

The Civil War In Fayette County West Virginia

Tim McKinney

The Civil War In Fayette County West Virginia:

The Civil War in Fayette County, West Virginia Tim McKinney, 1988 Civil War in Fayette County West Virginia Tim McKinney, 2014 The definitive book on the Civil War theatre in Fayette County Lifelong resident of Fayette County Tim McKinney is well known all over the region for his meticulous research and well written books on the Civil War Generous amounts of photographs maps sketches and letters along with the nature of the fighting over extremely rough terrain make this history enjoyable for war buffs as well as the casual reader From the Richmond Dispatch 1861 In Mountain Warfare the learning of strategist is of little importance In a country where it is impossible to find enough level land to muster a company of militia there is little scope for ingeniously studied military plans It is impossible for the books to embrace the thousand topographical features of a wild region where all nature seems drunk and the hills and mountains in high frolic The only rule of warfare in such a region is to throw away all rule The policy there is to fight and march to march and fight Ingenious ink and paper plans of campaign are about as useless in the region about the Big Sewell Mountain as a McCormick's reaper in a mountain wheat field The great requisites of an army fit for mountain warfare are good legs and plenty of ammunition The best general for such an army is he who will keep them most actively on the march and most constantly loading and firing Physical exertion is the great thing in mountain warfare the refined strategy of science can have no play Favette County, West Virginia J. T. Peters, H. B. Carden, 1926 On This Day in West Virginia Civil War History Michael B. Graham, 2015 West Virginia is the only state formed by seceding from a Confederate state And its connections to the Civil War run deep One day at a time award winning historian Michael Graham presents intriguing event driven anecdotes and history related to the state On July 11 1861 a Union force attacked 1 300 Confederate troops camped at Rich Mountain in a renowned battle Confederate guerrillas raided Hacker's Creek on June 12 1864 Find little known facts about the Battles of Droop Mountain Carnifex Ferry Harpers Ferry Shepherdstown and a whole host of others Read a story one day or month at a West Virginia and the Civil War Mark A time Celebrate an entire year of Civil War history in the Mountain State Snell,2010-06-07 A comprehensive account of the state s creation its citizens and their contributions to the war effort whether supporters of the Union or Confederacy The only state born as a result of the Civil War West Virginia was the most divided state in the nation About forty thousand of its residents served in the combatant forces about twenty thousand on each side The Mountain State also saw its fair share of battles skirmishes raids and querrilla warfare with places like Harpers Ferry Philippi and Rich Mountain becoming household names in 1861 When the Commonwealth of Virginia seceded from the Union on April 17 1861 leaders primarily from the northwestern region of the state began the political process that eventually led to the creation of West Virginia on June 20 1863 Renowned Civil War historian Mark A Snell has written the first thorough history of these West Virginians and their civil war in more than fifty years West Virginia Civil War Almanac Tim McKinney, 2022-12-24 A dream come true for researcher and genealogist alike Tim McKinney has enriched

West Virginia Civil War history with his books on the The Civil War In Fayette County Robert E Lee at Sewell Mountain The West Virginia Campaign and Robert E Lee and the 35th Star all within the brief span of tem years Now his Civil War Almanac an outgrowth of his researches into the nation s most tragic war will place historians genealogists Civil War enthusiasts and other informed readers still more deeply in debt to him In this the first of two volumes McKinney sets high expectations for the usefulness his work and raises keen anticipation for the second volume Major sources for identifying Civil War veterans from West Virginia include the 1890 Civil War Veteran Census which includes nearly 14 000 veterans who had worn either the Blue or the Gray and were still living in West Virginia in 1890 along with their names regiments and periods of service For many of the veterans there are also special remarks The 1890 Confederate Index provides names and counties of residence of 1 097 Confederate veterans turned up by extensive research by the author listings of both Union and Confederate veterans by county of residence Civil War service medals Of Union veterans identified in the 1890 Census many of which remain unclaimed at the West Virginia Division of Archives and History a compilation of West Virginia Confederate soldiers and citizens who died in Federal prisons or military hospitals an index to records of the Southern Claims Commission which identifies more than 200 West Virginians who sought compensation from the United States for confiscated or stolen property and transcribes as examples case files from Greenbrier and Jefferson Counties and identification with name county and regiment of ore than 160 physicians of the Blue and Gray who were from West Virginia McKinney's compilations are of interest in their aggregate but they provide detail that makes the soldier a person rather than a mere number by Otis K Rice Professor Emeritus of History West Virginia University Institute of Technology The Coal River Valley in the Civil War Michael B Graham, 2020-08-17 A compelling account of the little known bloody skirmishes that took place in this picturesque part of West Virginia Civil War Monitor The three rivers that make up the Coal River Valley Big Little and Coal were named by explorer John Peter Salling or Salley for the coal deposits found along their banks More than one hundred years later the picturesque valley that would separate from Virginia a short time later was witness to a multitude of bloody skirmishes between Confederate and Union forces in the Civil War Often overlooked battles at Boone Court House Coal River Pond Fork and Kanawha Gap introduced the beginning of total war tactics years before General Sherman used them in his March to the Sea Join historian Michael Graham as he expertly details the compelling human drama of the bitterly contested Coal River Valley region during the War Between the States Includes illustrations The Civil War in West Virginia Stan Cohen, 1982

The Seventh West Virginia Infantry David W. Mellott, Mark A. Snell, 2019-03-15 Though calling itself The Bloody Seventh after only a few minor skirmishes the Seventh West Virginia Infantry earned its nickname many times over during the course of the Civil War Fighting in more battles and suffering more losses than any other West Virginia regiment the unit was the most embattled Union regiment in the most divided state in the war Its story as it unfolds in this book is a key chapter in the history of West Virginia the only state created as a direct result of the Civil War It is also the story of the

citizen soldiers most of them from Appalachia caught up in the bloodiest conflict in American history The Seventh West Virginia fought in the major campaigns in the eastern theater from Winchester Antietam and Fredericksburg to Chancellorsville Gettysburg and Petersburg Weaving military social and political history The Seventh West Virginia Infantry details strategy tactics battles campaigns leaders and the travails of the rank and file It also examines the circumstances surrounding events mundane and momentous alike such as the soldiers views on the Emancipation Proclamation West Virginia Statehood and Lincoln s re election The product of decades of research the book uses statistical analysis to profile the Seventh's soldiers from a socio economic military medical and personal point of view even as its authors consult dozens of primary sources including soldiers living descendants to put a human face on these sons of the mountains The result is a multilayered view unique in its scope and depth of a singular Union regiment on and off the Civil War battlefield its beginnings its role in the war and its place in history and memory

The Civil War in West Virginia Stan Cohen, 1976

West Virginia ,1922 Roane County, West Virginia Families William H. Bishop, 2009-06 Bishop's History of Roane County is the standard work on its subject but its chief appeal to the genealogist can be found in the hundreds of genealogical and historical essays of pioneer families of Roane County that comprise the second half of the work Those essays which in most cases are based upon interviews conducted by the author with a surviving family member generally go back to the early nineteenth century and pertain to migrants from Virginia and the middle states possessing British Irish or Images of the Civil War in West Virginia Terry Lowry, Stan Cohen, 2000 This amazing book has Scotch Irish stock over 475 photographs images and drawings all made during the Civil War or very soon thereafter and all related to West Virginia This is the largest collection of images ever put together on West Virginia during the war In addition to photos it includes broadsides veteran reunions and miscellaneous paper items Many of these pictures are from private collections and have never before been published Also includes a short chronology of battles and events giving a reference for the images The book is printed on high quality glossy paper A must for all Civil War buffs Review by Marina Hendricks of the Charleston Gazette TERRY Lowry was but a junior high school student when West Virginia and the Civil War marked their respective centennials back in the 1960s Around the same time the magazine Civil War Times Illustrated debuted I saw a copy of that floating around the school and I was intrigued Lowry recalled The more he learned about the colorful uniforms larger than life personalities and the Mountain State's role in the Civil War the more he wanted to know Almost every American has an ancestor who fought in the Civil War So there s that personal connection And then the fact that the Civil War took place all over in some places we haven t even thought of he said To feed that thirst for knowledge Lowry earned a bachelor s degree in history from West Virginia State College pursued graduate studies in Civil War history at Marshall University toured battlefields and built a collection of Civil War memorabilia He also authored several books including the 1996 release Last Sleep The Battle of Droop Mountain November 6 1863 Lowry teamed with Charleston native Stan Cohen on his most recent

project the newly released Images of the Civil War in West Virginia The book will make its debut as part of the second annual Col George S Patton Memorial Civil War Weekend held Friday and Saturday at Craik Patton House in Daniel Boone Park on U S 60 Cohen who operates Pictorial Histories Publishing Co has authored or co authored 68 books and published more than 250 Together Lowry and Cohen set out to showcase photographs sketches illustrations and paintings that depicted the role West Virginia and its citizens played in the war That was the idea to track down everything we could Lowry said The co authors faced a number of challenges in the five years that Lowry estimated it took to put together the book which sells for 19 95 at all West Virginia bookstores During the Civil War for example the state's rugged mountainous terrain made it hard for photographers to lug around the heavy equipment they then needed to practice their craft So other than portraits Lowry and Cohen were able to find few photographic records of that time period in West Virginia And time itself hindered the duo s efforts as more than a few of their discoveries were in poor physical condition Despite the difficulties Lowry and Cohen unearthed some real gems including a soldier's rough sketch of the Battle of Charleston and a photograph of several members of the 34th Ohio Regiment in their distinctive and flamboyant by soldier standards Zouave garb It s the only known photograph we ve seen of them in the particular uniform they wore Lowry said Later on they switched to regular uniforms The co authors also were able to correct a mistake on a series of photographs from the state archives The photographs which depict the Gauley Bridge area originally were thought to have been taken after the war Lowry and Cohen determined by their subject matter however that they did indeed date back to the war itself By the time they completed the book they believed they had assembled as complete a visual history of the Civil War era in West Virginia as possible Rangers David Emmick, 2017-01-31 As the winds of war began to blow in the spring of 1861 John W Amick joined the Greenbrier Sharpshooters According to family legend he was a captain at Carnifex Ferry Lewisburg and Dogwood Gap reported first to Jackson then later to Lee In 1862 Captain John Amick led the scouts for General Loring as he recaptured the Kanawha Valley from the invading Yankees During the war the Amick scouts battled invaders on Sewell Mountain throughout 1862 and 1863 The Amick Company of Scouts were used as spies across western Virginia As the Confederacy became overwhelmed in spring of 1864 Captain John resigned his commission to form a querilla band to protect his family and home The Amick Partisan Rangers quickly grew to a battalion of four companies commanded by captains Tyree Halstead McClung and Baumgardner The Yankees soon put a price on his head wanted dead or alive But his mother said You ve got to catch him before you can hang him This is the story of the Amick Partisan Rangers History of West Virginia, Old and New James Morton Callahan, 1923 Daniel Matheny: Maverick Tailor from Virginia, 1829 - 1876 Nancy Bronte Matheny, 2016-11-18 Daniel Matheny son of William Matheney was born in 1829 in White Rock Gap Alleghany County Virginia He married Salina Henry in 1844 in Gallia County Ohio **Defending the Wilderness** David J. Emmick, 2008-07-01 This book is a companion to the book The Amick Partisan Rangers This work covers the early Amick family and the Sewell

Mountain area and the other members of the Amick family through the war The chapters include Settling the Wilderness Eli Amick and the 14th Virginia Cavalry Joseph Amick and the Dixie Rifles James Anderson Amick Company C 22nd Asa Amick and Co E of the 26th Battalion James and Perry Amick and Company F 36th Henry Amick and the Nighthawk Rangers The Amick Cousins in the Fight Family Appendices and family information Read the first chapter for a background of the family and to get acquainted with the area then the chapters can be read in any order **Gauley River National Recreation** Area (N.R.A.), Nicholas County and Fayette County ,1997 West Virginia Otis K. Rice, Stephen W. Brown, 2010-09-12 An essential resource for scholars students and all lovers of the Mountaineer State From bloody skirmishes with Indians on the early frontier to the Logan County mine war the story of West Virginia is punctuated with episodes as colorful and rugged as the mountains that dominate its landscape In this first modern comprehensive history Otis Rice and Stephen Brown balance these episodes of mountaineer individualism against the complexities of industrial development and the growth of social institutions analyzing the events and personalities that have shaped the state To create this history the authors weave together many strands from the past and present Included among these are geological and geographical features the prehistoric inhabitants exploration and settlement relations with the Indians the land systems and patterns of ownership the Civil War and the formation of the state from the western counties of Virginia the legacy of Reconstruction politics and government industrial development labor problems and advances and cultural aspects such as folkways education religion and national and ethnic influences For this second edition the authors have added a new chapter bringing the original material up to date and carrying the West Virginia story through the presidential election of 1992 Otis K Rice is professor emeritus of history and Stephen W Brown is professor of history at West Virginia Institute of Technology Veteran Volunteer Infantry Jeffrey A. Hill, 2010-08-31 The 26th Ohio Veteran Volunteer Infantry The Groundhog Regiment is the gripping story of the men and boys who valiantly fought to preserve their country's glory during the Civil War These brave souls were among the first to answer the Union's call to duty and among the last to be mustered home They proudly adopted the nickname The Groundhog Regiment as the rodent's agility and determination epitomized their strengths The Old 26th played a pivotal role in numerous major western theater campaigns and battles from the early conflicts in western Virginia and Shiloh to the bloody fields of Stones River Chickamauga Missionary Ridge Kennesaw Spring Hill Franklin and Nashville After the war s end the veterans yearned to write their regiment s history as so many other units had done Regrettably the high price of publishing proved to be too steep for the soldiers and their dream of telling their story died with them The descendant of two veterans of the 26th Ohio Jeffrey A Hill resurrected their dream and brought it to fruition Meticulously researched this history is based on over three hundred primary source documents from the soldiers From the daily struggles of the privates to the internal anguish of Colonel Fyffe and the other senior commanders the history offers an intriguing insight into the men who preserved the Union The book chronicles the involvement of the 26th Ohio from the

initial fervor following Fort Sumter throughout the War and the post war activities of the veterans The appendices include an updated roster list of burial sites and a photo gallery The history is a lasting tribute to the men who so bravely fought to protect what they held most dear their country At long last here is their story

The Civil War In Fayette County West Virginia Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Civil War In Fayette County West Virginia PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and

finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Civil War In Fayette County West Virginia PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The Civil War In Fayette County West Virginia free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
