*The Feminization
of Christianity*

Leon J. Podles

The Church Impotent The Feminization Of Christianity

Brian C. Hales

The Church Impotent The Feminization Of Christianity:

The Church Impotent Leon J. Podles, 1999 The current preoccupation with the role of women in the church obscures the more serious problem of the perennial absence of men This provocative book argues that Western churches have become women's clubs that the emasculation of Christianity is dangerous for the church and society and that a masculine presence can and must be restored After documenting the highly feminized state of Western Christianity Dr Podles identifies the masculine traits that once characterized the Christian life but are now commonly considered incompatible with it He contends that though masculinity has been marginalized within Christianity it cannot be expunged from human society If detached from Christianity it reappears as a substitute religion with unwholesome and even horrific consequences The church too is diminished by its emasculation Dr Podles concludes by considering how Christianity's virility might be restored In the otherwise stale and overworked field of gender studies *The Church Impotent* is the only book to confront the

lopsidedly feminine cast of modern Christianity with a profound analysis of its historical and sociological roots **Losing the Good Portion** Leon J. Podles, 2020-01-15 Few books have explored in depth the lack of men in the churches Podles book *The Church Impotent The Feminization of Christianity* was the first book length attempt to examine this phenomenon David Murrow's *Why Men Hate Going to Church* was a popular presentation of Podles material Marta Trzebiatowska's and Steve Bruce's short *Why Are Women More Religious than Men* confines itself almost entirely to modern British and American examples *Losing the Good Portion Why Men Are Alienated from Christianity* explores the causes and consequences of the almost millennium old disparity between the participation of lay men and lay women in the churches of Western Christianity Podles considers both the anecdotal and statistical evidence for the lack of men sermons church rolls censuses and sociological analyses Podles sees the intellectual roots of lack of men in the Aristotelian understanding of male and female as active and passive an understanding which has formed all discussion of masculinity and femininity from Aquinas through Schleiermacher Barth and Hans Urs von Balthasar all of whom saw femininity as more compatible with Christianity than masculinity Men according to anthropologists and psychologists go through a difficult process to attain masculinity and therefore distance themselves from threats to that masculine identity including Christianity Men suspected the clergy was effeminate and sexually irregular Historians of violence have examined the decline in violence in Europe and the civilizing role of the clergy a role which further alienated men and led to violent anticlericalism Podles examines the presentation of Jesus masculinity in Scripture and images of Jesus masculinity in art the role of thumos in spirituality and the various movements that have helped keep men connected to the churches He makes suggestions for possible outreach to men

Joseph Smith's Polygamy, Volume 3: Theology Brian C. Hales, 2013-02-26 Americans of Joseph Smith's day steeped in the stories and prophecies of the King James Bible certainly knew about plural marriage but it was a curiosity relegated to the misty past of patriarchs Abraham and Jacob who never gave reasons for their polygamy It was long abandoned Christians

understood by the time Jesus set forth the dominating law of the New Testament But how did Joseph Smith understand it Where did it fit in the restitution of all things Acts 3:21 predicted in the New Testament What part did it play in the global ideology declared by this modern prophet who produced new scripture new revelation and new theology During Joseph Smith's lifetime polygamy was taught and practiced in intense secrecy with the result that he never fully explained its doctrinal underpinnings or systematized its practice As a result reconstructing Joseph Smith's theology of plurality is a task that has seldom been undertaken Most theological examinations have either focused on its development during Brigham Young's Utah period with its need to resist increasing federal legislative and judicial pressures or the efforts of twentieth century and contemporary fundamentalists who continue to marry a plurality of wives Volume 3 of this three volume work builds on the carefully reconstructed history of the development of Mormon polygamy during Joseph Smith's lifetime then assembles the doctrinal principles from his recorded addresses the diary entries of those closely associated with him and his broader teachings on the related topics of obedience to God's will marriage and family relations and the mechanics of eternal progression salvation and exaltation The revelation he dictated in July 1843 that authorized the practice of eternal and plural marriage receives unprecedented examination and careful interpretation that illuminate this significant document and its underlying doctrines Attempts to explain the history of Joseph Smith's polygamy without comprehending the theological principles undergirding its practice will always be incomplete and skewed This volume which takes those principles and evidences with the utmost seriousness has produced the most important explanation of why this ancient practice reemerged among the Latter-day Saints on the shores of the Mississippi in the early 1840s [The Church and the Surprising Offense of God's Love \(Foreword by Mark Dever\)](#) Jonathan Leeman, 2010-01-08 When the world speaks of love it often means unconditional acceptance Many churches have adopted this mind set in their practice of membership and discipline if they have not done away with such structures entirely Yet God's love and God's gospel are different than what the world expects writes Jonathan Leeman They're centered in his character which draws a clear boundary between what is holy and what is not It's this line that the local church should represent in its member practices because the careful exercise of such authority is God's means for guarding the gospel marking off a people and thereby defining his love for the world So how should churches receive and dismiss members How should Christians view their submission to the church Are there dangers in such submission The Church and the Surprising Offense of God's Love responds with biblical theological and practical guidance from both corporate and individual perspectives It's a resource that will help pastors and their congregations upend worldly conceptions and recover a biblical understanding and practice of church authority **The Sexual Reformation** Aimee Byrd, 2022-03-08 What does it mean to be a woman or a man created in the image of God Many Christians don't have a good grasp of what their sexuality means Many women in the church don't feel like their contributions matter Why is this The church is sadly still confused about what it means to be a man or a woman While secular society talks about sexuality in

terms of liberation many in the church define manhood and womanhood in terms of reductive roles that rob us of the dignity of personhood created in the image of God In her poetic theologically contemplative style Aimee Byrd invites you to enter the rich treasure trove of the Song of Songs as its lyrics reveal how our very bodies are visible signs that tell us something about our God This often ignored biblical book has much to teach us about Christ his church man and woman And what it teaches us is not a list of roles and hierarchy It is a love song As it unfolds throughout the canon of Scripture the meaning of our sexuality extends beyond biology nature and culture to give us a glimpse of what is to come This meaningfulness reinforces our discipleship as we participate in the eschatological song In *The Sexual Reformation* you will discover the beautiful message that our bodies and our whole selves are part of the greater story in which Christ received the gift of his bride the church Within the context of that story you ll rediscover your sexuality as a gift *Fight Sports and the Church* Richard Wolff,2021-02-26 Fighting sports may seem at odds with Christian tradition yet modern ministries have embraced them as a means for evangelism and social outreach While news media often sensationalize fighting sports churches see them as a way to appeal to male congregants presenting a peace loving yet tough model of discipleship From martial arts programs at suburban churches to urban boxing ministries geared towards at risk youth this book examines the substantial history of church sponsored training in combat sports and presents arguments by Christian ethicists about their compatibility with church teachings and settings Interviews with boxing and martial arts ministry leaders describe their programs and the relationship between fight sports and faith *Healing the Masculine Soul* Gordon Dalbey,2003-09-09 In his groundbreaking book fifteen years ago Gordon Dalbey identified the fact that men s souls have been torn between strength and sensitivity Today the situation is even worse The politically correct crowd cries out for men to be more sensitive to tame their masculine nature On the opposing side the media bombards men with macho images of violence and lust Is it any wonder men are left bewildered about who they should be In this newly revised and updated edition of *Healing the Masculine Soul* Dalbey claims that there s hope for restoration hope for healing because Christ has come to heal us God is calling men out to a relationship with Himself and calling them out to authentic manhood Our task is not to curse our manhood but to redeem it he writes Gordon Dalbey s refreshing comprehensive picture of God s design for the masculine soul dares men to be as God created them to be not as society demands Dalbey tackles the tough issues including work sexuality marriage and fatherhood Book includes Study Guide *Multiculturalism and the Politics of Guilt* Paul Edward Gottfried,2004-01-02 *Multiculturalism and the Politics of Guilt* extends Paul Gottfried s examination of Western managerial government s growth in the last third of the twentieth century Linking multiculturalism to a distinctive political and religious context the book argues that welfare state democracy unlike bourgeois liberalism has rejected the once conventional distinction between government and civil society Gottfried argues that the West s relentless celebrations of diversity have resulted in the downgrading of the once dominant Western culture The moral rationale of government has become the consciousness raising of a presumed majority population

While welfare states continue to provide entitlements and fulfill the other material programs of older welfare regimes they have ceased to make qualitative leaps in the direction of social democracy For the new political elite nationalization and income redistributions have become less significant than controlling the speech and thought of democratic citizens An escalating hostility toward the bourgeois Christian past explicit or at least implicit in the policies undertaken by the West and urged by the media is characteristic of what Gottfried labels an emerging therapeutic state For Gottfried acceptance of an intrusive political correctness has transformed the religious consciousness of Western particularly Protestant society The casting of true Christianity as a religion of sensitivity only toward victims has created a precondition for extensive social engineering Gottfried examines late twentieth century liberal Christianity as the promoter of the politics of guilt Metaphysical guilt has been transformed into self abasement in relation to the suffering just identified with racial cultural and lifestyle minorities Unlike earlier proponents of religious liberalism the therapeutic statist oppose anything including empirical knowledge that impedes the expression of social and cultural guilt in an effort to raise the self esteem of designated victims Equally troubling to Gottfried is the growth of an American empire that is influencing European values and fashions Europeans have begun he says to embrace the multicultural movement that originated with American liberal Protestantism s emphasis on diversity as essential for democracy He sees Europeans bringing authoritarian zeal to enforcing ideas and behavior imported from the United States Multiculturalism and the Politics of Guilt extends the arguments of the author s earlier *After Liberalism* Whether one challenges or supports Gottfried s conclusions all will profit from a careful reading of this latest diagnosis of the American condition

A Collar Well Worn Rev. Paul F. McDonald, 2017-04-29 *A Collar Well Worn* is the work of an ninety year old Catholic priest who spent more than thirty years each in civilian ministry and another thirty years as an Air Force chaplain Rev Paul F McDonald has knitted together sixty years of events from the 20th century by describing stories about those periods the geography and history of places where he lived and served some of the notable people he had known during fifteen assignments and a few dozen temporary duty assignments in Western Europe the Pacific region and the United States He served the Catholic Church and his Country during and after the dynamic times of the Second Vatican Council 1962-65 during this time he listened to his people in a collaborative ministry in bringing about the necessary pastoral and liturgical changes Such reforms and others continue to shape a revitalized church and a resilient people who feel empowered as the people of God to work with all people of good will Surely such an abundance of experiences provide a panorama of a life s journey in the service of God Church and Country during which time he was proud to wear *A Collar Well Worn*

Living On The Edge Jonathan Burke, 2014-01-26 This book addresses common doubts and concerns Christians have concerning God and the Bible including claims from the New Atheism disputes over Bible archaeology questions about the historical accuracy of the Bible questions about the original texts of the Old and New Testament questions about what the Bible really teaches concerning topics such as baptism heaven and hell satan and

demons questions about the value and relevance of the Bible's moral and ethical teachings *Leaving Boyhood Behind* Jason M. Craig, 2019-02-08 What makes a man This is a question many men in our society today do not feel equipped to answer because they were never initiated into manhood themselves They do not know how to pass on authentic manliness to their sons so boys get stuck in unending adolescence Everyone suffers from the resulting crisis of male immaturity and we see its effects everywhere in our society *Leaving Boyhood Behind* shows how we can actually do something to address this crisis Author Jason Craig cofounder of Fraternus a Catholic mentoring program for boys walks through each stage of initiation into manhood helping readers understand What rites of passage are and why they are necessary for men Christ's own rites of passage and initiation What it means for a young man to put away childhood The importance of belonging vs isolation in the life of men The important role both mothers and fathers place in initiation Discipline and the masculine identity Living the ultimate rite of passage and much more This book is an invaluable resource for all Catholics who care about the intellectual physical and spiritual development of the next generation of men Deacon Harold Burke Sivers author of *Behold the Man A Catholic Vision of Male Spirituality* **Something Seems Strange** Anthony B. Bradley, 2016-09-21 Life happens at the intersection of faith and culture Whether we are Christians or not we all have some narrative about the way the world ought to be that shapes how we view the world and live our lives In this book Anthony Bradley explores those intersections in ways that analyze and direct our imaginations toward the best practices that lead to human flourishing Economics political philosophy sociology psychology and theology are just a few of the disciplines used in an attempt to make sense of a world where things are not the way they are supposed to be Something does seem strange about the world but we are not left without tools and principles that we need to make life work at the intersections of faith and culture The aim of *Something Seems Strange* is to provide a model of thinking about life at those intersections so that people can lively freely according to their God given design Man of the House C. R. Wiley, 2017-03-22 What is your plan for the end of the world as we know it How will you protect the people you love What will you leave to them when you are gone The good news is this is not the first time the world has ended What's more men were made for times like these And the men of the past the good ones anyway have left us a plan to follow They built houses to last houses that could weather a storm This book contains their plan Language in the Liturgy Barry Spurr, 2025-01-01 *Language in the Liturgy* is an historically based linguistically focused account of the development of liturgical language in English in the Anglican and Roman Catholic Churches over the past half century It analyses issues of style and expression in a wide range of texts setting this analysis within larger contexts of ecclesiastical and societal change since the 1970s The Book of Common Prayer is taken as the benchmark of classical liturgical composition in English not only because it was the first liturgy to be composed in the language but also because of the universally acknowledged beauty of it Professor Spurr makes a detailed comparative and analytical linguistic study of the Prayer Book and the liturgies composed in English in the modern idiom He argues for a renewal of the renewal by the

restoration of an appropriate solemnity and sacredness of linguistic expression as exemplified in the traditional Prayer Book rites The book also includes chapters on the role of music and of silence in worship This stimulating study will be of interest to all concerned about the future direction of liturgies in English in the Anglican and Roman Catholic Churches Designing A Program To Nurture Great Men of Faith, Character and Service in the Local Church Rev. Dr. Charles Falcone, 2014-03-05 This thesis is written to investigate the gender gap that exists in current church membership throughout Western Christianity Numerous studies have established that throughout all Christian churches in the United States women outnumber men in attendance and membership This paper is written with the hope of understanding the causes for disproportional involvement of men in the local church We will investigate the factors of theological climate in the mainline church sociological factors revolving around the Christian family changing notions of work vocation and gender roles and sociological factors of health and longevity Our goal is to see an awakening in the masculine spirit at the church where the author currently serves *Am I Sleeping with the Enemy?* Ron Clark, 2010-07-01 When a boy cries his father trains him in the way of the ancients He is taught to man up and rejects anything feminine in his life Thus he begins the process of becoming a man in the image of his culture This transformation comes at the expense of his own calling to reflect the image of God Men and women however were both created in this divine image and were meant to live in harmony rather than enmity Recently influential Christian writers and leaders have suggested that men have become too feminized and need to return to their calling to be real men Clark believes that this new masculinity is in reality a return to the way of the ancients Drawing from his experiences as a minister domestic and sexual violence prevention advocate and community leader Clark suggests that Jesus came to redefine masculinity and resist the cultural view of manhood power and oppression Cowboy Christians Marie W. Dallam, 2018-01-15 *Cowboy Christians* examines the long history of cowboy Christianity in the American West with a focus on the present day cowboy church movement Based on five years of historical and sociological fieldwork in cowboy Christian communities this book draws on interviews with leaders of cowboy churches traveling rodeo ministries and chaplains who serve horse racing and bull riding communities along with the author's first hand experiences as a participant observer Marie W Dallam traces cowboy Christianity from the postbellum period into the twenty first century looking at religious life among cowboys on the range as well as its representation in popular imagery and the media She examines the structure theology and perpetuation of the modern cowboy church and speculates on future challenges the institution may face such as the relegation of women to subordinate participant roles at a time of increasing gender equality in the larger society She also explores the cowboy Christian proclivity for blending the secular and the sacred in leisure environments like arenas racetracks and rodeos Dallam locates the modern cowboy church as a descendant of the muscular Christianity movement the Jesus movement and new paradigm church methodology *Cowboy Christians* establishes the religious significance of the cowboy church movement particularly relative to twenty first century evangelical Protestantism and

contributes to a deeper understanding of the unique Christianity of the American West

God and Popular Culture

Stephen Butler Murray, Aimée Upjohn Light, 2015-08-11 This contributed two volume work tackles a fascinating topic how and why God plays a central role in the modern world and profoundly influences politics art culture and our moral reflection even for nonbelievers God in the many ways that people around the globe conceptualize Him Her or It is one of the most powerful divisive unifying and creative elements of human culture The two volumes of *God and Popular Culture A Behind the Scenes Look at the Entertainment Industry's Most Influential Figure* provide readers with a balanced and accessible analysis of this fascinating topic that allows anyone who appreciates any art music television film and other forms of entertainment to have a new perspective on a favorite song or movie Written by a collective of both believers and nonbelievers the essays enable both nonreligious individuals and those who are spiritually guided to consider how culture approaches and has appropriated God to reveal truths about humanity and society The book discusses the intersections of God with film television sports politics commerce and popular culture thereby documenting how the ongoing messages and conversations about God that occur among the general population also occur within the context of the entertainment that we as members of society consume often without our recognition of the discussion

Mary at the Foot of the Cross V, 2004-11 A special volume on the Mary at the Foot of the Cross series which commemorated the 150 Anniversary of Mary's Immaculate Conception This is an interesting collection of informative articles by renowned mariologists The 150th anniversary of the proclamation of the dogma of the Immaculate Conception occasioned the theme of this volume The mysteries of Mary are so intertwined that each of them sheds light to one other This is the case between the Immaculate Conception and Marian Coredemption A typical Franciscan thesis the articles in this series reiterates that only she who is perfectly redeemed Immaculate Conception has a unique active role in the redemption of Christ Only one who is fullness of graces in the words of St Maximilian can distribute and mediate them to souls

Preaching to a Shifting Culture Scott M. Gibson, 2004-08 A challenge to preachers to proclaim the Scriptures with authority and power in a post Christian world

The Enigmatic Realm of **The Church Impotent The Feminization Of Christianity**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. The Church Impotent The Feminization Of Christianity Introduction

In today's digital age, the availability of The Church Impotent The Feminization Of Christianity books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Church Impotent The Feminization Of Christianity books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Church Impotent The Feminization Of Christianity books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Church Impotent The Feminization Of Christianity versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Church Impotent The Feminization Of Christianity books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Church Impotent The Feminization Of Christianity books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Church Impotent The Feminization Of Christianity

books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Church Impotent The Feminization Of Christianity books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Church Impotent The Feminization Of Christianity books and manuals for download and embark on your journey of knowledge?

FAQs About The Church Impotent The Feminization Of Christianity Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility.
