**The Great Shaking Awakening** R.

Kennedy, 2020-05-30 Will the church have a Revival a Reformation or will it have a Revolution perhaps all three are needed Churches all over America casually pray for revival They sing about it talk about it blog about it write books about it preach sermons about it yet the air of the church seems helplessly thin For a good deal of western Christendom revival is a novel idea but not a perceivable reality The cry for revival has never been greater the demand for its powerful effects has never been more needed Yet the requirements for revival have never been so neglected Every Spirit filled believer knows in their gut something is coming that things cannot remain as they are for the American Church That we have somehow missed what we are supposed to be and do If there is an ounce of prophetic nature left in the American church she will anticipate and prepare for what is ahead We picture times of revival as a time of refreshing and of course there are those times However a true sign that revival is on its way is when all we can see is a barren wasteland peppered with many crosses It looks as all hope is lost and in the natural it is Many of us want Revival our way But revival God's way means there will be a tearing down of the old to bring to life again the things that have died The Prophet's anguish will soon become his hope When we recognize our churches seem to be spinning out of control it is because we are on the potter's wheel It is there the church is being formed in the image of Christ How do we know such a revival will come Because they have come in the past God time and time again has revived His church As well we have seen great awakenings in our land We are due no overdue for a great world shaking nation awakening revival

**True Revival** Ellen G. White, 2010 Calls for a revival Conversions fake or real How to be a born again Christian God has rules too The balance in faith and works Saved only in Christ Beware the counterfeits It's still a fight Safeguarding the new experience Special appeals in public ministry

The Revival We Need Oswald Smith, 2012-06-28 When Oswald J. Smith wrote this book almost a hundred years ago he felt the most pressing need of the worldwide church was true revival the kind birthed in desperate prayer and accompanied by deep conviction for sin godly sorrow and deep repentance resulting in a living victorious faith If he were alive today he would surely conclude that the need has only become more acute with the passing years The author relates how there came a time in his own ministry when he became painfully aware that his efforts were not producing spiritual results His intense study of the New Testament and past revivals only deepened this conviction The Word of God which had proved to be a hammer a fire and a sword in the hands of apostles and revivalists of bygone days was powerless in his hands But as he prayed and sought God in dead earnest for the outpouring of the Holy Spirit things began to change Souls came under conviction repented of their sins and were lastingly changed The earlier chapters of the book contain Smith's heart stirring messages on the need for authentic revival how to prepare the way for the Spirit's moving the tell tale signs that the work is genuine and the obstacles that can block up the channels of blessing These chapters are laced with powerful quotations from revivalists and soul winners of former times

such as David Brainerd William Bramwell John Wesley Charles Finney Evan Roberts and many others The latter chapters detail Smith's own quest for the endowment of power his soul travail and the spiritual fruit that followed In his foreword to this book Jonathan Goforth writes Mr Smith's book *The Revival We Need* for its size is the most powerful plea for revival I have ever read He has truly been led by the Spirit of God in preparing it To his emphasis for the need of a Holy Spirit revival I can give the heartiest amen What I saw of revival in Korea and in China is in fullest accord with the revival called for in this book

*Revival Now* James Burns, 2018-03-06 In Christian history no phenomenon is clearer than the recurrence of revivals A passion for repentance sweeps across a city and those who had been unaware of the supernatural are now keenly aware of God's presence Gripped by conviction of wrongdoing they throw everything aside and desperately search for a way of salvation Our spiritual instincts are often clouded by worthless pursuits but God is working through His laws for the salvation of His people and for the world's good In *Revival Now* learn about God's laws of revival including the laws of progress spiritual growth ebbing tide fullness of time awakening variety and more Edited for today's reader by Tom Phillips *Revival Now* originally written by James Burns in 1909 *Revivals Their Laws and Leaders* traces common characteristics of past revivals and shows how our world today is ripe for a new profound move of God's Spirit Also included are inspirational prompts and prayers to help you experience Scripture and encounter Jesus A Jesus awakening is here DR TOM PHILLIPS is a farm boy from Mississippi whose grandfather was a circuit riding preacher His family's spiritual heritage originated in the great awakenings throughout the Southeast beginning in Kentucky in the early 1800s Today Tom is vice president of the Billy Graham Evangelistic Association BGEA Tom and his wife Ouida have three grown children and make their home in Charlotte North Carolina

**World's Greatest Revivals** Fred Wright, Sharon Wright, 2011-07-28 How desperate are you Revivals always begin with personal desperation When we are desperate enough to cry out to God for our need He releases a deluge of His Spirit to not only meet your need but to also change your family community state nation and the world The greatest revivals have all been initiated by the deep seated needs of man God has responded to passionately meet each of those needs Waves of God's mercy in response to our heart's cry will benefit those around us and even the world The *World's Greatest Revivals* explores The Reformation The Great Awakening The Azusa Street Revival The Toronto Blessing Through extensive research and personal experiences authors Fred and Sharon Wright share the fascinating history of revivals and revivalists over the past 600 years and explore their long lasting impact on society This book shows the personal impact of these revivals and how our desperation opens the floodgates of heaven

**Let the Fire Burn** Valles, 2017-11 The call for revival has been heard across America for several years now Truly this is the time we need to see God move in our land True believers in Christ need to understand what revival is and what is necessary to see it happen The Bible has much to say about it and gives us examples to help us know what it entails as well as the powerful results that bring glory to God Although revival is desperately needed few believers today have ever seen it in their church or neighborhood It is not too late but is

getting close to it In this book Evangelist Michael Valles not only gives a fresh call to revival but also reveals what steps must be taken to bring it about Some of the topics covered in this book include The Urgent Need for Real Revival America's Desperate Need for Revival Revivals in America Hindrances to a Holy Ghost Revival Three Steps on How to Get Revived The Key to a Future Strong America The Great Blessings That Revival May Bring Can We Expect a National Revival Today And more 15 chapters in all The author emphasizes that we must have revival if we are to have a powerful and lasting impact on our homes neighborhoods churches and nation It is time to stop playing religious games and get serious with God He also believes that as long as II Chronicles 7:14 is in the Bible that there may be revival here in these last days It only takes Christians willing to meet the conditions Are you willing to meet the challenge Preparing Your Church for Revival T. M. Moore, 2001 We all long for revival but we tend to pray for it to come without being completely sure what precisely it is This book will be a revitalising aid to those of us who desire revived spiritual life for our churches T M Moore offers practical advice on steps that we can take each with secure scriptural foundations to prepare our churches for the sovereign work that is revival This book is clear that there is no conflict between revival being a work of God and the continued and urgent need for God's people to earnestly pray for its appearance With practical guides to help us pray for revival T M Moore realises the need for balance and succeeds in providing a book that will help us to refocus on revival and prepare our souls and our churches for the mighty work of a Sovereign and loving God Book jacket *Turning the Tide in the West* Desmond E. Daniels, 2022-05-16 In the ebb and flow of history there have been times when God stepped down to turn the tide and address the godlessness on planet Earth These seasons of revival often occurred at the darkest times blessing His people and transforming society These widespread revivals known as the Great Awakenings facilitated the historic social progress enjoyed by the West All major denominations were either birthed in awakenings or have experienced revival at some time For the tide to turn once more the contemporary church must first return to its historical roots Only then will it live up to its God-given potential and fulfil its destiny This book encourages believers to stop lamenting the present darkness and instead cry out to God for His intervention once again History shows us repeatedly that a society's rejection of God invariably results in both moral and spiritual decline However it was this decline and the need for a moral compass that motivated people to return to God It was because of this that so many past awakenings followed periods of moral decay and social anarchy When people began to call on God for His help the tide of godlessness was turned again This book was motivated by a conviction that spiritual revival is urgently needed more than any other time in history It outlines the need for another mighty move of God and offers a roadmap for those passionate about seeing the tide turned in our day **It's Revival We Need** Charles William Fisher, 1983 **Revival Culture** Michael Brodeur, Banning Liebscher, 2013-01-17 We all want revival We talk about it pray for it and devise every evangelism strategy imaginable We read about the Great Awakening and recall the Jesus Movement And today we stand at the precipice of another sweeping spiritual outbreak that could reach the ends of the earth

But are we ready Revival Culture is an inspirational biblical and empowering manual for the next generation of revivalists Michael Brodeur and Banning Liebscher have been witnessing a spiritual renewal at Bethel Church in Redding California and through Jesus Culture that goes beyond slogans and high hopes to actually reaching They have learned that transformation happens when we see the unreached as Jesus sees them and when we make revival a part of our lives rather than an event This is the full picture of revival culture      *Revival* Martyn Lloyd-Jones,1987-02-01 In every era the church needs revival certainly today as much as ever And in the heart of every committed Christian there is the longing for personal revival to know the quality and depths of spiritual reality and the presence of God in one s personal life This was the deepest desire of Dr Martyn Lloyd Jones one of the great 20th century Bible expositors It was also the purpose behind this series of messages which were first given on the 100th anniversary of the Great Revival which started in Wales and swept across England and throughout the United States and to the far corners of the world As Dr Lloyd Jones recognized it is a rare time in the history of the church when there is a great outpouring of the Holy Spirit and a time of special interest of every Christian who longs for revival today As Dr J I Packer writes in his foreword Dr Lloyd Jones believed in the necessity of revival that is a quickening divine visitation as the only vent that can avert ultimate spiritual disaster The thrustful urgency of the sermons in this book testifies to the depth of his conviction that without revival in the church there is really no hope for the Western world at all Dr Lloyd Jones deftly draws principles from the lives of Old and New Testament characters as well as expounding some of the great prayers of the Bible Clearly and forcefully he presents a masterful exposition of the circumstances accompanying revival in the past why each generation needs it and how it will come about today We must come to the sovereign God forsake our sin and wait upon Him for this special essential outpouring God bring us revival      How to Promote & Conduct a Successful Revival Rueben A. Torrey,2020-06-01 Yet we do speak wisdom among those who are mature a wisdom however not of this age nor of the rulers of this age who are passing away 1 Corinthians 2 6 There are too many trying to promote revival by pushing doctrines that have never produced a revival in all of church history These doctrines are called new but they are in reality as old as the early heresies that crept into the church They have never had power to produce conviction of sin conversion or regeneration so presumably they will not have that power today Some of the methods described in this book will appear novel to many but they are methods that have been tried before and proven effective There is no mere theorizing in the book Men whom God has used in winning souls to Christ and building up believers have been asked to write out of their own experience No one who has been asked to write has declined Such a book as this seems to be an absolute necessity of the hour There are thousands of ministers and other Christian workers in the land longing for a true revival of God s work but with no experimental or even theoretical knowledge of how to go to work to promote such a revival It is our earnest prayer and confident expectation that this book will prove helpful to all such men      **America's Great Revivals** ,2020-06-30 The year 1734 marked the beginning of one of the greatest revivals in the history of North America

Sparked by the preaching of Jonathan Edwards the flames of revival spread throughout New England Other great awakenings followed across the new nation as God sent spiritual revival through the ministries of George Whitefield Charles Finney Dwight L Moody Billy Graham and many others Today America is in need of a fresh awakening from God May the captivating stories of what God did in the 18th 19th and 20th centuries inspire you to pray for a new season of great revival

**Reclaiming Revival** Corey Russell, Billy Humphrey, 2022-06-21 Every great revival begins with a groan Today many Christians desperately cry out to God pleading for Him to send spiritual awakening But there is a realm of effective prayer that can tip the heavenly prayer bowls to release the historic revival we all desire Throughout church history the great saints and revivalists knew that true revival begins with a groan of awakening from the heart of hungry believers Corey Russell bestselling author and key ministry leader at Upper Room Dallas joins with Billy Humphrey director of GateCity Church to offer a timely book on spiritual preparation that releases revival These veteran prayer leaders with a combined 40 years of intercession experience offer powerful and practical strategies to Receive a vision for revival that will dramatically shift your prayer life Discover the end times connection between revival and Jesus return Live a Holy Spirit saturated revival lifestyle that is not dependent on gatherings or events Be ruined for dead religion and ignite your heart with fresh zeal Discover historic and biblical revival zones where demons disease and principalities are confronted and destroyed by the presence of God It s time for a landscape changing revival to erupt and prepare the way for Jesus return Take your place as a forerunner revivalist It all starts with a groan

*An Urgent Appeal* National Revival Network, 2003-03-12 Recently nearly 40 denominational leaders issued a nationwide call to prayer to the church in America It is in the spirit of this call that the National Revival Network of Mission America along with input from nearly 100 national Christian leaders has drafted this appeal What is the urgent appeal It is a call for church leaders to agree on what true revival is why they need it and how we as bodies of believers can begin seeking it together

**Awake and Arise the Dying of the American Church** Dr. Stan Mars, 2019-09-05 The majority of churches in America are either dying or dead This is due to the sin of disobedience by man through the rejection and refusal to obey the commandments of God especially in John 13 34 35 and Matthew 28 19 20 Jesus commands us to GO into all nations and make disciples and this is an act of love for God and others You will learn that most churches are not in this business so they do not make any disciples and importantly they don t make leaders of disciples Awake and Arise calls for the reformation of the American Church to begin to do God s church God s way If the church will adhere and obey they will find revival offered by God If the church continues to refuse they will find the same experience that the Church of Laodicea found in the spewing out by Jesus Christ To the glory of God let us be humble and pray for forgiveness and move to God for His blessings to begin this journey

**Expecting Revival** R.
