Wolitz, 2013-12-06 Nobel Prize winning author Isaac Bashevis Singer stands virtually alone among prominent writers for being more widely known through translations of his work than through the original texts Yet readers and critics of the Yiddish originals have long pointed out that the English versions are generally shortened often shorn of much description and religious matter and their perspectives and denouements are significantly altered In short they turn the Yiddish author into a Jewish American English writer detached from of his Eastern European Jewish literary and cultural roots By contrast this collection of essays by leading Yiddish scholars seeks to recover the authentic voice and vision of the writer known to his Yiddish readers as Yitskhok Bashevis The essays are grouped around four themes The Yiddish language

and the Yiddish cultural experience in Bashevis's writings Thematic approaches to the study of Bashevis's literature Bashevis's interface with other times and cultures Interpretations of Bashevis's autobiographical writings A special feature of this volume is the inclusion of Joseph Sherman's new faithful translation of a chapter from Bashevis's Yiddish underworld novel *Yarme and Keyle* [Isaac Bashevis Singer: His Work and his World](#) Hugh Denman,2021-12-28 A quarter of a century after Isaac Bashevis Singer was awarded the Nobel Prize for Literature it is time to take stock of his achievement Penetrating studies of his fictional and autobiographical works by leading scholars in the field reveal that for all the acclaim he has received on the basis of the English versions of his works no adequate evaluation of Bashevis's significance can be made without careful examination of the original Yiddish texts Critical readings assess inter alia his themes and motifs the impact of Kabbalah on his work reflections of society in his original Polish homeland as well as his place within the context of contemporary Jewish American letters and the canon of modern Yiddish and Hebrew writing [Moments of Magical Realism in US Ethnic Literatures](#) R. Perez,2012-12-06 A collection of essays that explores magical realism as a momentary interruption of realism in US ethnic literature showing how these moments of magic realism serve to memorialize address and redress traumatic ethnic histories [Katherine Anne Porter: Collected Stories and Other Writings \(LOA #186\)](#) Katherine Anne Porter,2008-09-18 The Pulitzer Prize and National Book Award winning volume of writings from the author of *Pale Horse Pale Rider* now combined with little known works of prose for the very first time Eudora Welty said that Katherine Anne Porter writes stories with a power that stamps them to their very last detail on the memory Set in her native Texas and her beloved Mexico prewar Nazi Germany and the gothic Old South they are stories of love outrage betrayal and spiritual reckoning that are severe but never cruel and always exquisitely precise They number fewer than thirty but as Robert Penn Warren commented many are unsurpassed in modern fiction The Library of America now reprints the landmark 1965 volume *The Collected Stories of Katherine Anne Porter* which features tales like *Pale Horse Pale Rider* and *Flowering Judas* and pairs it with a completely new selection from Porter's long out of print short prose Expanding the contents of her 1952 collection *The Days Before* to include both early journalism and major pieces from her final three decades the prose works collected here are grouped in four parts critical essays on writers she loved and learned from including James Cather Lawrence and Colette personal essays and speeches on such topics as the craft of writing her own work women in myth and in history and American politics essays and reports on Mexican life letters and revolution and two previously uncollected forays into autobiography LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing and keeping permanently in print America's best and most significant writing The Library of America series includes more than 300 volumes to date authoritative editions that average 1 000 pages in length feature cloth covers sewn bindings and ribbon markers and are printed on premium acid free paper that will last for centuries [Sherwood Anderson: Collected Stories \(LOA #235\)](#) Sherwood Anderson,2012-12-27 The first complete

anthology of short stories by the creator of the American short story includes the landmark collection *Winesburg, Ohio*. Michael Dirda, Pulitzer Prize-winning book critic, wrote in the winter of 1912 that Sherwood Anderson, 1876-1941, abruptly left his office and spent three days wandering through the Ohio countryside, a victim of nervous exhaustion. Over the next few years, abandoning his family and his business, he resolved to become a writer. Novels and poetry followed, but it was with the story collection *Winesburg, Ohio* that he found his ideal form, remaking the American short story for the modern era. Hart Crane, one of the first to recognize Anderson's genius, quickly hailed his accomplishment: "America should read this book on her knees." Here, for the first time in a single volume, are all the collections Anderson published during his lifetime: *Winesburg, Ohio* (1919), *The Triumph of the Egg* (1921), *Horses and Men* (1923), and *Death in the Woods* (1933), along with a generous selection of stories left uncollected or unpublished at his death. Exploring the hidden recesses of small-town life, these haunting, understated, often sexually frank stories pivot on seemingly quiet moments when lives change, futures are recast, and pasts come to reckon. They transformed the tone of American storytelling, inspiring writers like Hemingway, Faulkner, and Mailer, and defining a tradition of midwestern fiction that includes Charles Baxter, editor of this volume. *The Civil War: The First Year Told by Those Who Lived It* (LOA #212) Brooks D. Simpson, Stephen W. Sears, Sheehan-Dean Aaron, 2011-02-03. The first volume in a four-volume series on the American Civil War featuring first-hand writings from Ulysses S. Grant, Robert E. Lee, Abraham Lincoln, and more. This mesmerizing and deeply troubling glimpse into the Civil War era will forever deepen the way you see this central chapter in our history, a masterpiece. *Newsweek*: "After 150 years, the Civil War is still our greatest national drama, at once heroic, tragic, and epic, our Iliad but also our Bible, a story of sin and judgment, suffering and despair, death and resurrection in a new birth of freedom." Drawn from letters, diaries, speeches, articles, poems, songs, military reports, legal opinions, and memoirs, *The Civil War: The First Year* gathers over 120 pieces by more than sixty participants to create a unique firsthand narrative of this great historical crisis. Beginning on the eve of Lincoln's election in November 1860 and ending in January 1862 with the appointment of Edwin M. Stanton as secretary of war, this volume presents writing by figures well known (Ulysses S. Grant, Robert E. Lee, Mary Chesnut, Frederick Douglass, and Lincoln himself) among them, and less familiar like proslavery advocate J. D. B. DeBow, Lieutenants Charles B. Haydon of the 2nd Michigan Infantry and Henry Livermore Abbott of the 20th Massachusetts Volunteer Infantry Regiment, and plantation mistresses Catherine Edmondston of North Carolina and Kate Stone of Mississippi. Together, the selections provide a powerful sense of the immediacy, uncertainty, and urgency of events as the nation was torn asunder. Includes headnotes, a chronology of events, biographical

and explanatory endnotes full color hand drawn endpaper maps and an index Companion volumes will gather writings from the second third and final years of the conflict LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation s literary heritage by publishing and keeping permanently in print America s best and most significant writing The Library of America series includes more than 300 volumes to date authoritative editions that average 1 000 pages in length feature cloth covers sewn bindings and ribbon markers and are printed on premium acid free paper that will last for centuries
