

The Clinton Legacy

Benjamin R. Barber

The Clinton Legacy:

The Postmodern Presidency Steven E. Schier, 2012-02-15 Choice Outstanding Academic Book As America's first truly postmodern president Bill Clinton experienced both great highs and stunning lows in office that will shape the future course of American politics Clinton will forever be remembered as the first elected president to be impeached but will his tarnished legacy have lasting effects on America's political system Including the conflict in Kosovo the World Trade Organization meeting in Seattle and new developments in the 2000 presidential campaign The Postmodern Presidency is the most comprehensive and current assessment of Bill Clinton's presidency available in print The Postmodern Presidency examines Clinton's role in redefining the institution of the presidency and his affect on future presidents economic and foreign policies The contributors highlight the president's unprecedented courtship of public opinion how polls affected policy how the president gained celebrity status how Clinton's postmodern style of public presidency helped him survive the 1994 elections and impeachment and how all of this might impact future presidents This new text also demonstrates how the Clinton presidency changed party politics in the public and in Congress with long term implications and costs to both Republicans and his own Democratic party while analyzing Clinton's effect on the 1990s culture wars the politics and importance of gender and the politics and policy of race This text is a must for anyone who studies teaches or has an interest in the American presidency and politics

The Clinton Legacy Colin Campbell, Bert A. Rockman, 2000 This collection of essays evaluates Bill Clinton's performance as president over two terms Concerned with the interaction between his leadership and the changing nature of the political environment these experts offer a context for understanding Clinton's ways of governing

The Presidency and the Law David Gray Adler, Michael A. Genovese, 2002 Political scandals have always demonstrated the capacity of our executive officials for self-inflicted injuries and the Clinton administration was no exception Unilateral warmaking claims of executive privilege and immunity and last minute pardons all tested the limits of presidential power while the excesses of the Special Prosecutor cast doubts on available remedies For eight years Republicans and Democrats engaged in guerrilla warfare aimed at destroying the careers and lives of their adversaries while tests of presidential power were resolved by the courts resulting in a reshaping of the scope and power of the presidency itself This book examines the many controversial and important battles that led to the shrinking of the presidency under the law during the Clinton administration Located at the intersection of law and politics it helps readers understand the dramatic changes that took place in the relationship of presidential power to the law during the Clinton years and shows how one president's actions and congressional and legal reactions to them have altered presidential prerogatives in ways that his successors cannot ignore The Presidency and the Law offers an assessment of changes in constitutional and legal understanding of the American presidency exploring such topics as war power executive privilege pardon power impeachment executive immunity independent counsel and campaign finance In examining these collisions between president and the law its distinguished

contributors bring the lessons of Watergate and Iran Contra into the Clinton era and contribute to a Madisonian view that presidents should not operate outside statutory and constitutional constraints While the essays offer several criticisms of that administration's exercise of power and its interpretation of constitutional provisions and law many of the authors have been supportive of Clinton and his policy pursuits and all seek to examine the potential impact of the Clinton administration without being predictive or legalistic They offer instead commentary analysis and criticism that examine the legality and constitutionality of President Clinton's actions within a broader political and historical context The presidency is constitutionally weaker and politically more vulnerable than the office Bill Clinton assumed in 1993 and it remains to be seen what impact these changes will have on the presidency in the 21st century This book points the way to assessing that impact and is essential reading for anyone concerned with the future of our democracy Clinton's Legacy A. Waddan,2001-12-06

As Clinton left office there was little consensus even among Democrats as to the significance of his political legacy He was keen to stress that enduring changes had been made to American society Critics however were less convinced that Clintonism had developed an integrated vision of governance This book examines whether the Clinton experience does illustrate the value of the New Democrat and Third Way agenda *The Presidency of Bill Clinton* Mark White,2012-05-15

The presidency of Bill Clinton has an intrinsic historical significance a marker of generational change as he was the first baby boomer to reach the White House the first president whose personal life received no less attention than his policies and the first elected Democrat President to win re election since Franklin Roosevelt This book provides wide ranging coverage of Clinton's career addressing the salient aspects of Clinton's life in politics his governorship the 1992 presidential campaign the battle for health care reform his economic policies the issue of character including the Monica Lewinsky scandal his foreign policy specifically his role in the peace process in Northern Ireland and in authorizing an aerial war in Kosovo his handling of the issue of gay rights and his relationship with the Hollywood film industry Based on the latest research this volume provides important new perspectives on Clinton's life in politics It will be essential reading for anyone interested in American History Politics and International Relations **Legacy** Richard Lowry,2004-06-01

Assesses the Clinton legacy arguing that it was his appeasement of America's enemies overseas that will be the longest lasting effect of the Clinton years not his domestic accomplishments **The Clinton Charisma** Donald T. Phillips,2025-06-25

It is often overlooked but Bill Clinton assumed the presidency in one of the most difficult times in our nation's history The country was in a deep recession the end of the Cold War had created new threats to our national security and our health care system was in shambles The country has now come full circle Leadership has been replaced with self interest cronyism and fear More than ever Bill Clinton's candor and success in adversity warrant revisiting during this age of a closed door administration and governmental incompetence The Clinton Charisma is a fascinating prescriptive guide that reveals the former president's complex leadership techniques including his attention to public opinion his ability to take quick corrective action and his

efficient damage control in the face of political and personal difficulty From diversity to decisiveness from consensus to compromise each chapter explores how Clinton employed important leadership principles and the ways in which they were or were not effective The author asks in the introduction Are there lessons to be learned from his time in office from his damage control strategies from his ability to implement diversity or from his decision making process The answer as Donald T Phillips s *The Clinton Charisma* makes compellingly clear is yes

The Clinton Scandal and the Future of American Government Mark J. Rozell, Clyde Wilcox, 2000-03-24 The Clinton scandal consumed the better part of a year of American public life bitterly dividing the nation and culminating in a constitutional crisis In this book thoughtful nonpartisan essays provide an insightful and lasting analysis of one of the major political events of our time Here leading scholars explore the long reaching constitutional and political implications of the scandal how it will affect the presidency the law and the political process A first group of chapters considers effects of the scandal on institutions the presidency Congress the courts the independent counsel statute executive privilege and the impeachment process itself A second section addresses political factors public opinion the media and presidential character and personality A concluding essay broadly examines the implications of the scandal for governance These far reaching essays address such issues as risks posed to Congressional political careers the prospect of future presidents being subject to civil suits the pros and cons of Kenneth Starr s investigation the role of the media in breaking and then shaping the story and ways of reforming the system to handle the unacceptable private behavior of future presidents A provocative book for readers concerned with how our government copes with such a challenge and an essential reader for courses on the presidency or American government this collection will stand the tests of both time and rigorous analysis

Hustler Joseph Sobran, 2000 Columns and articles originally written between 1992 and 1999 Includes index Signed by Author

The Clintons Charles River Charles River Editors, 2018-02-09 Covers the remarkable lives of the Clintons in one educational and entertaining narrative Includes pictures of Bill Hillary and other important people places and events in their lives Sometime in my sixteenth year I decided I wanted to be in public life as an elected official I loved music and thought I could be very good but I knew I would never be John Coltrane or Stan Getz I was interested in medicine and thought I could be a fine doctor but I knew I would never be Michael DeBakey But I knew I could be great in public service Bill Clinton I suppose I could have stayed home and baked cookies and had teas but what I decided to do was to fulfill my profession which I entered before my husband was in public life Hillary Clinton It would be impossible to sum up the life and legacy of Bill Clinton in one sentence or even one paragraph as the former president represents many different things to many different people Indeed the yin and yang of Clinton s life and career are inescapable Widely hailed as the greatest politician of his era Clinton proved to be his own worst enemy creating unnecessary scandals through his womanizing Clinton was one of the first politicians to truly connect with young adults yet in the process he provided ludicrous soundbytes like I did not inhale Long considered the Democratic Party s greatest

spokesman and surrogate Clinton's presidency was defined by centrist triangulation. And though he is still publicly popular and considered a great president, Clinton became just the second president to be impeached in the House of Representatives. Regardless of what Americans think of him, one thing Clinton does represent is the American Dream. Born to a single mother in Hope, Arkansas, Clinton used his ambition, hard work, and intelligence to become a Rhodes scholar. As a teenager, a meeting with President Kennedy helped drive him toward politics, which he pursued after getting his law degree at Yale, where he met future wife Hillary Rodham. During the presidential campaign in 1992, Democratic challenger Bill Clinton announced that by voting for him, Americans would get two presidents for the price of one. The reference to his wife Hillary signified that she would be no ordinary First Lady, and indeed she was employed frequently by her husband in the White House to try to push legislation through Congress, most notably universal healthcare. While that proved to be one of the Clinton Administration's greatest failures, Hillary and her staff continued to act as a political surrogate for the president during his two terms. Of course, describing Hillary Clinton as just a First Lady belittles all of her accomplishments. Today she is the most powerful woman in the world, and one of the most recognizable, working so seamlessly with her former rival Barack Obama that her popularity has easily eclipsed his within a year of his victory over her in the Democratic primaries. In addition to the stirring Democratic primaries of 2008, Hillary was a U.S. Senator from New York for nearly 8 years before becoming Obama's Secretary of State. Recognized as one of the sharpest minds in Washington and a complete policy wonk, Hillary has been one of the few bright spots in Obama's Cabinet during his first term. The Clintons look at the amazing lives and careers of America's most powerful political couple, including their unprecedented highs and their notorious controversies, but it also humanizes the duo who have overcome considerable personal and political hurdles along the way. Along with pictures of important people, places, and events in her life, you will learn about Bill and Hillary Clinton like you never have before, in no time at all.

The Hillary Effect: Perspectives on Clinton's Legacy Ivy A.M. Cargile, Denise S. Davis, Jennifer L.

Merolla, Rachel VanSickle-Ward, 2020-06-25 This volume of over thirty essays is organized around five primary dimensions of Hillary Clinton's influence: policy, activism, campaigns, women's ambition, and impact on parents and their children. Combining personal narrative with scholarly expertise in political science, this volume looks at American politics through the career of Hillary Clinton in order to illuminate overarching trends related to elections, gender, and public policy. Featuring an extraordinarily varied list of contributors working within the field of political science and a fresh interdisciplinary approach, this book will appeal to a broad range of politically engaged audiences: practitioners and scholars.

The Truth of Power: Intellectual Affairs in the Clinton White House Benjamin R. Barber, 2001-08-17 Ideas and the presidency flirt with each other, but can they really get along? President Clinton had a romance with big ideas. He intently cultivated intellectuals, seducing them with his characteristic charm and with the promise of real influence on the political stage. Yet most often he disappointed the big thinkers whose advice he sought. Benjamin Barber was first invited to Camp David in 1994, along with

other prominent members of the academic community to participate in a seminar with President Clinton on the future of Democratic ideas and ideals Afterwards he became a steady informal adviser to the White House For a politically committed professor like Barber the opportunity was exhilarating here was an opportunity to put ideas into action to link ideas to power The result was enlightening if unexpected The most unpredictable factor was the president himself a man of astonishing intellectual gifts a consummate listener and synthesizer of ideas who nonetheless failed to present a stirring progressive vision or even to craft a memorable speech With great perceptiveness wit and Ian Barber provides a startling meditation on truth and power and the truth of power which is the responsibility of the elected not to an idea but to the electorate He identifies the fault lines that future progressive candidates must straddle if they are to win and the gift they must have if they are to be great of calling forth the best in their fellow citizens In the end Barber give us a unique portrait of our compelling and maddening ex president and the hopes and disillusionments he represents

Inside the Clinton White House Russell L. Riley,2016-09-01 President Bill Clinton led one of the most influential and consequential White House tenures in recent memory However because of the office s traditional climate of confidentiality many details of his behind the scenes activities have remained absent from the written record How did the administration manage the horrific conflicts in Haiti Somalia and the Balkans that came to a head shortly after the President took the oath What motivated the President to place First Lady Hillary Clinton at the helm of the ill fated Health Security Act of 1993 And how did the President s closest confidantes and aides respond to the outbreak of the devastating scandal that nearly ended his presidency Inside the Clinton White House offers an intimate perspective on these questions and many more granting readers unprecedented access to the sensitive Oval Office banter that changed the course of history Bringing together material from 400 hours of candid conversations with over sixty individuals respected oral historian Russell L Riley weaves this illuminating testimony with important contextual information to form an irresistible narrative taking the reader from Clinton s first potential White House bid in 1988 to the final days of his remarkable and controversial career Extended sections of the book are devoted to important domestic and foreign policy campaigns the complicated politics of the President s two terms and impeachment and portraits of important personalities in the administration including Vice President Al Gore and First Lady Hillary Rodham Clinton These forthright and often surprising accounts add a layer of nuance to an iconic figure in America s recent history as told in the words of the people who knew him best

Decline of the U.S. Presidency John Anagnos,2018-10-19 In his shocking book Decline of the U S Presidency John Anagnos exposes the former President Bill Clinton s legacy of corruption Discover the real Bill Clinton who exploited every political opportunity to expand his influence and line his pockets

The Postmodern Presidency Steven E. Schier,2000 Including the conflict in Kosovo the WTO meeting in Seattle and new developments in the 2000 presidential campaign The Postmodern Presidency is the most comprehensive and current assessment of Bill Clinton s presidency available in print

Historical Dictionary of the Clinton Era Richard S. Conley,2012-03-15 William Jefferson

Clinton's legacy remains a matter of significant contention among historians, political scientists, and pundits even after a decade of time to reflect. The *Historical Dictionary of the Clinton Era* covers both sides of the Clinton presidency through a chronology, an introductory essay, appendixes, and an extensive bibliography from publisher description.

Encyclopedia of the Clinton Presidency Peter B. Levy, 2001-11-30 First president of his generation Second president to be impeached Bill Clinton led the nation during eight years of unprecedented economic prosperity and peace creating millions of new jobs swapping deficit for surplus and advancing his agenda of social programs Yet he was riddled with scandal This encyclopedia of more than 230 alphabetical entries covers all the major events, issues, and personalities of the Clinton administration including full treatments of his impeachment, Whitewater, Travelgate, Monica, key members of his administration, Congressional opponents, foreign and domestic policy, elections, laws, terms, and catchphrases, and national and foreign events that impacted Clinton's presidency This balanced account is a perfect reference for students, detractors, and supporters of William Jefferson Clinton Among the domestic issues covered are health care reform, gays in the military, abortion, gun control, and welfare reform Also included are the many foreign policy issues Clinton dealt with such as Bosnia, Northern Ireland, and the Middle East Numerous charts, tables, and graphs provide vital statistical information about legislation, the economy, federal spending, election returns, and crime during the Clinton years A chronology of events and many photos accompany the text Thorough cross referencing will aid researchers as will bibliographies of print and Internet sources following each entry

The Clinton Riddle Todd G. Shields, Jeannie M. Whayne, Donald R. Kelley, 2004-01-01 In 2002 a distinguished interdisciplinary group of scholars gathered at the Diane D Blair Center of Southern Politics and Society at the University of Arkansas to provide a critical evaluation of the Clinton-Gore administration Their groundbreaking assessment of the most controversial president in modern times treats such crucial topics as race, women, and minorities, the character issue, foreign policy, and the media This book provides a unique vantage point on the Clinton riddle that all future studies will need to consider

The American Mirror: A Critical Examination of the Clinton Impeachment from an International Perspective Pasquale De Marco, 2025-05-18 In a time of intense political turmoil, the impeachment of President Bill Clinton captivated the world's attention, leaving an indelible mark on American history This book offers a comprehensive and thought-provoking analysis of this pivotal event, delving into its causes, consequences, and lasting legacy With meticulous research and a keen eye for detail, this book dissects the intricate web of political maneuvering, partisan divides, and public sentiment that shaped the Clinton impeachment It examines the legal battles, the media's role in shaping public opinion, and the impact of the scandal on American society Beyond the domestic sphere, this book also explores the international dimensions of the Clinton impeachment, examining how the world viewed this tumultuous chapter in American history It analyzes the reactions of foreign governments, the media, and the public, shedding light on the global perception of American democracy and its institutions Furthermore, this book explores the lasting legacy of the Clinton impeachment

examining its impact on American politics culture and society It investigates the ways in which this event transformed the political landscape shaped public discourse and influenced subsequent presidential administrations Drawing upon a diverse range of perspectives including those of historians political scientists legal experts and international observers this book provides a comprehensive and nuanced understanding of the Clinton impeachment It offers valuable insights into the complexities of American democracy the role of the media and the enduring significance of this event for the nation and the world This book is an essential read for anyone seeking a deeper understanding of this pivotal moment in American history It is a thought provoking examination of power accountability and the resilience of American democracy in the face of adversity If you like this book write a review on google books [American Exceptionalism and the Legacy of Vietnam](#) Trevor McCrisken,2003-12-19 American Exceptionalism and the Legacy of Vietnam examines the influence of the belief in American exceptionalism on the history of U S foreign policy since the Vietnam War Trevor B McCrisken analyzes attempts by each post Vietnam U S administration to revive the popular belief in exceptionalism both rhetorically and by pursuing foreign policy supposedly grounded in traditional American principles He argues that exceptionalism consistently provided the framework for foreign policy discourse but that the conduct of foreign affairs was limited by the Vietnam syndrome
