The Collapse Of Orthodoxy The Intellectual Ordeal Of George Frederick Holmes:

The collapse of orthodoxy Neal C. Gillespie,1972 *The Collapse of Orthodoxy* Neal C. Gillespie,1972 The Emergence of Capitalism in Early America Christopher W. Calvo,2020-02-03 Due to the enormous influence of Adam Smith's *The Wealth of Nations* on Western liberal economics a tradition closely linked to the United States many scholars assume that early American economists were committed to Smith's ideas of free trade and small government Debunking this belief Christopher W Calvo provides a comprehensive history of the nation's economic thought from 1790 to 1860 tracing the development of a uniquely American understanding of capitalism *The Emergence of Capitalism in Early America* shows how American economists challenged adjusted and adopted the ideas of European thinkers such as Adam Smith David Ricardo and Thomas Malthus to suit their particular interests Calvo not only explains the divisions between American free trade and the version put forward by Smith but he also discusses the sharp differences between northern and southern liberal economists Emergent capitalism fostered a dynamic discourse in early America including a homegrown version of socialism burgeoning in antebellum industrial quarters as well as a reactionary brand of conservative economic thought circulating on slave plantations across the Old South This volume also traces the origins and rise of nineteenth century protectionism a system that Calvo views as the most authentic expression of American political economy Finally Calvo examines early Americans awkward relationship with capitalism's most complex institution finance Grounded in the economic debates Atlantic conversations political milieu and material realities of the antebellum era this book demonstrates that American thinkers fused different economic models assumptions and interests into a unique hybrid capitalist system that shaped the trajectory of the nation's economy The Mind of the Master Class Elizabeth Fox-Genovese,Eugene D.

Genovese,2005-10-17 *The Mind of the Master Class* tells of America's greatest historical tragedy It presents the slaveholders as men and women a great many of whom were intelligent honorable and pious It asks how people who were admirable in so many ways could have presided over a social system that proved itself an enormity and inflicted horrors on their slaves The South had formidable proslavery intellectuals who participated fully in transatlantic debates and boldly challenged an ascendant capitalist free labor society Blending classical and Christian traditions they forged a moral and political philosophy designed to sustain conservative principles in history political economy social theory and theology while translating them into political action Even those who judge their way of life most harshly have much to learn from their probing moral and political reflections on their times and ours beginning with the virtues and failings of their own society and culture **The**

Transformation of Theology, 1830-1890 Charles D. Cashdollar,2014-07-14 Charles Cashdollar reinterprets nineteenth century British and American Protestant thought by identifying positivism as the central intellectual issue of the era Positivism meant at first the ideas of the French thinker Auguste Comte later in the century the term indicated a more general opposition to supernatural religion Cashdollar shows that contemporary thinkers recognized positivism at each of

these stages as the most fundamental of the proliferating challenges to religious belief He further reveals how the encounter with positivism altered Protestant orthodoxy in both subtle and radical ways Positivists denied that humans could know anything other than physical phenomena Declaring many orthodox beliefs archaic they proposed a new ethically based vision of service to humanity After portraying the dissemination of these positions among British and American Protestants the author explains how each of several groups reacted A few theologians rejected positivism outright but many more responded by recasting their own beliefs The implications of this story of change extend to such topics as Darwinism Biblical criticism the rise of the social sciences theological liberalism and the Social Gospel the beginnings of fundamentalism and the twentieth century debate about creationism and science Originally published in 1989 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Conjectures of Order Michael O'Brien, 2004-03-01 In this magisterial history of intellectual life Michael O'Brien analyzes the lives and works of antebellum Southern thinkers and reintegrates the South into the larger tradition of American and European intellectual history O'Brien finds that the evolution of Southern intellectual life paralleled and modified developments across the Atlantic by moving from a late Enlightenment sensibility to Romanticism and lastly to an early form of realism Volume 1 describes the social underpinnings of the Southern intellect by examining patterns of travel and migration the formation of ideas on race gender ethnicity locality and class and the structures of discourse expressed in manuscripts and print culture In Volume 2 O'Brien looks at the genres that became characteristic of Southern thought Throughout he pays careful attention to the many individuals who fashioned the Southern mind including John C. Calhoun, Louisa McCord, James Henley Thornwell, and George Fitzhugh Placing the South in the larger tradition of American and European intellectual history while recovering the contributions of numerous influential thinkers and writers O'Brien's masterwork demonstrates the sophistication and complexity of Southern intellectual life before 1860

Protestants in an Age of Science Theodore Dwight Bozeman, 2012-12-01 Since Princeton College and Princeton Seminary were major radii of Realist influence the conservative Presbyterianism headquartered there is an ideal choice for a case study in the American impact of Baconianism Presbyterian thinkers already committed to a synthesis of Protestant religion and Newtonian science were afforded with additional means of elaborating a doxological version of natural science and of defending it against naturalism and other enemies of Christian faith Originally published in 1977 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback

formats bringing readers both historical and cultural value *Fears and Fascinations* Thomas Fredrick Haddox,2005

Looking at the works of diverse writers as the gens de couleur libre poets of antebellum New Orleans this book focuses on the shifting and contradictory ways Catholicism has signified within southern literature and culture It contributes to a more nuanced understanding of American and southern literary and cultural history *A Socialist Utopia in the New South* William Fitzhugh Brundage,1996 A definitive account of the Ruskin colonies and of their place in the larger social radical strivings of the late nineteenth and early twentieth centuries Well written and solidly researched it gives us an understanding of an important quest for heaven on earth Edward K Spann author of *Brotherly Tomorrows* Movements for a Cooperative Society in America 1820 1920 This first book length study of the Ruskin colonies shows how several hundred utopian socialists gathered as a cooperative community in Tennessee and Georgia in the late nineteenth century The communitarians noble but fatally flawed act of social endeavor revealed the courage and desperation they felt as they searched for alternatives to the chaotic and competitive individualism of the age of robber barons and for a viable model for a just and humane society at a time of profound uncertainty about public life in the United States **Gospel of Disunion** Mitchell Snay,2014-02-01 The centrality of religion in the life of the Old South the strongly religious nature of the sectional controversy over slavery and the close affinity between religion and antebellum American nationalism all point toward the need to explore the role of religion in the development of southern sectionalism In *Gospel of Disunion* Mitchell Snay examines the various ways in which religion adapted to and influenced the development of a distinctive southern culture and politics before the Civil War adding depth and form to the movement that culminated in secession From the abolitionist crisis of 1835 through the formation of the Confederacy in 1861 Snay shows how religion worked as an active agent in translating the sectional conflict into a struggle of the highest moral significance At the same time the slavery controversy sectionalized southern religion creating separate institutions and driving theology further toward orthodoxy By establishing a biblical sanction for slavery developing a slaveholding ethic for Christian masters and demonstrating the viability of separation from the North through the denominational schisms of the 1830s and 1840s religion reinforced central elements in southern political culture and contributed to a moral consensus that made secession possible *Catholicism and American Freedom: A History* John T. McGreevy,2004-09-17 A brilliant book which brings historical analysis of religion in American culture to a new level of insight and importance New York Times Book Review *Catholicism and American Freedom* is a groundbreaking historical account of the tensions and occasional alliances between Catholic and American understandings of a healthy society and the individual person including dramatic conflicts over issues such as slavery public education economic reform the movies contraception and abortion Putting scandals in the Church and the media s response in a much larger context this stimulating history is a model of nuanced scholarship and provocative reading *The Panic of 1857 and the Coming of the Civil War* James L. Huston,1999-03-01 In the autumn of 1857 sustained runs on New York banks led to a panic atmosphere

that affected the American economy for the next two years In The Panic of 1857 and the Coming of the Civil War James L. Huston presents an exhaustive analysis of the political social and intellectual repercussions of the Panic and shows how it exacerbated the conflict between North and South The panic of 1857 initiated a general inquiry between free traders and protectionists into the deficiencies of American economic practices A key aspect of this debate was the ultimate fate of the American worker an issue that was given added emphasis by a series of labor demonstrations and strikes In an attempt to maintain the material welfare of laborers northerners advocated a program of high tariffs free western lands and education But these proposals elicited the opposition of southerners who believed that such policies would not serve the needs of the slaves system Indeed many people of the period saw the struggle between North and South as an economic one whose outcome would determine whether laborers would be free and well paid or degraded and poor Politically the Panic of 1857 resurrected economic issues that had characterized the Whig Democratic party system prior to the 1850s Southerners observing the collapse of northern banks believed that they could continue to govern the nation by convincing northern propertied interests that sectionalism had to be ended in order to ensure the continued profitability of intersectional trade In short they hoped for a marriage between the Yankee capitalist and the southern plantation owner However in northern states the Panic had made the Whig program of high tariffs a national bank and internal improvements popular with distressed members of the community The country's old line Whigs and nativists were particularly affected by the state of economic affairs When Republicans moved to adopt a portion of the old Whig program conservatives found the attraction irresistible By maintaining their new coalition with conservatives and by exploiting the weaknesses of the Buchanan administration the Republicans managed to capture the presidency in 1860 No other book examines in such detail the political ramifications of the Panic of 1857 By explaining how the economic depression influenced the course of sectional debate Huston has made an important and much needed contribution to Civil War historiography

Catholicism and American Freedom John T. McGreevy, 2003 For two centuries Catholicism has played a profound and largely unexamined role in America's political and intellectual life Emphasizing the community over the individual Catholics have alternately challenged and supported American liberals on a variety of controversial issues including slavery public education economic reform the movies contraception the nuclear arms race and abortion The story of Catholicism is also international as Catholics and non Catholics reacted to people ideas and events abroad from the 1848 revolutions to the rise of European fascism in the 1930s and the Second Vatican Council in the 1960s This history of both Catholicism and anti Catholicism puts the sexual abuse scandal in the Church of the early 21st century and the media's response into a larger context

Militarism, Imperialism, and Racial Accommodation Stanford M. Lyman, 1992-01-01 1993 Mid South Sociological Association Book Award Robert E. Park has long been recognized as one of the most influential thinkers in early American sociology yet virtually all of his works appearing before 1913 were published in popular magazines and were dismissed as nonsociological muckraking In Militarism

Imperialism and Racial Accommodation An Analysis and Interpretation of the Early Writings of Robert E Park Stanford M Lyman examines and reprints many of these little known works including Park s essays on German military organization his expos s of the atrocities committed by Belgium s Leopold II in the Congo State his studies of the black community in Winston Salem North Carolina and of Booker T Washington s agricultural education program at Tuskegee Alabama Lyman shows clearly that Park s essays written outside the academy formulated a far more complex perspective on modern modes of evil than any proposed by his contemporaries thereby influencing sociological debates for decades to come By writing his essays on topical subjects and by publishing them for a public audience Park dramatized his profound belief that the struggle to achieve racial accommodation and to establish a true and lasting democracy is a concern for all

The Ideology of Slavery
Drew Gilpin Faust,1981-09-01 In one volume these essentially unabridged selections from the works of the proslavery apologists are now conveniently accessible to scholars and students of the antebellum South The Ideology of Slavery includes excerpts by Thomas R Dew founder of a new phase of proslavery militancy William Harper and James Henry Hammond representatives of the proslavery mainstream Thornton Stringfellow the most prominent biblical defender of the peculiar institution Henry Hughes and Josiah Nott who brought would be scientism to the argument and George Fitzhugh the most extreme of proslavery writers The works in this collection portray the development mature essence and ultimate fragmentation of the proslavery argument during the era of its greatest importance in the American South Drew Faust provides a short introduction to each selection giving information about the author and an account of the origin and publication of the document itself Faust s introduction to the anthology traces the early historical treatment of proslavery thought and examines the recent resurgence of interest in the ideology of the Old South as a crucial component of powerful relations within that society She notes the intensification of the proslavery argument between 1830 and 1860 when southern proslavery thought became more systematic and self conscious taking on the characteristics of a formal ideology with its resulting social movement From this intensification came the pragmatic tone and inductive mode that the editor sees as a characteristic of southern proslavery writings from the 1830s onward The selections introductory comments and bibliography of secondary works on the proslavery argument will be of value to readers interested in the history of slavery and of nineteenth century American thought

A Companion to Vergil's Aeneid and its Tradition Joseph Farrell,Michael C. J. Putnam,2014-01-28 A Companion to Vergil s Aeneid and its Tradition presents a collection of original interpretive essays that represent an innovative addition to the body of Vergil scholarship Provides fresh approaches to traditional Vergil scholarship and new insights into unfamiliar aspects of Vergil s textual history Features contributions by an international team of the most distinguished scholars Represents a distinctively original approach to Vergil scholarship

Slavery in America
Kenneth Morgan,2005 Designed specially for undergraduate course use this new textbook is both an introduction to the study of American slavery and a reader of core texts on the subject No other volume that combines both primary and

secondary readings covers such a span of time from the early seventeenth century to the Civil War The book begins with a substantial introduction to the entire volume that gives an overview of slavery in North America Each of the twelve chapters that follow has an introduction that discusses the leading secondary books and articles on the topic in question followed by an essay and three primary documents Questions for further study and discussion are included in the chapter introduction while further readings are suggested in the chapter bibliography Topics covered include slave culture the slave based economy slavery and the law slave resistance pro slavery ideology abolition and emancipation The essays by such eminent historians as Drew Gilpin Faust Don E Fehrenbacher Eric Foner John Hope Franklin and Sylvia R Frey have been selected for their teaching value and ability to provoke discussion Drawing on black and white male and female experiences the primary documents come from a wide variety of sources diaries letters laws debates oral testimonies travelers accounts inventories journals autobiographies petitions and novels

The Founders and the Classics Carl J. Richard, 1995-08-11 The influence of Greek and Roman authors on our American forefathers finally becomes clear in this fascinating book the first comprehensive study of the founders classical reading

"Liberty to the Downtrodden" Matthew J. Grow, 2009-02-01 Thomas L Kane 1822-1883 a crusader for antislavery womens rights and the downtrodden rose to prominence in his day as the most ardent and persuasive defender of Mormons religious liberty Though not a Mormon Kane sought to defend the much reviled group from the Holy War waged against them by evangelical America His courageous personal intervention averted a potentially catastrophic bloody conflict between federal troops and Mormon settlers in the now nearly forgotten Utah War of 1857-58 Drawing on extensive newly available archives this book is the first to tell the full story of Kanes extraordinary life The book illuminates his powerful Philadelphia family his personal life and eccentricities his reform achievements his place in Mormon history and his career as a Civil War general Further the book revises previous understandings of nineteenth century reform showing how Kane and likeminded others fused Democratic Party ideology anti evangelicalism and romanticism

Science and Medicine in the Old South Ronald Numbers, Todd L. Savitt, 1999-03-01 With a few notable exceptions historians have tended to ignore the role that science and medicine played in the antebellum South The fourteen essays in *Science and Medicine in the Old South* help to redress that neglect by considering scientific and medical developments in the early nineteenth century South and by showing the ways in which the South s scientific and medical activities differed from those of other regions The book is divided into two sections The essays in the first section examine the broad background of science in the South between 1830 and 1860 the second section addresses medicine specifically The essays frequently counterpoint each other In the first section Ronald Numbers and Janet Numbers argue that the South s failure to keep pace with the North in scientific areas resulted from demographic factors William Scarborough asserts that slavery produced a social structure that encouraged agricultural and political careers rather than scientific and industrial ones Charles Dew offers a strong indictment of slavery suggesting that the conservative influence of the institution

severely discouraged the adoption of modern technologies Other essays examine institutions of higher learning in the South southern scientific societies and the relationship between science and theology The section on medicine in the Old South also examines the ways in which the medical needs and practices of the Old South were both similar to and distinct from those of other regions K David Patterson argues that slavery in effect imported African diseases into the Southeast and created a modified West African disease environment James H Cassedy points out that land management policies determined by slavery land clearing soil exhaustion also helped created a distinctive disease environment Other contributors discuss southern public health problems domestic medicine slave folk beliefs and the special medical needs of blacks Science and Medicine in the Old South is a long overdue examination of these segments of the southern cultural milieu These essays will do much to clarify misconceptions about the time and the region moreover they suggest directions for future research

The Collapse Of Orthodoxy The Intellectual Ordeal Of George Frederick Holmes Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Collapse Of Orthodoxy The Intellectual Ordeal Of George Frederick Holmes PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization

of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Collapse Of Orthodoxy The Intellectual Ordeal Of George Frederick Holmes PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The Collapse Of Orthodoxy The Intellectual Ordeal Of George Frederick Holmes free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About The Collapse Of Orthodoxy The Intellectual Ordeal Of George Frederick Holmes Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Collapse Of Orthodoxy The Intellectual Ordeal Of George Frederick Holmes is one of the best book in our library for free trial. We provide copy of The Collapse Of Orthodoxy The Intellectual Ordeal Of George Frederick Holmes in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Collapse Of Orthodoxy The Intellectual Ordeal Of George Frederick Holmes. Where to download The Collapse Of Orthodoxy The Intellectual Ordeal Of George Frederick Holmes online for free? Are you looking for The Collapse Of Orthodoxy The Intellectual Ordeal Of George Frederick Holmes PDF? This is definitely going to save you time and cash in something you should think about.
