Collecting souls whether it be to trade them for something better or resell at a net profit makes for a good time because we all know that SOULS are not real RIGHHHHHHTTTTTT HAAAAHA on a more serious note when you buy a soul there is always someone that will want it back and if they follow the rules they can. This book contains 133 Soul Collection Pages. The rules can be changed just change them but when you do you must make it known and in writing when buying a soul what the conditions are. Trade a soul the conditions must be known. Remember if the Paper which is signed by the seller gets destroyed the soul returns to the original owner. Then there's her sometime partner agent Falin Andrews who is under the glamour of the Winter Queen. To top everything off her best friend has been forever changed by her time spent captive in Faerie. But the personal takes a backseat to the professional when a string of suicides occur in Nekros City and Alex is hired to investigate. The shades have no memory of the days leading up to their
