The Clockwork Traitor:

The Clockwork Traitor E.E. 'Doc' Smith, Stephen Goldin, 2012-10-22 Jules and Yvette d'Alembert had faced challenges before but rarely one as daunting as this. To them fell the perilous task of infiltrating a vicious conspiracy which threatened to destroy the Stanley dynasty and throw the whole of interstellar civilisation into chaos. Now as rival candidates from all corners of the galaxy gather for the Progress, the two most daring space super agents of all time go into action. For among the suitors competing to be consort to the royal heiress of the Empire of Earth there is a traitor. And somewhere close to the Princess a time bomb is ticking.

who betrayed America and fled to the British as history's most notorious turncoat. Many know Arnold's co-conspirator Major John Andr who was apprehended with Arnold's documents in his boots and hanged at the orders of General George Washington. But few know of the integral third character in the plot: a charming young woman who not only contributed to the betrayal but orchestrated it. Socialite Peggy Shippen is half Benedict Arnold's age when she seduces the war hero during his stint as military commander of Philadelphia. Blinded by his young bride's beauty and wit, Arnold does not realize that she harbors a secret loyalty to the British. Nor does he know that she hides a past romance with the handsome British spy John Andr. Peggy watches as her husband, crippled from battle wounds and in debt from years of service to the colonies, grows ever more disillusioned with his hero Washington and the American cause. Together with her former love and her disaffected husband, Peggy hatches the plot to deliver West Point to the British and in exchange win fame and fortune for herself and Arnold. Told from the perspective of Peggy's maid, whose faith in the new nation inspires her to intervene in her mistress's affairs even when it could cost her everything, *The Traitor's Wife* brings these infamous figures to life, illuminating the sordid details and the love triangle that nearly destroyed the American fight for freedom. *The Traitor's Gate* Sarah
