Conversations on the Bench: Life Lessons from the Wisest Man I Ever Knew Digger Cartwright, 2013-03 I only met Sebastian Per y in person on one occasion but that was enough for him to make a lasting and indelible impression I ll never forget that day Even though it happened many many years ago it still lingers as fresh in my mind as if it were only yesterday It was a hot humid September morning in South Carolina in 2007 I had been invited to the Dunes Golf I gave it to them obligingly They asked some clever and intelligent questions and I looked up their website to find out more about their think tank I remember being impressed by the depth and scope of their work but I couldn t really find out much about them as individuals Off and on for the next year they kept in touch with me e mailing me questions or asking for my opinion about certain economic or business matters or geopolitical events I guess they liked what I had to say or respected my opinion as controversial as it was at times It was the spring of 2007 when Robbie and Sebastian first made mention of the Thinking Outside the Boxe Annual Symposium They presented it to me as a chance to meet with other intelligent folks to discuss the issues of the day and try to come up with feasible solutions They wanted it to be a real think tank with multiple perspectives and input from people of all walks of life I was intrigued and seeing as though I d recently written a book set in Myrtle Beach albeit in the 1940s Murder at the Ocean Forest I figured I might as well see what their gathering was all about I hadn t been to the Dunes Golf it hosted the Senior PGA Tour back in the 1990s I expected it to be like any other country club stuffy and full of ostentatious people who hadn t really done much in life other than ride their wealthy and powerful parents coattails and live off of old money generational wealth Thus I was almost convinced Robbie and Sebastian would be of that ilk but I was pleasantly surprised it was not at all the case for the club or the people The lavish clubhouse the hospitable staff and the 100 million view were astounding a panorama of the blue Atlantic beyond the sand dunes that separated the Dunes Club from any other private club The driver pulled the tinted window Town Car under the porte cochere and opened the door for me I could smell the salty sea air which was quite invigorating I could faintly hear the waves crashing ashore on the other side of the sand dunes but other than that there was a peacefulness and serenity that enveloped the place As I gazed over the vast green lawn leading toward the sand dunes my mind wandered from my purpose for visiting I was quickly jolted back to reality by the sound of a young woman s greeting Mr Cartwright she said with some authority holding the double doors open I snapped my head in her direction and nodded That s right I said She smiled and motioned me inside Mr Clinger is expecting you she said I suppose he is I assured her perhaps a little too bluntly and coldly She was very beguiling but I wasn t one to be fooled by her The Hahnemannian Monthly ,1928 **The Re-ly-on Bottler** ,1922 The Alumni Quarterly of the University of Illinois ,1913 **Ski-u-mah** ,1923 **The Jones & Baker Curb News ...** Jones & Baker, Firm, Brokers, 1920
