The Chronicle Of The Hutterian Brethren Volume I:

The Chronicle of the Hutterian Brethren Hutterian Brethren, 1987 As a record of refusal to break under ostracism torture and death this is an unparalleled testimony to the faithfulness and tenacity that has held the Hutterians together through 450 years of communal living

Inside the Ark Yosef Kats, John Lehr, 2012 The world's longest lasting and most successful communal society the Hutterites have a model of governance that has served them well for almost five hundred years In the past the colony was an ark isolated from both the secular world and the host society But today colonies face new challenges because of globalization and digital technologies and are losing much of their ability to exclude these influences from their lives Based on extensive fieldwork with the Schmiedeleut branch of the Hutterites the book includes the Conference Letters and Regulations published for the first time in English translation that provide invaluable insights into strategies for managing change

Balthasar Hubmaier and the Clarity of Scripture Graeme R Chatfield, 2013-12-26 During the sixteenth century many Reformers echoed Erasmus's claim that the Scriptures were clear could be understood by even the lowliest servant and should be translated into the vernacular and placed in the hands of all people People did not require the magisterium of the Roman Catholic Church to correctly interpret the meaning of the Scriptures However within a few short years the leaders of the Magisterial Reformers Martin Luther and Huldrych Zwingli had created their own Protestant versions of the magisterium This work traces how the doctrine of the clarity of Scripture found expression in the writings of Balthasar Hubmaier admirer of Erasmus and Luther and associate of Zwingli As Hubmaier engaged in theological debate with opponents onetime friends and other Anabaptists he sought to clarify his understanding of this critical reformation doctrine Chronologically tracing the development of Hubmaier's hermeneutic as he interacted with Erasmus Luther Zwingli and Hans Denck provides a useful means of more accurately understanding his place in the matrix of the sixteenth century Reformations

engaged religion teaches that people of faith have a responsibility to address and reduce suffering in all its forms both physical and spiritual including suffering resulting from social injustice exploitation oppression false faith and so forth True religion engages with society to alleviate suffering and bring transformation In other words religious violence is an obscenity a deviation from the true character of religion Martin Luther's Theology of Two Kingdoms in Buddhist and Christian Communities examines the principle of separation between religion and politics in the context of both Buddhist and Christian communities In predominantly Buddhist contexts such as Myanmar where a reciprocal relationship between religion and politics is expected separation is not effective Attempts by Christians to separate religion and politics cause the church to run away from tyranny and follow the state with blind obedience Martin Luther's model of two distinct but interconnected systems for religion and politics creates space for each institution to give constructive advice and criticism to the other for the health of all human beings
