#### The Collected Short Works 1920 1954:

The Collected Short Works, 1920-1954 Bess Streeter Aldrich, 1999-01-01 During the first half of the twentieth century Bess Streeter Aldrich became one of the most highly paid and widely read American authors of her time Among the most noteworthy of frontier writers Aldrich published her short work in such leading magazines as Cosmopolitan Colliers Ladies Home Journal Good Housekeeping and the Saturday Evening Post Her most famous novel A Lantern in Her Hand has remained a favorite since it was first published in 1928 All of her subsequent novels were also bestsellers Aldrich s portrayals of pioneers farm people and small town traders their spirit and enterprise won the admiration of the nation Unlike such contemporaries as Sinclair Lewis and Hamlin Garland Aldrich saw the better side of Main Street Honesty hard work friendship and family life are constant themes in her writings This second volume of The Collected Short Works brings together over thirty of Aldrich's short stories and essays published between 1920 and 1954 the year of her death With this collection Aldrich's admirers have ready access to many hard to find works. Some of the stories appear here for the first time Short Story Index ,2004 **Crisscrossing Borders in Literature of the American** since their original publication West R. Dyck, C. Reutter, 2009-03-02 In one consequential volume Crisscrossing Borders in Literature of the American West presents the cross section of a fast changing and greatly expanded field Through interdisciplinary essays this volume on the post national West challenges the idea of a unified national story sustained by strategic exclusions Contributors analyze the economic and environmental exploitation depicted in working class Western literature emphasize the transnational by approaching both the North South and cross Atlantic axes grapple with the role of Mormons and dissect the new masculinity of Silicon Gunslingers Each essay successfully and compellingly models a new and fruitful way of engaging the West The British National Bibliography Arthur James Wells, 2002 Annals of Iowa ,2001 *Guide to Reprints* ,2009 of the Crane Pamela J. Jensen, 2000 In the centuries since sandhill cranes and other large wading birds have been present on this earth someone has finally compiled a book about the folklore of these birds Legends of the Crane by author Pamela J Jensen is a delightful extensively researched hardcover book with over 120 poems and stories about cranes herons egrets and storks and includes 47 original color pieces of artwork The original cover artwork was especially painted for this book from noted Washington State artist Doug Miller Cranes are worldwide globally existing on five of the seven continents and Legends of the Crane reflects this by including poems and stories from North America Asia Africa and Australia Readers can ponder on poetry from early century China and Japan a classical story about whooping cranes from Marjorie Kinnan Rawlings The Yearling fables from Hans Christian Andersen or features from modern day poets and writers Each poem and story not only uniquely describes the birds flight dance or cry but also their habitat Like the poems and stories that have remained timeless over the centuries and retold in Legends of the Crane this book will also be read and re read and thoroughly enjoyed many times over The New York Times Book Reviews 2000 New York Times Staff, 2001 This anthology examines Love s

Labours Lost from a variety of perspectives and through a wide range of materials Selections discuss the play in terms of historical context dating and sources character analysis comic elements and verbal conceits evidence of authorship performance analysis and feminist interpretations Alongside theater reviews production photographs and critical commentary the volume also includes essays written by practicing theater artists who have worked on the play An index by name literary work and concept rounds out this valuable resource **Book Review Index** ,2003 Vols 8 10 of the 1965 1984 master cumulation constitute a title index American Book Publishing Record ,1999 Cumulated Index to the Books Italian Literature since 1900 in English Translation 1929-2016 Robin Healey, 2019-03-07 Providing the most complete record possible of texts by Italian writers active after 1900 this annotated bibliography covers over 4 800 distinct editions of writings by some 1 700 Italian authors Many entries are accompanied by useful notes that provide information on the authors works translators and the reception of the translations This book includes the works of Pirandello Calvino Eco and more recently Andrea Camilleri and Valerio Manfredi Together with Robin Healey's Italian Literature before 1900 in English Translation also published by University of Toronto Press in 2011 this volume makes comprehensive information on translations from Italian accessible for schools libraries and those interested in comparative literature **Print and the Digital World** Professor Kathryn Sutherland, Professor Marilyn Deegan, 2012-10-01 Traditional critical editing defined by the paper and print limitations of the book is now considered by many to be inadequate for the expression and interpretation of complex works of literature At the same time digital developments are permitting us to extend the range of text objects we can reproduce and investigate critically not just books but newspapers draft manuscripts and inscriptions on stone Some exponents of the benefits of new information technologies argue that in future all editions should be produced in digital or online form By contrast others point to the fact that print after more than five hundred years of development continues to set the agenda for how we think about text even in its non print forms This important book brings together leading textual critics scholarly editors technical specialists and publishers to discuss whether and how existing paradigms for developing and using critical editions are changing to reflect the increased commitment to and assumed significance of digital tools and methodologies What's Up Doc? ,1997 The Ruling Passion Christopher Lane, 1995 In The Ruling Passion Christopher Lane examines the relationship between masculinity homosexual desire and empire in British colonialist and imperialist fictions at the turn of the twentieth century Ouestioning the popular assumption that Britain s empire functioned with symbolic efficiency on sublimated desire this book presents a counterhistory of the empire s many layers of conflict and ambivalence Through attentive readings of sexual and political allegory in the work of Kipling Forster James Beerbohm Firbank and others and deft use of psychoanalytic theory The Ruling Passion interprets turbulent scenes of masculine identification and pleasure power and mastery intimacy and antagonism By foregrounding the shattering effects of male homosexuality and interracial desire and by insisting on the centrality of unconscious fantasy and the death drive The

Ruling Passion examines the startling recurrence of colonial failure in narratives of symbolic doubt and ontological crisis Lane argues compellingly that Britain can progress culturally and politically only when it has relinquished its residual fantasies of global mastery
