The Cloud Upon The Sanctuary:

The Cloud Upon the Sanctuary Karl von Eckartshausen, 2020-09-28 Apart from *The Cloud upon the Sanctuary* Eckartshausen is a name only to the Christian Transcendentalists of England He wrote much and at his period and in his place he exercised some considerable influence but his other works are practically unknown among us while in Germany the majority at least seem forgotten even among the special class to which some of them might be assumed to appeal *The Cloud upon the Sanctuary* has I believe always remained in the memory of a few and is destined still to survive for it carries with it a message of very deep significance to all those who look beneath the body of religious doctrine for the one principle of life which energizes the whole organism This translation has offered it for the first time to English readers and it enters here upon the third phase of its existence It appeared originally in the pages of *The Unknown World* a magazine devoted to the deeper understanding of philosophical and mystical religion and it was afterwards republished in volume form of which edition this is a new issue It has attracted very considerable attention and deserved it it has even been translated into French under the auspices of the late Countess of Caithness for the pages of *L'Aurore* These few words of bibliography are not unnecessary because they establish the fact that there has been some little sentiment of interest working within a restricted circle as one may hope towards a more general diffusion and knowledge of a document which is at once suggestive from the literary standpoint and profoundly moving from other and higher considerations It encourages me to think that many persons who know and appreciate it now or may come under its influence in the future will learn with pleasure the little that I can tell them of its author the Councillor Eckartshausen and of certain other books not of his writing which as I think connect therewith and the study of which may help us to understand its message Perhaps the most interesting thing that I can say at the beginning concerning Eckartshausen is that he connects with that group of Theosophists of which Lavater was so important a figure the Baron Kirchberger an accomplished and interesting recorder and Louis Claude de Saint Martin a correspondent in France and a certain source of leading In his letters to Saint Martin Kirchberger says that Eckartshausen with whom he was in frequent communication was a man of immense reading and wonderful fertility he regarded him in other respects as an extraordinary personage whatever way providence may have led him It would appear that at this period namely in 1795 Eckartshausen was looking for and obtaining his chief light from the mystical study of numbers but was also to use the veiled and cautious language of the correspondence in enjoyment of more direct favours Saint Martin confesses on his own part that he was more interested in Eckartshausen than he could express Kirchberger must have held him in even higher estimation and undertook a journey to the Swiss frontier actually for the purpose of receiving from him the personal communication of the Lost Word but the illness of the proposed communicator frustrated this project The point is important because it establishes the pretensions of Eckartshausen As to the Councillor of Berne so to us he comes speaking with authority and whatever may be our opinion as to the kind of sacramentalism or economy which was conveyed in a proposal to

communicate the incommunicable name there are some of us who know at least within certain limits that the little book which I am here introducing is not one of vain pretension Saint Martin acknowledges that part of the numerical system of Eckartshausen was in astonishing agreement with things that he had learned long ago in his own school of initiation that of Martines de Pasqually Altogether the French mystic had formed the best opinion possible of his German brother and his Swiss correspondent further tells us that Eckartshausen although a courtier walked in the narrow way of the inner life In a letter to Kirchberger dated March 19th 1795 Eckartshausen bears witness to his own personal experience and instructions received from above his consciousness of a higher presence the answers which he had received and the visions with the steps by which he had advanced even to the attainment of what he terms the Law in its fullness I have thought it well to give these data derived from private correspondence the publication of which was never designed or expected at the time because they constitute a sketch of Eckartshausen taken to some extent unawares when there could be the least reason to suppose that he was adopting an attitude Let us now compare the very strong claim which they incorporate with that of The Cloud upon the Sanctuary itself and the little analysis which I shall give here will I think be otherwise serviceable to readers as a summary of the chief purport of the work It is possible by seeking inwardly to approach the essential wisdom and this wisdom is Jesus Christ who is also the essence of love within us The truth of this statement can be experimentally proved by any one the condition of the experience being the awakening within us of a spiritual faculty cognizing spiritual objects as objectively and naturally as the outward senses perceive natural phenomenon This organ is the intuitive sense of the transcendental world and its awakening which is the highest object of religion takes place in three stages a morally by the way of inspiration b intellectually by the way of illumination c spiritually by the way of revelation The awakening of this organ is the lifting of the cloud from the sanctuary enabling our hearts to become receptive of God even in this world The knowledge of these mysteries has been always preserved by an advanced school illuminated inwardly by the Saviour and continued from the beginning of things to the present time This community is the Invisible Celestial Church founded immediately after the Fall and receiving a first hand revelation for the raising of humanity But the weakness of men as they multiplied necessitated an external society namely the Outward Church which in the course of time became separated from the Inner Church also through human weakness The external church was originally consecrated in Abraham but received its highest perfection in the mystery of Jesus Christ The Interior Church is invisible and yet governs all it is perpetuated in silence but in real activity and united the science of the temple of the ancient alliance with the spirit of the Saviour or of the interior alliance This community of light is the reunion of all those capable of receiving light and is known as the Communion of Saints It possesses its school its chair its doctor and a rule for students with forms and objects of study and in short a method by which they study together with degrees for successive development to higher altitudes We must not however regard it as a secret society meeting at certain times choosing its elders and members and united by special objects for even the chief does not

invariably know all the members and those who are ripe are joined to the general members when they thought least likely and at a point of which they knew nothing The society forms a theocratic republic which one day will be the Regent Mother of the whole world Its members are exactly acquainted with the innermost of religions and of the Holy Mysteries but these treasures are concealed in so simple a manner that they baffle unqualified research **The Cloud Upon the Sanctuary** Karl Von Eckartshausen,2006-08 This book is recognized as a classic of Christian mysticism and is highly recommended for those seeking a deeper spiritual sense of themselves and the Christian faith Jesus is represented as the Wisdom of God working in all things and always with us Despite our fallen natures we are still able to reach into the wholeness and completeness that is offered If we can find a way to work around our imperfections and reach deep within ourselves there can be a true form of salvation We must work in spiritual ways to access this hidden nature That is what this book offers Through meditative work and deeper awareness we are able to pierce the veil or cloud and be able to experience our more divine natures The author holds out hope that the principles within this book may one day allow people to live more spiritual lives which in turn could bring more harmony and peace to the world This book is a great tool that allows one to open up into the deeper spiritual self **The Cloud Upon the Sanctuary** Councillor D'Eckartshausen,2012-04-01 Master of modern occultism Lon Milo DuQuette author of Enochian Vision Magick and The Magick of Aleister Crowley introduces the newest Weiser Books Collection The Magical Antiquarian Curiosity Shoppe Culled from material long unavailable to the general public DuQuette curates this essential new digital library with the eye of a scholar and the insight of an initiate Translated by Isabel de Steige Introduction by A E Waite What if all the great religious philosophical social and economic movements were part of a master plan facilitated by secret chiefs for the benefit of evolution toward godhead The Cloud Upon the Sanctuary by Karl von Eckartshausen is the document that introduced this concept to the 19th century occult communities It is the work that inspired Aleister Crowley to pursue the Golden Dawn and magick *The Cloud Upon the Sanctuary* Karl Eckhartshausen,2018-12-14 The Cloud Upon the Sanctuary by Karl von Eckharthausen was first published in 1793 The work is Christian mystic work veiled in hermetic code Eckhartshausen was briefly a member of the Bavarian Illuminati but left for spiritual reasons He cryptically mentions a society of the Elect which has existed from the very beginning of time the invisible celestial Church He predicted that it is the society whose members form a theocratic republic which one day will be the Regent Mother of the whole World This book later influenced the Order of the Golden Dawn and most notably Aleister Crowley after Arthur Edward Waite of the Golden Dawn showed it to Crowley Cloud Upon the Sanctuary Karl Eckartshausen,2012-06-11 This anthology is a thorough introduction to classic literature for those who have not yet experienced these literary masterworks For those who have known and loved these works in the past this is an invitation to reunite with old friends in a fresh new format From Shakespeare s finesse to Oscar Wilde s wit this unique collection brings together works as diverse and influential as The Pilgrim s Progress and Othello As an anthology that invites readers to

immerse themselves in the masterpieces of the literary giants it is must have addition to any library The Cloud Upon the Sanctuary Karl Kckartshausen,2017-01-05 Apart from The Cloud upon the Sanctuary Eckartshausen is a name only to the Christian Transcendentalists of England He wrote much and at his period and in his place he exercised some considerable influence but his other works are practically unknown among us while in Germany the majority at least seem forgotten even among the special class to which some of them might be assumed to appeal The Cloud upon the Sanctuary has I believe always remained in the memory of a few and is destined still to survive for it carries with it a message of very deep significance to all those who look beneath the body of religious doctrine for the one principle of life which energizes the whole organism This translation has offered it for the first time to English readers and it enters here upon the third phase of its existence A E Waite **The Cloud Upon the Sanctuary Illustrated** Karl Von Eckartshausen,2020-08-17 A E Waite recommended this to the young Aleister Crowley in 1896 as the book he should read to understand the nature of the Interior Church Karl von Eckartshausen was among the most unusual mystics of his day He was both a fervent Catholic and a Theosophist in the tradition of Jacob Boehme **The Cloud Upon the Sanctuary** Karl Von Eckartshausen,2014-03 This Is A New Release Of The Original 1909 Edition The cloud upon the sanctuary, tr. and notes by I. De Steiger Carl von Eckartshausen,1896 **The Cloud Upon the Sanctuary (Esoteric Classics)** Karl Eckartshausen,2015-08-12 **Cloud Upon the Sanctuary** Karl Von Eckartshausen,2014-03 This Is A New Release Of The Original 1909 Edition **The Cloud Upon the Sanctuary** Karl von Eckartshausen,1991 **The Cloud Upon the Sanctuary** Councillor D' Eckartshausen,2011-05 There is no age more remarkable to the quiet observer than our own Everywhere there is fermentation in the minds of men everywhere there is a battle between light and darkness between exploded thought and living ideas between powerless wills and living active force in short everywhere is there war between animal man and growing spiritual man It is said that we live in an age of light but it would be truer to say that we are living in an age of twilight here and there a luminous ray pierces through the mists of darkness but does not light to full clearness either our reason or our hearts Men are not of one mind scientists dispute and where there is discord truth is not yet apprehended The most important objects for humanity are still undetermined No one is agreed either on the principle of rationality or on the principle of morality or on the cause of the will This proves that though we are dwelling in an age of light we do not well understands what emanates from our hearts and what from our heads Probably we should have this information much sooner if we did not imagine that we have the light of knowledge already in our hands or if we would cast a look on our weakness and recognize that we require a more brilliant illumination *On Illumination: the Cloud Upon the Sanctuary* Karl von Eckartshausen,2017-03-03 The Cloud Upon the Sanctuary is an inspirational work of Christian mysticism which speaks directly and symbolically to those who read its pages This book was highly regarded amongst the Hermetic Order of the Golden Dawn and influenced the work of Aleister Crowley This edition serves as the print accompaniment to the audiobook
