What should Christians make of the rapidly spreading speculations that the world will end on December 21, 2012? The ancient Mayans were expert astronomers and their advanced calendar cycles predict 12/21/2012 as a catastrophic day of apocalypse. This prophecy has spawned a growing number of fringe element books, Web sites and even a major movie complete with all star cast scheduled to release in July 2009. Missing in the furor is a biblical perspective. Bible teacher Mark Hitchcock whose books have sold more than 300,000 copies examines the following questions: Why December 21, 2012? Can we trust the Mayan alarm clock? Does the Bible say anything about 2012? What signs will tell us that Armageddon is near? This book provides a fascinating survey of both the historical past and the prophetic future. Readers will discover how to effectively counter baseless speculation with biblical fact. **Right-Wing Populism in America** Chip Berlet, Matthew N. Lyons, 2016-05-06 Right wing militias and other antigovernment organizations have received heightened public attention since the Oklahoma City bombing. While such groups are often portrayed as marginal extremists, the values they espouse have influenced mainstream politics and culture far more than most Americans realize. This important volume offers an in depth look at the historical roots and current landscape of right wing populism in the United States. Illuminated is the potent combination of anti elitist rhetoric, conspiracy theories and ethnic scapegoating that has fueled many political movements from the colonial period to the present day. The book examines

the Jacksonians the Ku Klux Klan and a host of Cold War nationalist cliques and relates them to the evolution of contemporary electoral campaigns of Patrick Buchanan the militancy of the Posse Comitatus and the Christian Identity movement and an array of millennial sects Combining vivid description and incisive analysis Berlet and Lyons show how large numbers of disaffected Americans have embraced right wing populism in a misguided attempt to challenge power relationships in U S society Highlighted are the dangers these groups pose for the future of our political system and the hope of progressive social change Winner Outstanding Book Award Gustavus Myers Center for the Study of Bigotry and Human Rights in North America **Ten Predictions 2018: Plus the US Midterm Election Forecast** John Hogue,2018-02-15 Here are future challenges that will affect your life including Findings in the Muller investigation into Russian Hacks Will Trump be impeached New candidate for Nostradamus Antichrist What Artificial Intelligence really means Will women be empowered Will a celebrity overthrow the current celebrity President Hogue s New Abnormal weather forecast Hollyweird and its witch hunts Are we all too fixated on watching the Korean Peninsula when the real time bomb lighting off World War III lies elsewhere sudden and unexpected Who is Adolf Algorithm hiding behind the successful return of Net Neutrality Finally a detailed astrological forecast predicting who will control US Congress after the US Midterm Election John Hogue is author of over 1 000 articles and 46 published books 1 180 000 copies sold spanning 20 languages He is a world renowned authority on Nostradamus and other prophetic traditions **The Ineffable File** M.
