J. Thrift, Adam Tickell, Steve Woolgar, William H. Rupp, 2014 The concept of globalization has become ubiquitous in social science and in the public consciousness and is often invoked as an explanation for a diverse range of changes to economies societies politics and cultures both as a positive liberating force and as a wholly negative one While our understanding of the politics economics and social resonance of the phenomenon has become increasingly sophisticated at the macro level this book argues that globalization too often continues to be depicted as a set of extra terrestrial forces with no real physical manifestation except as effects The essays challenge this dominant understanding of globalization from above through explorations of the mundane means by which globalization has been achieved Instead of a focus on the meta political economy of global capitalism the book concentrates on the everyday life of capitalism the not so little things that keep the large forces of globalization ticking over With its eye on the mundane the book demonstrates that a series of everyday and consequently all but invisible formations critically facilitate and create the conditions under which globalization has flourished The emphasis is on concrete moments in the history of capitalism when these new means of regular reproduction were invented and deployed Only by understanding these infrastructures can we understand the dynamics of globalization In short punchy essays by distinguished researchers from across a range of disciplines this book provides a new way of understanding globalization moving away from the standard accounts of global forces economic flows and capitalist dynamics to show how ordinary practices and artefacts are crucial elements and symbols of globalization *Been There, Done That* Eddie Fisher, David Fisher, 2000-07-15 Debbie Reynolds Elizabeth Taylor and Connie Stevens take some jabs as the ex wives of Eddie Fisher in his explosive autobiography which has more than its share of juicy gossip The Washington Post Book World Events that have transpired since the bestselling hardcover edition are updated for this book in an Afterword by Fisher 8 pages of color photos Martin s Press New York Magazine , 1985-11-25 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Encyclopedia of Post-Colonial Literatures in English** Eugene Benson, L.W. Conolly, 2004-11-30 Post Colonial Literatures in English together with English Literature and American Literature form one of the three major groupings of literature in English and as such are widely studied around the world Their significance derives from the richness and variety of experience which they reflect In three volumes this Encyclopedia documents the history and development of this body of

work and includes original research relating to the literatures of some 50 countries and territories In more than 1 600 entries written by more than 600 internationally recognized scholars it explores the effect of the colonial and post colonial experience on literatures in English worldwide *The Coke Machine* Michael Blanding,2011-09-06 The Coke Machine takes readers deep inside the Coca Cola Company and its international franchisees to reveal how they became the number one brand in the world and just how far they ll go to stay there Ever since its I d like to teach the world to sing commercials from the 1970s Coca Cola has billed itself as the world s beverage uniting all colors and cultures in a mutual love of its caramel sweet sugar water The formula has worked incredibly well making it one of the most profitable companies on the planet and Coca Cola the world s second most recognized word after hello However as the company expands its reach into both domestic and foreign markets an increasing number of the world s citizens are finding the taste of Coke more bitter than sweet Journalist Michael Blanding s *The Coke Machine* probes shocking accusations about the company s global impact including Coca Cola s history of winning at any cost even if it meant that its franchisees were making deals with the Nazis and Guatemalan paramilitary squads How Coke has harmed children s health and contributed to an obesity epidemic through exclusive soda contracts in schools The horrific environmental impact of Coke bottling plants in India and Mexico where water supplies have been decimated while toxic pollution has escalated That Coke bottlers stand accused of conspiring with paramilitaries to threaten kidnap and murder union leaders in their bottling plants in Colombia A disturbing portrait drawn from an award winning journalist s daring in depth research *The Coke Machine* is the first comprehensive probe of the company and its secret formula for greed COKE is a registered trademark of The Coca Cola Company This book is not authorized by or endorsed by The Coca Cola Company *Flann O'Brien & Modernism* Julian Murphet,Ronan McDonald,Sascha Morrell,2014-07-31 Flann O'Brien the ethics and paradoxes of naming parody and homage lies and deception theatricality sexuality technology and transport and the inevitable matter of drink and intoxication Taken together these specific topics construct a mosaic image of O'Brien as an exemplary modernist auteur abreast of all the most salient philosophical and technical concerns affecting literary production in the period immediately before and after World War Two

The Coca Cola Kid: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have enthralled audiences this year. The Coca Cola Kid : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. The Coca Cola Kid : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
