Comedy at the Edge

Richard Zoglin, 2009-02-10

Surveys the stand-up comedy of the 1970s, citing the contributions of celebrity comics from George Carlin and Richard Pryor to Robin Williams and Andy Kaufman, in an account that also evaluates the roles played by such clubs as Catch a Rising Star, the Improv, and the Comedy Store.

Television Variety Shows David M.

Inman, 2014-12-03

For the few hundred television viewers in 1946, a special treat on the broadcast schedule was the variety show called *Hour Glass*. It was the first TV program to go beyond talking heads, cooking demonstrations, and sporting events, featuring instead dancers, comics, singers, and long commercials for its sponsor, Chase and Sanborn coffee. Within two years, another variety show, *Texaco Star Theatre*, became the first true television hit and would be credited with the sales of thousands of television sets. The variety show formula was a staple of television in its first 30 years, in part because it lent itself to a medium where everything had to be live and preferably inside a studio. Most of the early television stars, including Jackie Gleason, Milton Berle, Sid Caesar, Ed Sullivan, Red Skelton, Dinah Shore, and Arthur Godfrey, rose to prominence through weekly variety shows. In the 1960s, major stars such as Jerry Lewis, Dean Martin, Judy Garland, and Danny Kaye were hosting variety shows. By the 1970s, the format was giving way to sitcoms and dramas, but pop music stars Sonny and Cher, Tony Orlando and Dawn, and Donny and Marie Osmond hosted some of the last of the species. This book details 57 variety shows from the 1940s through the 1990s. A history of each show is first provided, followed by a brief look at each episode, air date, guest stars, sketches performed, and a listing of songs featured are included.

Punchlines Leon Rappoport, 2005-10-30

The concept of ethnic, racial, and gender humor is as sensitive a subject today as it has ever been. Yet at no time in the past have we had such a quantity of this humor circulating throughout society. We can see the power of such content manifested

continually in our culture's films and stand up comedy routines as well as on popular TV sitcoms where Jewish black Asian Hispanic and gay characters and topics have seemingly become essential to comic scenarios Though such humor is often cruel it can be a source of pride and play among minorities women and gays Leon Rappoport's incisive account takes an in depth look at ethnic racial and gender humor Despite the polarization that is often apparent in the debates such humor evokes the most important melting pot in this country may be the one that we enter when we share a laugh at ourselves
