**Gardeners' Chronicle of America** ,1910     *The Preaching of the Third Crusade (1187-1192)* Alexander Marx, 2024-12-23 This book delivers the first substantial study of the preaching of the Third Crusade 1187-92 It assembles c 200 sermon texts and c 100 manuscripts to understand the explosive dynamic of mobilization in the Latin West Dealing with the essential fact that a genre called crusade sermon did not exist it develops methodological devices for identifying sermons relevant for the crusading purpose The book contests thus the modern historiography which has placed too much trust in the few chronicle reports However its fruitful blending of crusading preaching exegesis manuscript studies and intellectual history has much to offer beyond crusade studies     **The Sources for the Early History of Ireland: an Introduction and Guide** James Francis Kenney, 1929
