The Clock Tower Jeanne Montague, 1983-01-01 **View From the Clock Tower** Frank Burkett, 2021-11-30 Jack Bellamy is thrown into an orphanage after his parents' death. While other orphans dream of a fanciful life Jack resolves to find the truth behind the one he was given. All he knows is that his father was an Australian war hero and his mother a beautiful Italian from northern Queensland. When he travels to the sugar town where they married he soon learns his parents never had a chance. Then like now Italian farming communities jealously guard their women and their secrets. *View From the Clock Tower* is a gripping story that takes the reader on an emotional ride through the stunning scenery of tropical Queensland. Frank Burkett lives and breathes the tropical landscape that features in his debut novel *View From the Clock Tower* which was shortlisted for the British CWA Debut Dagger Award. Although raised in Queensland he has travelled extensively including three years in the UK where he studied for a London University Diploma in Dramatic Art and three years in Rhodesia now Zimbabwe where he worked on land conservation. In 1990 he set up a thriving community newspaper the Maryborough Herald and has since published a biography on the country music singer Graeme Connors. Frank now lives in retirement with his wife Patricia and their two dalmatians and is currently working on his latest book in which once again sugar cane rain forests and coral reefs provide an exotic background.
