The Circle Of Eros Sexuality In The Work Of William Dean Howells:

The Circle of Eros Elizabeth Stevens Prioleau, Betsy Prioleau, 1983 The circle of Eros: Sexuality in the work of W. D. Howells Elizabeth S. Prioleau, 1982 *William Dean Howells and the Ends of Realism* Paul Abeln, 2005-02-18 Despite efforts at revival by John Updike and others William Dean Howells still remains in the shadows of his close friends Mark Twain and Henry James This book works against decades of unfavorable comparisons with these literary giants William Dean Howells and the Ends of Realism helps us to see him as a writer very much aware of his limitations and of his enormous importance in the development of an American literary tradition A close look at his late works gives us a richer understanding of this powerful moment of transition in American literature a moment when Howells and his venerable friends were inspiring and anointing a new generation of writers and taking a long hard look at their own legacies and contributions **Desire and the Political Unconscious in American Literature** Sam B Girgus, 1990-05-25 **Male Sexuality Under Surveillance** Graham Thompson, 2005-04 Male Sexuality under Surveillance is a lively intelligent and expertly argued analysis of the construction of male sexuality in the business office Graham Thompson interweaves three main threads a historicized cultural analysis of the development of the modern business office from its beginnings in the early nineteenth century to the present day a Foucauldian discussion of the office as the site of various disciplinary practices and a queer theoretical discussion of the textualization of the gay male body as a device for producing a taxonomy of male male relations The combination of these themes produces a study that is fresh insightful and provocative **The Calvinist Roots of the Modern Era** Alik Barnstone, Michael Tomasek Manson, Carol J. Singley, 1997 This collection of essays traces Calvinism's presence in twentieth century literature and demonstrates its impact as psychological construct cultural institution and socio political model **Same-Sex Dynamics Among Nineteenth-Century Americans** D. Michael Quinn, 2001-06-15 Winner of the Herbert Feis Award from the American Historical Association and named one of the best religion books of the year by Publishers Weekly D Michael Quinn's Same Sex Dynamics among Nineteenth Century Americans has elicited critical acclaim as well as controversy Using Mormonism as a case study of the extent of early America's acceptance of same sex intimacy Quinn examines several examples of long term relationships among Mormon same sex couples and the environment in which they flourished before the onset of homophobia in the late 1950s **A Companion to American Fiction, 1865 - 1914** Robert Paul Lamb, G. R. Thompson, 2008-04-15 A Companion to American Fiction 1865 1914 is a groundbreaking collection of essays written by leading critics for a wide audience of scholars students and interested general readers An exceptionally broad ranging and accessible Companion to the study of American fiction of the post civil war period and the early twentieth century Brings together 29 essays by top scholars each of which presents a synthesis of the best research and offers an original perspective Divided into sections on historical traditions and genres contexts and themes and major authors Covers a mixture of canonical and the non canonical themes authors literatures and critical approaches Explores innovative topics

such as ecological literature and ecocriticism children's literature and the influence of Darwin on fiction

Anti-Catholicism and Nineteenth-Century Fiction Susan M. Griffin, 2004-07-29 Griffin analyses anti Catholic fiction written between the 1830s and the turn of the century in both Britain and America The Descent of Love Bert Bender, 2015-11-16 Upon its publication in 1871 Charles Darwin's *The Descent of Man and Selection in Relation to Sex* sent shock waves through the scientific community and the public at large In an original and persuasive study Bert Bender demonstrates that it is this treatise on sexual selection rather than any of Darwin's earlier works on evolution that provoked the most immediate and vigorous response from American fiction writers These authors embraced and incorporated Darwin's theories insights and language creating an increasingly dark and violent view of sexual love in American realist literature In *The Descent of Love* Bender carefully rereads the works of William Dean Howells Henry James Elizabeth Stuart Phelps Sarah Orne Jewett Kate Chopin Harold Frederic Charles W Chesnutt Edith Wharton and Ernest Hemingway teasing from them a startling but utterly convincing preoccupation with questions of sexual selection Competing for readership as novelists who best grasped the real nature of human love these writers also participated in a heated social debate over racial and sexual differences and the nature of sex itself Influenced more by *The Descent of Man* than by *The Origin of Species* Bender's novelists built upon Darwin's anthropological and zoological materials to anatomize their characters' courtship behavior returning consistently to concerns with physical beauty natural dominance and the power to select a mate Bringing the resources of the history of science and intellectual history to this the first full length study of the impact of Darwin's theories in American literature Bender revises accepted views of social Darwinism American literary realism and modernism in American literature forever changing our perceptions of courtship and sexual interaction in American fiction from 1871 to 1926 and beyond Reader's Guide to Literature in English Mark Hawkins-Dady, 2012-12-06 Reader's Guide Literature in English provides expert guidance to and critical analysis of the vast number of books available within the subject of English literature from Anglo Saxon times to the current American British and Commonwealth scene It is designed to help students teachers and librarians choose the most appropriate books for research and study *Encyclopedia of the American Short Story* Abby H. P. Werlock, 2015-04-22 Two volume set that presents an introduction to American short fiction from the 19th century to the present **The Cambridge Companion to American Realism and Naturalism** Donald Pizer, 1995-06-30 This Companion examines a number of issues related to the terms realism and naturalism The introduction seeks both to discuss the problems in the use of these two terms in relation to late nineteenth century fiction and to describe the history of previous efforts to make the terms expressive of American writing of this period The Companion includes ten essays which fall into four categories essays on the historical context of realism and naturalism by Louis Budd and Richard Lehan essays on critical approaches to the movements since the early 1970s by Michael Anesko essays on the efforts to expand the canon of realism and naturalism by Elizabeth Ammons and a full scale discussion of ten major texts from W D Howell's *The Rise of*

Silas Lapham to Jack London's *The Call of the Wild* by John W. Crowley Tom Quirk J. C. Levenson Blanche Gelfant Barbara Hochman and Jacqueline Tavernier Courbin

Language and Gender in American Fiction Elsa Nettels, 1997 Between January 1880 and December 1889 Harper's Monthly Magazine published 263 works of fiction half of these were written by women Judging by the popularity of contemporary mass circulation magazines women writers of the late nineteenth century enjoyed equal opportunity in the world of commercial publishing Yet although they wrote best sellers and won prizes the institutions that keep writers and their reputations alive chose not to sustain these writers and few are familiar today Sarah Orne Jewett Mary Wilkins Freeman Willa Cather Edith Wharton Elsa Nettels suggests that this lack of parity is not surprising in a culture that for centuries has used masculine to describe all things strong and dominant while feminine has signified weakness and inferiority In Victorian America the relation of literary style to gender became of increasing interest as women writers became ever more prominent In the influential magazines of the late nineteenth century Harper's Century Scribner's Atlantic Monthly Cosmopolitan and Ladies Home Journal writers directly or implicitly reflected society's views of the sexes and the proper roles of men and women In this intelligent and accessible book the author examines how William Dean Howells Henry James Edith Wharton and Willa Cather helped both to perpetuate and to subvert Victorian America's ideology of language and gender All had fruitful careers as novelists editors and critics and she demonstrates that each was in a unique position to affect popular language and gender stereotypes To gauge their responses to the pervasive assumptions held by the magazines that published them Nettels traces how these writers defined masculine and feminine in their works how they characterized women's speech and language how they distinguished male and female discourse and where they invested authority in matters of usage Taking into account others engaged in the Victorian construction of gender such as grammarians linguists sociologists and writers on etiquette Nettels offers a compelling look at the cultural perpetuation of ideologies as well as fascinating scholarship on four authors who manipulated social mores to establish their place in American literature

Companion to Literature Abby H. P. Werlock, 2009 Praise for the previous edition Booklist RBB Twenty Best Bets for Student Researchers RUSA ALA Outstanding Reference Source useful Recommended for public libraries and undergraduates

Selected Short Stories of William Dean Howells William Dean Howells, 1997 Full texts of thirteen of Howells's short stories each preceded by a thorough critical analysis

Horrible Prettiness Robert Allen, 2000-11-09 Robert Allen's compelling book examines burlesque not only as popular entertainment but also as a complex and transforming cultural phenomenon When Lydia Thompson and her controversial female troupe of British Blondes brought modern burlesque to the United States in 1868 the result was electric Their impertinent humor streetwise manner and provocative parodies of masculinity brought them enormous popular success and the condemnation of critics cultural commentators and even women's rights campaigners Burlesque was a cultural threat Allen argues because it inverted the normal world of middle class social relations and transgressed norms of proper feminine behavior and

appearance Initially playing to respectable middle class audiences burlesque was quickly relegated to the shadow world of working class male leisure In this process the burlesque performer lost her voice as burlesque increasingly revolved around the display of her body Locating burlesque within the context of both the social transformation of American theater and its patterns of gender representation Allen concludes that burlesque represents a fascinating example of the potential transgressiveness of popular entertainment forms as well as the strategies by which they have been contained and their threats defused

Seductress Betsy Prioleau, 2004-10-26 In this road map to restoring feminine sexual power Betsy Prioleau introduces and analyzes the stories and stratagems of history's greatest seductresses These are the women who ravished the world from such classic figures as Cleopatra and Mae West to such lesser known women as the infamous Violet Gordon Woodhouse who lived in a ménage with four men Smarts imagination courage and killer charm helped these love maestras claim the men of their choice and keep them fascinated for life Through an expos of their secrets *Seductress* provides an authoritative empowering guide to erotic sovereignty

A World of Words Michael J. S. Williams, 1988-03-11 *A World of Words* offers a new look at the degree to which language itself is a topic of Poe's texts Stressing the ways his fiction reflects on the nature of its own signifying practices Williams sheds new light on such issues as Poe's characterization of the relationship between author and reader as a struggle for authority on his awareness of the displacement of an authorial writing self by a self as it is written and on his debunking of the redemptive properties of the romantic symbol

Wounded Hearts Jennifer Travis, 2006-05-18 The literary study of emotion is part of an important revisionary movement among scholars eager to recast emotional politics for the twenty first century Looking beyond the traditional categories of sentiment sensibility and sympathy Jennifer Travis suggests a new approach to reading emotionalism among men She argues that the vocabulary of injury with its evaluations of victimhood and its assessments of harm has deeply influenced the cultural history of emotions From the Civil War to the early twentieth century Travis traces the history of male emotionalism in American discourse She argues that injury became a comfortable vocabulary particularly among white middle class men through which to articulate and to claim a range of emotional wounds The debates about injury that flourished in the cultural arenas of medicine psychology and the law spilled over into the realm of fiction as Travis demonstrates through readings of works by Stephen Crane William Dean Howells Willa Cather Henry James and Edith Wharton Travis concludes by linking this history to twenty first century preoccupations with pain centered politics which she cautions too often focuses only on women and racial minorities

This book delves into The Circle Of Eros Sexuality In The Work Of William Dean Howells. The Circle Of Eros Sexuality In The Work Of William Dean Howells is a crucial topic that must be grasped by everyone, ranging from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into The Circle Of Eros Sexuality In The Work Of William Dean Howells, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:
 - Chapter 1: Introduction to The Circle Of Eros Sexuality In The Work Of William Dean Howells
 - Chapter 2: Essential Elements of The Circle Of Eros Sexuality In The Work Of William Dean Howells
 - Chapter 3: The Circle Of Eros Sexuality In The Work Of William Dean Howells in Everyday Life
 - Chapter 4: The Circle Of Eros Sexuality In The Work Of William Dean Howells in Specific Contexts
 - Chapter 5: Conclusion
 2. In chapter 1, this book will provide an overview of The Circle Of Eros Sexuality In The Work Of William Dean Howells. The first chapter will explore what The Circle Of Eros Sexuality In The Work Of William Dean Howells is, why The Circle Of Eros Sexuality In The Work Of William Dean Howells is vital, and how to effectively learn about The Circle Of Eros Sexuality In The Work Of William Dean Howells.
 3. In chapter 2, this book will delve into the foundational concepts of The Circle Of Eros Sexuality In The Work Of William Dean Howells. The second chapter will elucidate the essential principles that must be understood to grasp The Circle Of Eros Sexuality In The Work Of William Dean Howells in its entirety.
 4. In chapter 3, this book will examine the practical applications of The Circle Of Eros Sexuality In The Work Of William Dean Howells in daily life. This chapter will showcase real-world examples of how The Circle Of Eros Sexuality In The Work Of William Dean Howells can be effectively utilized in everyday scenarios.
 5. In chapter 4, the author will scrutinize the relevance of The Circle Of Eros Sexuality In The Work Of William Dean Howells in specific contexts. This chapter will explore how The Circle Of Eros Sexuality In The Work Of William Dean Howells is applied in specialized fields, such as education, business, and technology.
 6. In chapter 5, this book will draw a conclusion about The Circle Of Eros Sexuality In The Work Of William Dean Howells. This chapter will summarize the key points that have been discussed throughout the book.
- This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of The Circle Of Eros Sexuality In The Work Of William Dean Howells.
