The Christians Secret Of A Happy Life For Today:

The Christian's Secret of a Happy Life for Today Catherine Jackson, 1979 **The Christian's Secret of a Happy Life** Hannah Whitall Smith, 2013-12 Hannah Whitall Smith's classic *The Christian's Secret of a Happy Life* is thoroughly biblical, extremely helpful, and highly recommended for new Christians. Smith wisely distinguishes between internal temptations and sin. Her book is right up there with other classics such as *Abandonment to Divine Providence* by Jean Pierre de Caussade, *Centuries of Meditations* by Thomas Traherne, or *A Testament of Devotion* by Thomas Kelly, another Quaker classic. Written over 100 years ago, Smith's book is more about the joyful life than the happy one in today's terminology. Her secrets as shared in the book are surrendering all to God, trusting implicitly in Him, and immediate obedience. She also provides many anecdotal stories to help the reader understand how much God loves us and how surrender, trust, and obedience result in our abiding more deeply in Christ and consequently having joy in all circumstances.

Christian's Secret of a Happy Life for Today Catherine Jackson, 1981 **The Christian's Secret of a Happy Life** Hannah Whitall Smith, 2016-07-28 A complete and unabridged edition of the inspirational classic that has sold more than 10 million copies. To commend this work would seem almost superfluous, and yet to young Christians who may not know it, we cannot refrain from saying, Buy this book and keep it with your Bible for constant study until you have thoroughly mastered in your own experience the secret of which it tells. It will transform the dark days of your life as it has transformed those of thousands before you into days of heavenly light. The Evangelist. It is certain as the author teaches that with more simple trust in the Lord Jesus as our Saviour and with more child-like submission to our heavenly Father's will, there would be more spiritual peace and strength. Publishers Weekly. No sensible believer can fail to be inspired by such a book and to gain from it genuine spiritual nourishment. The Congregationalist. Very widely circulated throughout the world because of its helpful spirituality. Five Thousand Books. The means of great blessings to very many for they speak of a life of joy and rest, and better still, they show very plainly and

attractively how such a life may be realized The Wesleyan Methodist Magazine This work since its first appearance has never ceased to be in demand and has now become a classic in religious literature Its aim is simply to tell the way of true Christian living The Chautauquan In the very outset then settle down on this one thing that the Lord is able to save you fully now in this life from the power and dominion of sin and to deliver you altogether out of the hands of your enemies If you do not think He is search your Bible and collect together every announcement or declaration concerning the purposes and object of His death on the cross You will be astonished to find how full they are Everywhere and always His work is said to be to deliver us from our sins from our bondage from our defilement and not a hint is given anywhere that this deliverance was to be only the limited and partial one with which the Church so continually tries to be satisfied You have been forced to settle down to the conviction that the best you can expect from your religion is a life of alternate failure and victory one hour sinning and the next repenting and then beginning again only to fail again and again to repent Can we dream that the Savior who was wounded for our transgressions and bruised for our iniquities could possibly see of the travail of His soul and be satisfied in such Christian lives as fill the Church today Can we for a moment suppose that the holy God who hates sin in the sinner is willing to tolerate it in the Christian and that He has even arranged the plan of salvation in such a way as to make it impossible for those who are saved from the guilt of sin to find deliverance from its power Sanctification is both a step of faith and a process of works It is a step of surrender and trust on our part and it is a process of development on God's part By a step of faith we get into Christ by a process we are made to grow up into Him in all things By a step of faith we put ourselves into the hands of the Divine Potter by a gradual process He makes us into a vessel unto His own honor meet for His use and prepared to every good work The maturity of a Christian experience cannot be reached in a moment but is the result of the work of God's Holy Spirit who by His energizing and transforming power causes us to grow up into Christ in all things And we cannot hope to reach this maturity in any way other than by yielding ourselves up utterly and willingly to His mighty working
