**Robert Richards**

## **The Civil War An Unvarnished Account Of The Late But Still Lively Hostilities:**

**The Civil War** James H. Street, 2014-05-22 The title says it all An irreverent journalistic survey that may never have been placed on a must read list by history professors or research specialists but nevertheless is a succinct and down home account by an author who speaks with the bite and honesty of someone you might meet sitting around the potbelly stove in an old general store Street especially loved to tell about the unusual and surprising and doesn't disappoint Do you have the needed skills to qualify as a Two beer Civil War Debater Street will tell you what you need to know Short and snappy and loaded with sagacious wit It could be the cleverest most entertaining piece of history you've ever read *"The" Civil War* James Howell Street, 1953

**The Civil War** James Howell Street, 1953 **The Civil War** James Street, 2016-10-13 Excerpt from *The Civil War An Unvarnished Account of the Late but Still Lively Hostilities* Almost a hundred years after the first shot was fired we Americans cannot even agree on a name for our Civil War Between the States much less on what caused it or exactly what happened It was a lapse into national schizophrenia a monstrous meta morphosis during which Dr U S Jekyll a pretty good sort changed himself into two Mr Hydes who promptly tried to beat each other to death and who really never have forgiven each other although they have shaken hands and smiled for history's photographers About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**The Era of the Civil War--1820-1876** Louise A. Arnold-Friend, US Army Military History Institute, 1982 **Less Is More** Donna J. Baumbach, Linda L. Miller, 2006-06-05 Contains practical advice for updating a school library collection describing why it is important and how to use automation tools to make the job easier **Special Bibliography**, 1982

*The Publishers Weekly*, 1953 *Fascinating Facts from American History* Bill Lawrence, 1995 Provides telling insights into American history through scores of personality profiles anecdotes advertisements and more Includes sources and references for use in independent study **Concise Dictionary of American Literature** Robert Richards, 1955-01-01 This dictionary was designed not simply for the scholar but for the general reader who needs more enlightenment about a specific American author or movement than a mere catalogue of facts can give him The scholar has read whole books about Walt Whitman and uses the dictionary merely to refresh his memory concerning a title or a date The general reader wants a concise account of how Whitman lived what he was like as a person what prompted him to write poetry why this poetry is now considered to be important and a history of Whitman appraisals On the other hand the average reader would prefer not be confused by meaningless facts obscure data or scholastic debate The scholar or the student the editor or the teacher will

find in this dictionary almost any fact concerning American literature that he will ever need The general reader will find in addition to facts valuable apprehensions concerning our American literary heritage

**Lives of Mississippi Authors, 1817-1967** James B. Lloyd, 1981     *The Civil War Army Library* (U.S.), 1961     **Highway 80: A Drive-through Alabama's Civil Rights Corridor - 6th Edition** Robert O. White II, 2022-09-26     *Emancipating Slaves, Enslaving Free Men* Jeffrey Hummel, 2013-11-18 This book combines a sweeping narrative of the Civil War with a bold new look at the war's significance for American society Professor Hummel sees the Civil War as America's turning point simultaneously the culmination and repudiation of the American revolution While the chapters tell the story of the Civil War and discuss the issues raised in readable prose each chapter is followed by a detailed bibliographical essay looking at all the different major works on the subject with their varying ideological viewpoints and conclusions In his economic analysis of slavery Professor Hummel takes a different view than the two major poles which have determined past discussions of the topic While some writers claim that slavery was unprofitable and harmful to the Southern economy and others maintain it was profitable and efficient for the South Hummel uses the economic concept of Deadweight Loss to show that slavery was both highly profitable for slave owners and harmful to Southern economic development While highly critical of Confederate policy Hummel argues that the war was fought to prevent secession not to end slavery and that preservation of the Union was not necessary to end slavery the North could have let the South secede peacefully and slavery would still have been quickly terminated Part of Hummel's argument is that the South crucially relied on the Northern states to return runaway slaves to their owners This new edition has a substantial new introduction by the author correcting and supplementing the account given in the first edition the major revision is an increase in the estimate of total casualties and a foreword by John Majewski a rising star of Civil War studies

*The Civil War in the North* Eugene Converse Murdock, 1987     Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1954 Includes Part 1 Number 2 Books and Pamphlets Including Serials and Contributions to Periodicals     **Yearbook - National Council for the Social Studies** National Council for the Social Studies, 1961     **Yearbook** National Council for the Social Studies, 1981     The Civil War Army Library (U.S.), 1965

Sedition in the Old Dominion James Morton Smith, 1954
