The Civil War Experience

Roger R. Reese

The Civil War Experience:

Books and Libraries in Camp and Battle David Kaser,1984-11-15 An excellent history of library services to the US Army and of literacy in the United States Written from a library science perspective [The Civil War Experience](#) Allison Lassieur,Matt Doeden,2012-08-09 Describes the events surrounding the Civil War The reader s choices provide different historical perspectives Provided by publisher **The Civil War Experience, 1861-1865** Jay Wertz,2013 **Civil War Experience** Jay Wertz,2006 Accompanied by an audio CD this book includes newly researched and previously unpublished facsimile memorabilia from the USA s finest public archives and private collections Box out features on the commanders the medal winning heroes the units and the weapons are included **Inside the Army of the Potomac** Francis Adams Donaldson,1998 Donaldson s fiercely candid observations reveal much about the political life of the Army of the Potomac and his letters contribute unforgettable descriptions of actions at Antietam Fredericksburg Chancellorsville and Gettysburg Fiercely idealistic in the early days of the war his letters and diary soon betray a growing disenchantment that leads to a startling climax 28 photos 6 maps **The Civil Wars Experienced** Martyn Bennett,2005-08-18 The Civil Wars Experienced is an exciting new history of the civil wars which recounts their effects on the common people This engaging survey throws new light onto a century of violence and political and social upheaval By looking at personal sources such as diaries petitions letters and social sources including the press The Civil War Experienced clearly sets out the true social and cultural effects of the wars on the peoples of England Scotland Wales and Ireland and how common experiences transcended national and regional boundaries It ranges widely from the Orkneys to Galway and from Radnorshire to Norfolk The Civil Wars Experienced explores exactly how far reaching the changes caused by civil wars actually were for both women and men and carefully assesses individual reactions towards them For most people fear familial concerns and material priorities dictated their lives but for others the civil revolutions provided a positive force for their own spiritual and religious development By placing the military and political developments of the civil wars in a social context this book portrays a very different interpretation of a century of regicide and republic **The Mexican-American War Experiences of Twelve Civil War Generals** Timothy D. Johnson,2024-10-23 Long overshadowed by the American Civil War the Mexican American War 1846 1848 has received significantly less attention from historians partly because of its questionable origin and controversial outcome Rather than treat the conflict with a form of historical amnesia the contributors to this volume argue that the Mexican American War was a formative experience for the more than three hundred future Civil War generals who served in it as lower grade officers The Mexican War was the first combat experience for many of them a laboratory that equipped a generation of young officers with practical lessons in strategy tactics logistics and interpersonal relationships that they would use later to command forces during the Civil War **Civil War Leadership and Mexican War Experience** Kevin Dougherty,2007-01-01 Many commanders in the American Civil War 1861 1865 served in the Mexican War 1846 1848 This

book explores influence of the earlier war on those men who would become leaders of Federal and Confederate forces Kevin Dougherty discusses professional soldiering before both wars He shows experiences of twenty six men in Mexico thirteen who would serve the Confederacy and thirteen who would remain with the Union He traces how tactics they used and reactions they had to Civil War combat reveal a remarkable connection to what they learned campaigning against Santa Anna and Mexican generals Personalities discussed range from well known leaders to lesser known figures from geniuses to mediocrities and from aged heroes to developing practitioners Impact of these experiences on major tactical decisions in the Civil War is far reaching Publisher s description **Freedom's Soldiers** Ira Berlin, Joseph Patrick Reidy, Leslie S.

Rowland, 1998-03-13 Freedom s Soldiers tells the story of the 200 000 black men who fought in the Civil War in their own words and those of eyewitnesses **A Boy's Experience In The Civil War, 1860-1865** Thomas Hughes, 2023-09-25

Reproduction of the original The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision **The Black Experience in the Civil War South** Stephen V.

Ash, 2010-03-02 The first book of its kind to appear in a generation this comprehensive study details the experiences of the black men women and children who lived in the South during the traumatic time of secession and civil war The Black Experience in the Civil War South is the first comprehensive study of the Southern black wartime experience to appear in a generation Incorporating the most recent scholarship this thematically organized book does justice to the richness of its subject looking at the lives of blacks in the Confederate states and the nonseceding Southern states at blacks on farms and plantations and in towns and cities at blacks employed in industry and the military and at black men women and children Drawing on memoirs autobiographies and other original source materials the author details the experiences of blacks who took up residence in Union contraband camps and on free labor plantations and those who enlisted in the Union army He introduces individuals who escaped from slavery as well as the small minority of Southern blacks who were free when the war began Most significantly this revealing study deals not only with those who gained freedom during the war but those whose freedom came only after the conflict s end *Civil War Experiences* Henry Coddington Meyer, 1911 *The Black Experience in the Civil War South* Stephen V. Ash, 2010-03-02 The first book of its kind to appear in a generation this

comprehensive study details the experiences of the black men women and children who lived in the South during the traumatic time of secession and civil war The Black Experience in the Civil War South is the first comprehensive study of the Southern black wartime experience to appear in a generation Incorporating the most recent scholarship this thematically organized book does justice to the richness of its subject looking at the lives of blacks in the Confederate states and the nonseceding Southern states at blacks on farms and plantations and in towns and cities at blacks employed in industry and the military and at black men women and children Drawing on memoirs autobiographies and other original source materials the author details the experiences of blacks who took up residence in Union contraband camps and on free labor plantations

and those who enlisted in the Union army He introduces individuals who escaped from slavery as well as the small minority of Southern blacks who were free when the war began Most significantly this revealing study deals not only with those who gained freedom during the war but those whose freedom came only after the conflict s end **The Civil War in North**

Carolina: The Piedmont Christopher M. Watford,2003 I think that we can hold our position here against any force that the enemy can bring against us as we have an admirable position are all ready I can give you no idea when the general attack will take place It may be this evening tomorrow or at any moment as both parties are apparently ready we have nothing to do but pitch in Captain Charles C Blacknall Granville Rifles Company G 23rd North Carolina Troops Yorktown Virginia April 22 1862 This work is a compilation of letters and diary entries and a few other documents such as a petition a transfer request an invitation that tell the experiences of soldiers and citizens from 29 North Carolina counties during the Civil War The counties are Alamance Alexander Anson Cabarrus Caswell Catawba Chatham Cleveland Davidson Davie Forsyth Gaston Granville Guilford Iredell Lincoln Mecklenburg Montgomery Moore Orange Person Randolph Richmond Rockingham Rowan Stanly Stokes Union and Yadkin The book is arranged chronologically 1861 through 1865 and a chart at the beginning of each chapter tells the date subject document type letter diary entry or other author recipient and the home county and unit of soldiers

Jews and the Civil War Jonathan D Sarna,Adam D Mendelsohn,2010-05-28 An invaluable collection of essays revealing the experience of Jewish soldiersand civilians during the Civil War Essential and illuminating Harold Holzer Moment Magazine At least 8 000 Jewish soldiers fought for the Union and Confederacy during the Civil War A few served together in Jewish companies while most fought alongside Christian comrades Yet even as they stood shoulder to shoulder on the battlefield they encountered unique challenges In Jews and the Civil War Jonathan D Sarna and Adam Mendelsohn assemble for the first time the foremost scholarship on the subject little known even to specialists in the field These accessible and far ranging essays from top scholars are grouped into seven thematic sections Jews and Slavery Jews and Abolition Rabbis and the March to War Jewish Soldiers during the Civil War The Home Front Jews as a Class and Aftermath each with an introduction by the editors Together they reappraise the war s impact on Jews in the North and the South offering a rich and fascinating portrait of the experience of Jewish soldiers and civilians from the home front to the front lines

Violence and Propaganda in European Civil Wars Yiannis Kokosalakis,Francisco J. Leira-Castiñeira,2025-03-31 This volume offers a broad overview of the conditions motives and practices of violence during the most prominent intra state conflicts in Europe during the first half of the 20th century This book seeks to move beyond accounts of civil war violence that focus on microlevel motives or grand cleavages arguing instead that violence is best examined as a multidimensional phenomenon involving a range of structural personal and conjectural factors operating at various levels of societal interaction Making a case for methodological pluralism the volume brings together an interdisciplinary team of historians and social scientists to address the aspects of civil war violence from a broad range of empirical and methodological

perspectives The book consists of three thematic sections The first section covers contextual issues related to civil war violence including the role of ideology and social dynamics The second and third sections comprise empirical case studies that examine the dimensions of violence in six prominent European civil wars The volume focuses on these particular conflicts because they are almost universally recognized as instances of civil war and this enables the volume to maintain its analytical focus on the dynamics of violence This book will be of much interest to students of European history civil wars political violence and International Relations in general Chapter 8 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

The Civil Wars After 1660 Matthew Neufeld, 2013 Drawing upon the interdisciplinary field of social memory studies this book opens up new vistas on the historical and political culture of early modern England This book examines the conflicting ways in which the civil wars and Interregnum were remembered constructed and represented in seventeenth and eighteenth century England It argues that during the late Stuart period public remembering of the English civil wars and Interregnum was not concerned with re-fighting the old struggle but rather with commending and justifying or contesting and attacking the Restoration settlements After the return of King Charles II the political nation had to address the question of remembering and forgetting the recent conflict The answer was to construct a polity grounded on remembering and scapegoating puritan politics and piety The proscription of the puritan impulse enacted by the Restoration settlements was supported by a public memory of the 1640s and 1650s which was used to show that Dissenters could not and should not be trusted with power Drawing upon the interdisciplinary field of social memory studies this book offers a new perspective on the historical and political cultures of early modern England and will be of significant interest to social cultural and political historians as well as scholars working in memory studies Matthew Neufeld is Lecturer in early modern British history at the University of Saskatchewan Canada

Southern Black Women and their Struggle for Freedom during the Civil War and Reconstruction Karen Cook Bell, 2023-12-21 An insightful exploration of the complexity of Black women's wartime and postwar experiences across the American South

James Longstreet and the American Civil War Harold M. Knudsen, 2022-06-30 The American Civil War is often called the first modern war Sandwiched between the Napoleonic Wars and World War I it spawned a host of firsts and is considered a precursor to the larger and more deadly 20th century wars Confederate Gen James Longstreet made overlooked but profound modern contributions to the art of war Retired Lt Col Harold M Knudsen explains what Longstreet did and how he did it in *James Longstreet and the American Civil War* The Confederate General Who Fought the Next War Initially commanders on both sides extensively utilized Napoleonic tactics that were obsolete because of the advent of the rifled musket and better artillery Some professional army officers worked to improve tactics operations and strategies On the Confederate side a careful comparison of Longstreet's body of work in the field to modern military doctrine reveals several large scale innovations Longstreet understood early that the

tactical defense was generally dominant over the offense which was something few grasped in 1862 Longstreet's thinking demonstrated a clear evolution that began on the field at First Manassas in July 1861 developed through the bloody fighting of 1862 and culminated in the brilliant defensive victory at Fredericksburg that December The lethality with which his riflemen and artillery mowed down repeated Union assaults hinted at what was to come in World War I Longstreet's ability to launch and control powerful offensives was on display at Second Manassas in August 1862 His assault plan at Chickamauga in Georgia the following September was similar if not the forerunner to World War II tactical level German armored tactics Other areas show progressive applications with artillery staff work force projection and operational level thinking Longstreet was not the sole agent of modern change away from the Napoleonic method but his contributions were significant and executed on a large scale They demonstrated that he was a modern thinker unparalleled in the Confederate Army Unfortunately many Civil War students have a one-sided view of Longstreet whose legacy fell victim to bitter postwar Southern politics when Old Pete supported Reconstruction bills accepted postings with the Grant Administration and criticized Robert E Lee Many modern writers continue to skew the general's legacy This book draws heavily upon 20th century U S Army doctrine field training staff planning command and combat experience and is the first serious treatment of Longstreet's generalship vis a vis modern warfare Not everyone will agree with Knudsen's conclusions but it will now be impossible to write about the general without referencing this important study

The Soviet Military Experience Roger R. Reese, 2002-01-04 The Soviet Military Experience is the first general work to place the Soviet army into its true social political and international contexts It focuses on the Bolshevik Party's intention to create an army of a new type whose aim was both to defend the people and propagate Marxist ideals to the rest of the world It includes discussion of the origins of the Workers and Peasant's Red Army effects of the Civil War Bolshevik regime's use of the military as a school of socialism effects of collectivization and rapid industrialisation of the 1920s and 1930s Second World War and its profound repercussions ethnic tensions within the army effect of Gorbachev's policies of Glasnost and Perestroika

Whispering the Strategies of Language: An Psychological Journey through **The Civil War Experience**

In a digitally-driven world where screens reign great and immediate connection drowns out the subtleties of language, the profound techniques and mental nuances concealed within phrases often move unheard. Yet, nestled within the pages of **The Civil War Experience** a fascinating fictional treasure pulsing with organic emotions, lies an exceptional quest waiting to be undertaken. Composed by a talented wordsmith, that enchanting opus attracts visitors on an introspective trip, delicately unraveling the veiled truths and profound impact resonating within the cloth of each and every word. Within the emotional depths of this emotional evaluation, we can embark upon a genuine exploration of the book is key subjects, dissect its charming publishing type, and fail to the effective resonance it evokes strong within the recesses of readers hearts.
