The Great Singers:

The Great American Popular Singers Henry Pleasants, 1985 **Great Singers** George Titus Ferris, 1895 Great Singers ... George Titus Ferris, 1879 **Great Singers on the Art of Singing** Harriette Brower, James Francis Cooke, 1996-01-01 Wonderful compilation of advice and instruction from operatic immortals Nellie Melba on voice training and preservation Alma Gluck on building a vocal repertoire Geraldine Farrar on the will to succeed plus contributions from Caruso Galli Curci Garden Lehmann many more Indispensable for singers and any opera lover Cooke long time editor of Etude Magazine provides an Introduction 24 photographs Great Singers on the Art of Singing James Francis Cooke, 2019-11-26 In Great Singers on the Art of Singing James Francis Cooke intricately weaves the voices of renowned vocalists and their insights creating a rich tapestry that explores the technical and emotional dimensions of singing The book presents a blend of interviews and critical commentary showcasing an array of celebrated artists who illuminate the nuances of vocal performance and artistry Cooke s literary style is both engaging and pedagogical guiding readers through the labyrinth of vocal coaching interpretation and the psychology behind performance Set against the backdrop of early 20th century musicology this work serves as an invaluable resource for aspiring singers and enthusiasts alike offering glimpses into the minds of figures who have shaped the art form James Francis Cooke an esteemed musicologist and writer dedicated much of his life to exploring performance art from a scholarly perspective He possessed a profound appreciation for vocal music likely influenced by his engagements with various artists and his academic background in music theory and performance Cooke s deep understanding of the art form complemented by his firsthand experiences allowed him to compile a comprehensive view of singing that transcends mere technicalities For anyone passionate about music whether they are performers educators or connoisseurs Great Singers on the Art of Singing is an essential read Cooke s thoughtful curation and analysis not only enrich the reader s understanding of vocal art but also celebrate its emotive power making it a timeless exploration of an ancient craft *How to Sing Like the Great Singers* Robin Hendrix, 2015-12-11 This book sets out the means by which the great singers of the operatic and concert stage cultivated and maintained their beautiful voices and describes how a motivated singer can arrive at the same results How to Sing Like the Great Singers was written by a singer with a passion for singing and a love for singers It describes the ancient singing technique so simply and logically that even the most inexperienced of singers can make wonderful progress It combines all of the relevant practices common across the published literature on singing from the turn of the last century the Golden Age of Singing synthesises the technique and explains how and why the elements work Elements of the technique are presented with numerous substantiating quotes from the great singers themselves giving the highest level of credibility to what is being said Readers will get a glimpse into their lives and their work Included is an annotated bibliography so that readers who wish to can follow the path the author took to get to know more about the work of the great singers Mezzo soprano Robin Hendrix is a concert artist and voice teacher

living in the south of France Although she sings in many genres including legitimate musical theatre she always uses the singing technique of the great singers In the preface she talks about her experience of hitting the wall in middle age when it became increasingly difficult to rehearse her usual concert repertoire Finding no help from gurus or experts she set out on her own to find the secrets of a free and easy production of the lyric voice By a lucky circumstance she stumbled upon a book that explained that most singers today are not being taught the technique of the great singers After that it became an obsession to find out as much as possible about the real technique of singing She needed answers from the best possible sources and so she went directly to the great singers and teachers from the late 1890s to the 1930s In their books and recorded interviews the great singers and teachers generously shared their ideas on singing particularly on the technique they all used one that used pure vowels and an extraordinary level of relaxation This book is based on seven years of research into many dozens of books on voice culture as well as endless hours of recordings and video clips from live performances studio recordings master classes and interviews The research involved extracting the elements common to all the books and recordings and then testing them in practice in concert and in teaching The results were remarkable This book takes the mystery out of tried and true phrases whose meanings were lost with the passing of time Concepts such as singing on the breath silent breathing attack and clear vowels are explained in terms a singer can immediately understand and replicate Readers can have confidence in trying for themselves the simple but extremely effective ideas and exercises for liberating and beautifying the voice The great singers technique is almost unknown in many of today s voice studios but 130 years ago it was the standard technique for voice formation and voice culture The ideas were all but lost after the turn of the 20th century when a scientific mechanical approach replaced tried and true singing practices This book attempts to bring back the technique that served the great singers so well When singers try the basic elements for the first time they immediately experience the benefits and with further effort they get lasting results beauty and ease in singing As the Great Singers and teachers of the golden age of singing often said we can ALL sing well if the desire and the right knowledge can come together This book can provide the right knowledge

The Singers Talk Jason Thomas Gordon, 2023-09-05 A groundbreaking collection of inspiring and instructive conversations about the beauty brutality discipline and technique of being a successful singer This is a captivating look at both the nitty gritty preparation and emotional energy that it takes for artists to stand up to that mic reach down into their guts and give everything they ve got for the sake of the song Its star power and up close revelatory detail will keep readers riveted from start to finish Publishers Weekly starred review For all of the conversations we have about music there is precious little talk about the art of communicating emotion and meaning via the human voice The Singer s Talk remedies this by reaching out to a wide range of different singers who speak insightfully about both the skill and the magic required to change minds and break hearts Steven Hyden author of *Twilight of the Gods* and other books These revelatory frequently funny and deeply engrossing in depth interviews provide fans and aspiring

singers a backstage pass to the challenges every vocalist faces onstage and in the studio Packed with never before heard stories The Singers Talk reveals a truly intimate side to these iconic personalities while offering a master class on how the best in their field keep their vocal cords in shape and protect themselves on the road along with countless other tricks techniques strategies and philosophies to help vocalists at every level perfect the craft of singing This is the most geeked out I ve ever talked about my voice Thom Yorke This historic roster of artists includes Bryan Adams Tony Bennett Nick Cave Chuck D Roger Daltrey Joe Elliott Emmylou Harris Brittany Howard Chrissie Hynde Norah Jones Simon Le Bon Geddy Lee Willie Nelson Stevie Nicks Ozzy Osbourne Steve Perry Lionel Richie LeAnn Rimes Smokey Robinson Robert Smith Bruce Springsteen Mavis Staples Rod Stewart Paul Stanley Michael Stipe Jeff Tweedy Roger Waters Dionne Warwick Ann Wilson Thom Yorke and many more Additionally the book features conversations about legendary voices no longer with us such as Butch Vig on Kurt Cobain Clive Davis on Whitney Houston Nile Rodgers on David Bowie and Jimmy Iovine on Tom Petty Singing is so much more than hitting the right note It s about connecting with the audience connecting with something divine to a certain degree It s connecting to your most primitive and deepest intuition and to your nature as a human on this planet Karen O More than just an indispensable guide for singers of any level The Singers Talk is an unforgettable read for music fans everywhere All royalties from The Singers Talk will benefit the kids and families at St Jude Children s Research Hospital through their Music Gives to St Jude Kids campaign
