until her husband's infatuation with a wealthy imposing aristocratic society hostess threw her life into chaos Through dedicated research and unparalleled access to Jane Welsh Carlyle's private correspondence Chamberlain presents an elegant portrait of an extraordinary woman Sparkles with the wit and intelligence of the subject herself If you think as I originally did that you have no particular interest in the life of Jane Carlyle read this you will be captivated Elizabeth Strout Pulitzer Prize winning author of *Lucy by the Sea* Compelling illuminates the outwardly decorous but often inwardly tempestuous lives of Victorian women The New Yorker Chamberlain Jane's latest and incomparably best biographer gives us at last a Jane Carlyle who seems thrillingly alive Christian Science Monitor

The Selected Papers of Jane Addams: Vol. 2 Jane Addams, 2010-10-01 Venturing into Usefulness the second volume of *The Selected Papers of Jane Addams* documents the experience of this major American historical figure intellectual social activist and author between June 1881 when at twenty one she had just graduated from Rockford Female Seminary and early 1889 when she was on the verge of founding the Hull House settlement with Ellen Gates Starr During these years she was developing into the social reformer and advocate of women's rights socioeconomic justice and world peace she would eventually become She evolved from a high minded but inexperienced graduate of a women's seminary into an educated woman and seasoned traveler well exposed to elite culture and circles of philanthropy Artfully annotated *The Selected Papers of Jane Addams* offers an evocative choice of correspondence photographs and other primary documents presenting a multi layered narrative of Addams's personal and emerging professional life Themes inaugurated in the previous volume are expanded here including dilemmas of family relations and gender roles the history of education the dynamics of female friendship religious belief and ethical development changes in opportunities for women and the evolution of philanthropy social welfare and reform ideas *Humanities*, 1991
