The Code of Concord Anders Hallengren, 1994 **Emerson's Ethics** Gustaaf Van Cromphout, 1999 *Building the Nation* John A. Hall, Ove Korsgaard, Ove K. Pedersen, 2014-10-01 Denmark became a nation amidst the turbulence of the nineteenth century an era plagued by war bankruptcy and territorial loss *Building the Nation* is an insightful study of this formation emphasizing the crucial role of N F S Grundtvig the father of modern Denmark Persevering through years of humiliation internal conflict and occupation Denmark now boasts one of the world s most stable and democratic political systems as well as one of its richest economies From disaster to success *Building the Nation* emphasizes the role of national icons and social movements in the formation of Denmark The poet political philosopher clergyman and founding father N F S Grundtvig is compared to Rousseau and Durkheim in France to Herder and Fichte in Germany and to other great thinkers in the United States and Ireland During his lifetime the kingdom of Denmark transformed from monarchy to democracy and moved from agrarianism to a modern economy evolutions to which Grundtvig himself contributed He has become a fundamental and inescapable reference point for discussions about nation democracy freedom religion and education in Denmark and abroad Situating Grundtvig in both the history of Denmark and the intellectual history of nineteenth century Europe *Building the Nation* argues for the centrality of his influence in the making of modern Denmark as well as the continuing influence of his work **A Language of Things** Devin P. Zuber, 2020-01-01 Long overlooked the natural philosophy and theosophy of the Scandinavian scientist turned mystic Emanuel Swedenborg 1688 1772 made a surprising impact in America Thomas Jefferson while president was so impressed with the message of a Baltimore Swedenborgian minister that he invited him to address both houses of Congress But Swedenborgian thought also made its contribution to nineteenth century American literature particularly within the aesthetics of American Transcendentalism Although various scholars have addressed how American Romanticism was affected by different currents of Continental thought and religious ideology surprisingly no book has yet described the specific ways that American Romantics made persistent recourse to Swedenborg for their respective projects to re enchant nature In *A Language of Things* Devin Zuber offers a critical attempt to restore the fundamental role that religious experience could play in shaping nineteenth century American approaches to natural space By tracing the ways that Ralph Waldo Emerson John Muir and Sarah Orne Jewett among others variously responded to Swedenborg Zuber illuminates the complex dynamic that came to unfold between the religious the literary and the ecological *A Language of Things* situates this dynamic within some of the recent new materialisms of environmental thought showing how these earlier authors anticipate present concerns with the other than human in the Anthropocene

Science and Religion in the Era of William James: Eclipse of certainty, 1820-1880 Paul Jerome Croce, 1995 In this cultural biography Paul Croce investigates the contexts surrounding the early intellectual development of American philosopher William James 1842 1910 Croce places the young James at the center of key scientific and religious debates in

Americ Transforming Holiness Irene Visser, Helen Wilcox, 2006 This fascinating collection of essays addresses the question of how holiness has been represented in English and American literary texts from early saints lives to the poetry of the mid twentieth century The interaction of spiritual ideals with the creative and often worldly imagination is examined in the work of writers as varied as George Herbert Harriet Beecher Stowe and D H Lawrence The range of genres discussed includes not only devotional poetry and apparently secular prose fiction but also political ballads personal conduct books and congregational psalms and hymns Holiness is set in relation to vital issues such as creativity gender Romanticism translation and visual culture Together the essays reveal the full meaning of the title of the collection that holiness a transforming force has transformed itself radically as a concept over the centuries and undergoes dynamic transformation through its expression in literature

The Natural philosophy of Emanuel Swedenborg David Duner, 2012-07-31 Although Emanuel Swedenborg 1688 1772 is commonly known for his spiritual philosophy his early career was focused unnatural science During this period Swedenborg thought of the world was like a gigantic machine following the laws of mechanics and geometry This volume analyzes this mechanistic worldview from the cognitive perspective by means of a study of the metaphors in Swedenborg s texts The author argues that these conceptual metaphors are vital skills of the creative mind and scientific thinking used to create visual analogies and abstract ideas This means that Swedenborg s mechanistic and geometrical worldview allowed him to perceive the world as mechanical and geometrical Swedenborg thought with books and pens The reading gave him associations and clues forced him to interpret and gave him material for his intellectual development

The New Philosophy John Whitehead, Lewis Pyle Mercer, John Reed Swanton, Harvey Farrington, 1995

Ocean Bound Women: Sisters Sailing Around The World In The 1880s - The Adventures-the Ship-the People Anders Hallengren, 2022-10-06 Ocean Bound Women is an intriguing first hand narrative of circumnavigating the globe in the 1880s Based on family documents stored in a seaman s chest this book provides a scholarly account of the history of the Swedish sailing ship Atlantic 1876 1911 and her crew Part of the book is based upon a diary written by a Scandinavian woman which stands as the uniting text for the years 1885 1887 connecting the reader to all events in the chronicle Other sources consist of manuscripts documents and accounts collected from family descendants along with oral traditions and personal memories all hitherto unpublished This is a touching life story of two motherless sisters who took on a ship in their teens a book about life on the oceans and meeting with people of many different nations
