The Church:

The Church Mark Dever, 2012-04-01 A primer by respected Washington DC pastor and 9Marks ministry president Mark Dever on the doctrine of the church that explores the important issues of church life other doctrines worship and polity

What Is the Church and Why Does It Exist? David Fitch, 2021-03-30 What is the church And why does it exist These are essential questions for those who seek to follow Jesus in community David Fitch delves into the origins of the church exploring the identity and calling of the body of Christ in scripture and church history Learn about the Christian practices that shape the church and how our understandings of church might change in light of the life of the church through the centuries At a time when the church in the US is losing credibility and cultural privilege Fitch calls us to embrace historic Anabaptism as a model for thriving as God's people in our own time and place The Jesus Way Small Books of Radical Faith delve into big questions about God's work in the world These concise practical books are deeply rooted in Anabaptist theology Crafted by a diverse community of internationally renowned scholars pastors and practitioners The Jesus Way series helps readers deepen their faith in Christ and enliven their witness The Church Gregg R. Allison, 2021-02-22 What comes to mind when you think of the word church In this volume Gregg R Allison helps define the church and its mission by presenting an overview of the specific doctrines and practices of different churches and denominations He lays a basic foundation for better understanding the common practices among local church communities mere ecclesiology and the ways that they diverge from one another more ecclesiology Through this systematic primer you will come away knowing not only how various churches differ but also how they're ultimately united as the body of Christ and the temple of the Holy Spirit

Why We Need the Church to Become More Like Jesus Joseph H. Hellerman, 2017-11-09 Many of us long to experience the fullness of God and his purpose for our lives Not a whole lot of us ever do The reason is that we have departed in some significant ways from the biblical view of Christian life and growth The New Testament highlights the communal missional and eschatological aspects of our walk with God We grow in our faith as individual Christians to the degree that we are a deeply rooted relationally in a local church community that is passionately playing its part in God's grand story of Creation Fall Redemption and Restoration and contently anticipating the summing of all things in Christ when Jesus returns In recent decades American evangelicals have traded away community outreach and the Bible's teaching about eternity future for the pursuit of individual religious experience in the here and now Why We Need the Church to Become More Like Jesus traces this departure from biblical Christianity through recent decades of popular evangelical trends and reminds us that faith centered on community mission and the story line of Scripture remains the key to the spiritual formation of the individual Christian *The Notes of the Church, as Laid Down by Cardinal Bellarmine* Thomas Tenison, 2025-08-03 Reprint of the original first published in 1839 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural

heritage **"The Church as the Image of the Trinity"** Kevin J. Bidwell, 2011-06-10 A resurgence of Trinitarian interest gained momentum in the twentieth century and it is showing little sign of abating in the twenty first century This research endeavors to critically evaluate Miroslav Volf s ecclesial model for the church as the image of the Trinity one that he presents with the English title *After Our Likeness* Volf proposes a social doctrine of the Trinity one that is heavily influenced by the theological writings of Jurgen Moltmann and he puts forward that this nonhierarchical Trinity should be reflected in the structures and theology of the church If Volf is correct then a radical reshaping is needed for the church to conform to an egalitarian pattern one that is after the likeness Gen 1 26 of an egalitarian God In this critical examination Kevin J Bidwell begins by stating the theological influences that are pertinent to Volf s thesis in *After Our Likeness* and the assumptions that undergird and inform his whole theological paradigm An important theological excursus is offered to assess the theology of John Smyth the first English Baptist who is Volf s representative figure for the location of his own ecclesiology the Free Church A critical analysis follows of Volf s engagement with his two chosen dialogue partners who represent both Western and Eastern theological traditions Joseph Ratzinger and John D Zizioulas Volf presents five theses for the church as the image of the Trinity which could be labeled as Volf s Free Church in the image of Volf s revised doctrine of the Trinity This monograph offers extensive insight into the contemporary debate on the doctrine of the Trinity but it also assesses many aspects of ecclesiology from both Eastern and Western perspectives **History of the Church of Scotland** William Maxwell Hetherington, 1854 The Practical Expression of the Church Witness Lee, 2016-03-01 Witness Lee speaks of the church in *The Practical Expression of the Church* not only from the viewpoint of God s eternal purpose which is the church triumphant and universal but also from the viewpoint of the believers experience and enjoyment of the riches of Christ which produces a local expression of the church an expression that displays the oneness of the Body of Christ and brings in God s commanded blessing Psalm 133 **Paradigms of the Church in Mission** Augusto Rodriguez, 2012-02-01 In this book Augusto Rodr guez provides a historical survey of the different paradigms of Christianity in order to understand how and why the church has changed her concept of being the church and of mission This book will help in understanding how the different paradigms of Christianity throughout history have changed the church s self understanding of being the church and of mission Rodr guez s aim is to provide an opportunity for Christians to see the different paradigms the church has gone through and understand the present situation of the church in order to live out as fully as possible the New Testament understanding of its mission and better accomplish the task Calvin's Political Theology and the Public Engagement of the Church Matthew J. Tuininga, 2017-04-06 In *Calvin s Political Theology and the Public Engagement of the Church* Matthew J Tuininga explores a little appreciated dimension of John Calvin s political thought his two kingdoms theology as a model for constructive Christian participation in liberal society Widely misunderstood as a proto political culture warrior due in part to his often misinterpreted role in controversies over predestination and the heretic Servetus Calvin articulated a thoughtful

approach to public life rooted in his understanding of the gospel and its teaching concerning the kingdom of God He staked his ministry in Geneva on his commitment to keeping the church distinct from the state abandoning simplistic approaches that placed one above the other while rejecting the temptations of sectarianism or separatism This revealing analysis of Calvin's vision offers timely guidance for Christians seeking a mode of faithful respectful public engagement in democratic pluralistic communities today

Catholic Schools and the Future of the Church Kathleen Engebretson, 2014-02-27 During the first decade of the 21st century the Catholic Church in the developed world has faced a decline in its moral authority increasing accusations of irrelevance to a secular age and a steep and steady decline in commitment among successive generations from the 1960s on Despite this Catholic schools have multiplied and grown in popularity and educational achievement The book sets out a programme for the contribution of Catholic schools to the future of the Church covering such topics as the religious education curriculum in its cognitive and affective aspects the sacramental life of the school selection of staff the issue of staff and Catholic witness and many other topics Engebretson argues that Catholic schools are a powerful key to the future of the Church and shows how within their diversity Catholic schools can be ecclesial communities which have at their heart the building up of the Church

The Calling of the Church in Times of Polarization, 2022-10-31 In many societies all over the world an increasing polarization between contrasting groups can be observed Polarization arises when a fear born of difference turns into us versus them thinking and rules out any form of compromise This volume addresses polarizations within societies as well as within churches and asks the question given these dynamics what may be the calling of the church The authors offer new approaches to polarizing debates on topics such as racism social justice sexuality and gender euthanasia and ecology and agriculture in various contexts They engage in profound theological and ecclesiological reflection in particular from the Reformed tradition Contributors to this volume are Najib George Awad Henk van den Belt Nadine Bowers Du Toit Jaeseung Cha David Daniels David Fergusson Jan Jorrit Hasselaar Jozef Hehanussa Allan Janssen Klaas Willem de Jong Viktoria Kczi n Philipp Pattberg Louise Prideaux Emanuel Gerrit Singgih Peter Ben Smit Thandi Soko de Jong Wim van Vlastuin Jan Dirk Wassenaar Elizabeth Welch Annemarieke van der Woude and Heleen Zorgdrager

Corporate Decision-Making in the Church of the New Testament Jeffrey Brown, 2013-07-23 Debate about church order has gone on for centuries within Christianity and an end is nowhere in sight Perhaps that is good since the debate shows the weaknesses of many ideas that need correction Corporate Decision Making examines church order from a careful exegetical perspective with particular attention to the social world of the New Testament While most works about church government address structure and qualities of leadership Brown deals with the interaction of the people of the church both with their leaders and with one another in setting policy In brief though all believers in the young church of the New Testament revered Christ and his Word as authoritative not all church decisions were top down from earthly leaders On the contrary many were
