The Clarence Chronicles

Marcel A. Müller

The Clarence Chronicles:

The Clarence Chronicles G. Ross Purcell, 2001 The Clarence Chronicles explores an episodic saga of a young boy's journey into manhood against the backdrop and home front intrigues of the Korean war. How beauty and hormones teach black and white high school buddies some tough lessons growing up. Their poignant and bitter friendship develops during the late 40s. From those beginnings his journey takes him on a college sojourn as the fading big band era swings into cool jazz and bee bop weaving a complex web of personal relationships. Forced military service leads him to the West Coast as he watches musical genius traverse from poverty to fame and become a magnet for the things that destroy. **The**
