to help you interpret the last book of the Bible and gain a better grasp of current trends and the climax of history.

**Every Prophecy of the Bible** John F. Walvoord, 2024-10-01 From one of the most respected theological minds of the twentieth century, this revised and updated classic book on biblical prophecy uses solid biblical evidence to explain over 1,000 key prophecies of Scripture, including those that point to events still to come. A global pandemic, wars, and uprisings, and economic instability have many of us wondering, "Is this the end of the world?" Now you don't have to be a biblical scholar to answer that question. In *Every Prophecy of the Bible*, Dr. John F. Walvoord offers clear explanations for prophecies from Genesis through Revelation. This fascinating book explores how past, present, and future fit together in God's perfect design. Explains how 50 percent of biblical prophecies have already happened. Places each prophecy into historical and current context. Celebrates the accuracy of God's Word. Offers hope and peace in troubled times. Don't just wonder about the signs of the times; understand them. *Every Prophecy of the Bible* is a faith-affirming, highly readable guide about prophecies already fulfilled, those yet to come, and what they mean for us today.

**The Myth Of Victory** Richard W. Hobbs, 2019-06-10 Richard Hobbs examines one of society's greatest problems: the need for reconciliation between the democratic dislike of war and the appropriate use of the military instrument in world politics. He questions whether the results obtained in war are worth the expenditures made and contends that victory gained from total war was pushed to its outer limit.
