

The Clay Pedestal A Reexamination Of The Doctorpatient Relationship

National Library of Medicine (U.S.)

The Clay Pedestal A Reexamination Of The Doctorpatient Relationship:

The Clay Pedestal Thomas A. Preston, 1981 The Neurologically-Impaired Child Robert A. Cummins, 2018-10-03 For the 25 years before publication a form of therapy known as the Doman Delacato Techniques had been applied to children with disabilities The therapy originated from the work of Glen Doman and Carl Delacato who established the Institutes for the Achievement of Human Potential in Philadelphia The institutes claim to be able to treat a wide range of disabilities and their best known technique is called Patterning and is prescribed for children who have no capacity for voluntary movement Yet many professional bodies and associations have denounced the approach as overly expensive ineffective creating false hopes being destructive to family life and based on false theoretical assumptions Originally published in 1988 this book was the first to offer a detailed analysis and critique of the Doman Delacato approach The author draws on data from evolution neuroanatomy and neurophysiology to challenge its theoretical assumptions He shows that there is no sound scientific basis to the techniques Any improvements in a child s condition can be attributed to the increased energy and attention given to that child rather than the content of the programme At the same time parents become emotionally ransomed and deluded by false expectations Written in a style that will be accessible to non specialists the book is an important work for both parents and professionals concerned with the welfare of neurologically impaired children **The Herbalist's Way** Nancy

Phillips, Michael Phillips, 2005-08-19 This updated edition of *The Village Herbalist* provides a complete guide to the art and practice of herbalism as well as an introduction to the herbalist s role in family and community life Inspirational profiles of practicing herbalists from across the country add a human touch to the authors wealth of practical herbal knowledge The *Herbalist s Way* includes time honored healing wisdom from many cultures as well as information on Roles and responsibilities of herbalists in their communities Herbal workshops conferences and education centers Growing drying and preparing medicinal herbs Learning to listen to clients and recommend holistic treatments for healing and continued wellness Licensing marketing and other legal and business issues facing modern herbalists Comprehensive resources and suggestions for building your herbal library **Strategies in Gynecologic Surgery** Herbert J. Buchsbaum, Leslie A. Walton, 2012-12-06 This volume is directed toward physicians who perform gynecologic surgery The problems addressed are those encountered specifically in the performance of surgical procedures on the female genitalia This book is not intended to be an atlas of surgery but rather to supplement the many atlases available to the interested reader There is an increasing body of physiologic and clinical data that is directly related to gynecologic surgery The editors have selected subjects for this volume that directly impact on the outcome of the operative procedure Authors were chosen who have documented interest and expertise Many decisions made before the performance of the gynecologic operation can influence the outcome of the procedure such as choice of abdominal incision preparation of the operative field and use of prophylactic anticoagulants and antibiotics During the operation additional choices that are open to the surgeon can affect the outcome choice of suture

material technique of bladder drainage and the use of drains Attention to details of surgery avoidance of genitourinary or gastrointestinal injury and attention to potential problems in specific age groups can result in better outcome for the patient The reader will also find chapters devoted to the legal implications of operative consent the control of surgical bleeding and intra and postoperative monitoring It is our hope that the material in this book will help the gynecologic surgeon in his practice to improve the care of the female patient undergoing operative procedures on the genitalia

Public Health Reports ,1982 Ritual Healing in Suburban America Meredith B. McGuire,Debra Kantor,1988 Many Americans believe that people who practice folk healing are uneducated and too poor to afford conventional medical care Contrary to this popular belief Meredith McGuire finds that a large number of college educated middle class suburbanites participate in a variety of nonmedical healing groups In suburban New Jersey people practice such diverse alternatives as psychic healing New Age therapies naturopathy Christian Science Transcendental Meditation reflexology acupuncture yoga Jain meditation Therapeutic Touch reflexology shiatsu rebirthing and occult therapies McGuire places these various healing groups into broader categories according to their traditional sources of inspiration and their beliefs about healing power She then looks at the participants diverse ideas about health and illness By locating alternative healing in the context of these beliefs she shows the many ways the adherents experience ritual healing From publisher's description

Encounters Between Patients and Doctors John D. Stoeckle,1987 This book of readings offers compelling evidence that even in this age of advanced medical technology and large scale bureaucracy the essence of diagnosis therapy and management of illness continues to reside in the doctor patient relationship It brings together 17 articles published from 1927 to 1978 dealing with the sociological and cultural aspects of clinical and bedside medicine The articles are grouped into five parts These cover the ground rules for the doctor patient relationship the dynamics of the interchange the nature of the communication barriers to communication case studies and visions of what the ideal relationship might be The editor has added an extensive introduction that situates the articles and reviews in the current state of research in the field Authors Emily M Ahern Arlene K Daniels Milton S Davis Sherman Eisenthal Joan P Emerson Vida Francis Arlene Frank Eliot Freidson L J Henderson Marc H Hollender Arthur Kleinman Barbara M Korsch Aaron Lazare John B McKinlay Marie J Morris Talcott Parsons Francis W Peabody Thomas J Scheff Thomas S Szasz Howard Waitzkin Harry A Wilmer and Irving Kenneth Zola

Patient Autonomy and the Ethics of Responsibility Alfred I. Tauber,2005 The principle of patient autonomy dominates the contemporary debate over medical ethics In this examination of the doctor patient relationship physician and philosopher Alfred Tauber argues that the idea of patient autonomy which was inspired by other rights based movements of the 1960s was an extrapolation from political and social philosophy that fails to ground medicine's moral philosophy He proposes instead a reconfiguration of personal autonomy and a renewed commitment to an ethics of care In this formulation physician beneficence and responsibility become powerful means for supporting the autonomy and dignity of patients Beneficence Tauber argues should

not be confused with the medical paternalism that fueled the patient rights movement. Rather, beneficence and responsibility are moral principles that not only are compatible with patient autonomy but strengthen it. Coordinating the rights of patients with the responsibilities of their caregivers will result in a more humane and robust medicine. Tauber examines the historical and philosophical competition between facts, scientific objectivity, and values. Patient care in medicine. He analyzes the shifting conceptions of personhood underlying the doctor-patient relationship, offers a topology of autonomy from Locke and Kant to Hume and Mill, and explores both philosophical and practical strategies for reconfiguring trust and autonomy. Framing the practicalities of the clinical encounter with moral reflections, Tauber calls for an ethical medicine in which facts and values are integrated and humane values are deliberately included in the program of care. *Australian Family Physician*, 1983 **National Library of Medicine Current Catalog** National Library of Medicine (U.S.), 1982 **Bedside Manners** Edward Shorter, 1985 Examines two hundred years of medical history to show why the current crisis in doctor-patient relations has occurred. Book jacket **American Journal of Law & Medicine**, 1982 Managing the Drugs in Your Life Stephen J. Levy, 1983 **Current Catalog** National Library of Medicine (U.S.), 1982 First multi-year cumulation covers six years 1965-70 **Rehabilitation Psychology** David W. Krueger, 1984 **Jane Brody's The New York Times Guide to Personal Health** Jane E. Brody, 1982 Common sense guide to all aspects of health. Written for the lay person. A good source for background information with frequent references for further reading or associations to contact for more information. Covers nutrition, exercise, emotional health, sexuality, and reproduction, abused substances, dental health, environmental health, effects, safety, medical care, symptoms, illness, common fatal illnesses, and coping with health problems. Published 1982 Medical and Health Care Books and Serials in Print, 1986 **Medical Genetics** Lori B. Andrews, 1987 **Public Health Reports**, 1982 *Book Review Digest*, 1982

Enjoying the Tune of Phrase: An Emotional Symphony within **The Clay Pedestal A Reexamination Of The Doctorpatient Relationship**

In a global taken by screens and the ceaseless chatter of instant interaction, the melodic splendor and mental symphony created by the written word frequently fade in to the background, eclipsed by the relentless sound and disturbances that permeate our lives. Nevertheless, nestled within the pages of **The Clay Pedestal A Reexamination Of The Doctorpatient Relationship** a marvelous literary treasure filled with fresh emotions, lies an immersive symphony waiting to be embraced. Constructed by an elegant composer of language, that charming masterpiece conducts readers on a mental trip, skillfully unraveling the concealed melodies and profound influence resonating within each carefully crafted phrase. Within the depths with this emotional evaluation, we shall explore the book is central harmonies, analyze its enthralling publishing design, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.

The Clay Pedestal A Reexamination Of The Doctorpatient Relationship Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Clay Pedestal A Reexamination Of The Doctorpatient Relationship PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making

The Clay Pedestal A Reexamination Of The Doctorpatient Relationship

research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Clay Pedestal A Reexamination Of The Doctorpatient Relationship PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The Clay Pedestal A Reexamination Of The Doctorpatient Relationship free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About The Clay Pedestal A Reexamination Of The Doctorpatient Relationship Books

1. Where can I buy The Clay Pedestal A Reexamination Of The Doctorpatient Relationship books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
