The Church That Dared To Change:

The Church that Dared to Change Michael R.. Tucker,1975 **What's Right with the Church** Elmer L. Towns,2009-09-15 The early believers of Jesus Christ knew that they were not just members of an organization nor were they just an extension of Old Testament Judaism They knew that they were followers of the living Lord Jesus Christ They were members of a thing called the church Through the centuries the church has been the most powerful transforming force in history Yet in America many observe it as anemic and powerless Author Elmer Towns contends that there is good news there are many things that are still right with the church What Is Right With the Church affirms the positive things that are present in the church today and what will carry it forward as a transforming force This book is not a defense of the traditional church nor does it run to embrace all new forms of worship Rather this book examines the biblical nature of church allowing the best to come forth It is not a book about old churches new churches or home churches It is a book about what is right about every true church no matter the expression history or culture A growing number of people are not aware of the enduring strengths of the church The author contends that if believers in Christ are to effectively move forward with healthy communities and a vibrant faith in this new century they must be established on foundational biblical truths and core values And when this happens the church thrives as a transforming force Ten Lies The Church Tells Women J Lee Grady,2013-07-29 The gospel was never intended to restrain women from pursuing god or to prevent them from fulfilling their divine destiny In his revised and updated book which includes testimonials Lee grady boldly proclaims the truth of the gospel that men and women are appointed by god and empowered by Him In 10 Lies the Church Tells Women readers will discover Why Jesus went out of His way to minister to and disciple women Why so many Christian women suffer abusive marriages and why many pastors don t do anything about the problem How the Proverbs 31 woman has been misinterpreted to deny women opportunities in the workplace **The Prelude to Pentecost** R. L. Speaks,2007-04-02 The power to witness effectively in these troubled times is the basis for this book in which Speaks challenges today s church to offer more than pep pills of personal piety laxatives of racial tolerance and the surgery of social revolution Speaks dares the church to build temples of love on the dung hills of hate to build a new community of brotherhood upon the shifting sands of racism and to build a new society of peace upon the wastelands of human strife *A Comparison of the System of Religious Establishments with that of Voluntary Churches, as to their effects upon the internal state of the church. The sixth of a series of lectures delivered in Edinburgh, at the request of the Voluntary Church Association, April 1, 1835* William PEDDIE (D.D.),1835 Dare to Dream Jeffrey Hunter,2018-01-17 Dare to Dream Sermons for African American Self Esteem is a collection of thirty five sermons with a message of liberation hope and high self esteem **The National Church a National Blessing** Nathaniel Morren,1844 **The Church on the Other Side** Brian D. We Dare to Dream Virginia Fabella, Sun Ai Lee Park, 2015-02-10 The phenomenon of Asian women doing theology is recent Christian women in Asia increasingly insist that unless their distinctive voices as Asians and as women are heard the emerging theologies cannot be liberating relevant or complete Bringing together writings of women from the Philippines India Taiwan Hong Kong Malaysia Korea and Singapore We Dare to Dream first reworks some basic theological themes of Christology ecclesiology and the Holy Spirit from an Asian feminist perspective Part II explores the realities of the Asian context through issues of peace politics sexuality and culture Part III presents and explicates what doing theology as Asian women means These writings are vital to theology throughout the world today Not only do their authors take their own history and context seriously but they relate their experience to the experience of women throughout the world forging common bonds and venturing toward a world of justice and reciprocity As the editors state Unless our thoughts as women are known and our voices heard the work toward rearticulating Christian theology in Asia will remain truncated God s face will be only half seen and God s voice only half heard

Mother Church Carl E. Braaten, Carl Braaten here issues an energetic call for a truly ecumenical church including a Lutheran rationale for recovery of the historical episcopacy and papal primacy as servants of the gospel Braaten writes of the church s place in the divine scheme of things and of the various modern isms that distort or hide the classical Christian tradition Tracing his own ecumenical journey he outlines an ecclesiology of communion and advances specific proposals for enhancing Christian unity in liturgy spirituality and church polity The confessing movement named after Martin Luther he views in terms of its basic intent to reform and renew the church not to start a new Christianity in a multiplicity of separate denominations
