The Christian Seeker And The Contrary Church:

The Christian Seeker and the Contrary Church Arthur Pickett, 1994-12-01 *The Christian Witness, and Church Member's Magazine* , The Forgotten Ways Alan Hirsch, 2016-09-20 Alan Hirsch's paradigm shifting classic remains the definitive statement of the church as dynamic missional movement. The bestselling first edition ignited a conversation about how to harness the power of movements for the future growth of the church. In this major update Hirsch shares significant insights gained along the way, provides fresh new examples of growing churches, and reflects on the last ten years of the missional movement. The new edition has been thoroughly updated and revised throughout and includes charts, diagrams, an expanded glossary of terms, new appendices, an index, a new foreword by Ed Stetzer, and a new afterword by Jeff Vanderstelt. Known for his innovative approach to mission, Hirsch is widely acknowledged as a thought leader and mission strategist for churches across the Western world. He considers *The Forgotten Ways* the guiding work to all of his other writings. The book explores the factors that come together to generate high impact, exponentially explosive, spiritually vibrant Jesus movements in any time and context. This extensive update to Hirsch's influential work offers a system of six vital keys to movements that will continue shape the future of the missional movement for years to come. Paul Stevens, Robert Banks, 2018-12-01 I am thrilled to know that *The Complete Book of Everyday Christianity* is being relaunched. A well worn first edition of this book sits next to my office desk and I consult it often. There is no better collection of everyday issues examined from a Christian perspective.
