The Christian Priesthood:

The Christian Priesthood Richard Hitchman,1867 **The Christian Priesthood** Nicholas Lash,Joseph Rhymer,1970

Jesus Our Priest Gerald O'Collins,Michael Keenan Jones,2010-03-18 This present work examines what it means to call Christ our priest in the light of the Scriptures and the Christian tradition Beginning with a study of the biblical material the book then moves to the witness to Christ s priesthood from the Church through its history The Christian Priesthood. A Discourse [on Heb. Xiii. 15, 16]. Patrick Morrison,1867 Heb 13 15 16 1 24 The Christian Priesthood. A Sermon [on 1 Pet. li. 5], Etc Richard Macgregor GRIER,1869 The Christian Priesthood Richard Frederick Littledale,1867 Jesus Our Priest: A Christian Approach to the Priesthood of Christ Gerald O'Collins, SJ,Michael Keenan Jones,2010-03-18 In recent years many books have been published in the area of Christology who is Jesus in himself and soteriology what did he do as Saviour A number of notable ecumenical documents on Christian ministry have also appeared But in all this literature there is surprisingly little reflection on the priesthood of Christ from which derives all ministry whether the priesthood of all the faithful or ministerial priesthood This present work aims to fill that gap by examining in the light of the Scriptures and the Christian tradition what it means to call Christ our priest Beginning with a study of the biblical material the book then moves to the witness to Christ s priesthood coming from the fathers of the Church Thomas Aquinas Luther and Calvin the Council of Trent the seventeenth century French School John Henry Newman Tom Torrance and the Second Vatican Council The two concluding chapters describe and define in twelve theses the key characteristics of Christ s priesthood and what sharing in that priesthood through baptism and ordination involves *A Vindication of the Christian Priesthood: wherein the sacred order and office of bishops, and their spiritual power and authority over the priests and deacons, and the whole laity, is asserted and proved to be of divine institution ...* By a Presbyterian of the Church of England CHRISTIAN PRIESTHOOD.,1718

An Inquiry respecting the character of the Christian Priesthood and of the Christian Ministry Hussey Burgh Macartney,1845 **The Christian Priesthood. A Sermon ... Third Edition** Matthias H. BEAUMONT,1867 **On Christian Priesthood** Robin Ward,2011-10-03 The ideas which have defined and informed Christian priesthood in the past are now called into question more than at any time since the Reformation Is there such a thing as a Christian cult Is Christian worship in any other way sacrificial How can ordained Christians be seen as part of a ministerial priesthood distinct from other believers What does it mean to teach with authority within and on behalf of the Church When Michael Ramsey wrote *The Christian Priest* Today he could assume that the priest would be seen as a man of the Eucharist a confessor an intercessor and an exponent of the Church s teaching In the contemporary Church none of these things can be taken for granted in the same way This book seeks to re-pristinise the doctrine of ministerial priesthood by setting it within the context of fundamental moral theology to recall readers from all Christian traditions to the fundamental soundness of the concept of ministerial priesthood and its importance in contemporary ecumenical dialogue liturgical reform and pastoral planning A

Treatise on the Different Degrees of the Christian Priesthood Hadrianus Saravia, Adrien Saravia, 1840 **Christian Priesthood; a supplement to the Church Catechism. Third edition** CHRISTIAN PRIESTHOOD., 1841 **The Christian Priest Today** Arthur Michael Ramsey, 2012-01-20 Of all the late Michael Ramsey's many books *The Christian Priest Today* is perhaps the best loved and most enduring In this new edition the central part remains unaltered and is composed of charges to ordination candidates with an emphasis on the intellectual and devotional life of the minister in an increasingly self-sufficient world The first chapter has been rewritten and two new chapters added to incorporate recent alterations in the life of the Church the ministry of the laity the theology of priesthood and the roles of bishop and presbyter in the context of the practical meaning of divine vocation *Why the Christian Priesthood is Male* Vigo Auguste Demant, 193? *The Christian Priesthood: a Sermon [on 2 Tim. I. 6, 7] ... With an Appendix on Apostolical Succession, Etc* Henry David JONES, 1870 *The Christian Priesthood, Altar, and Sacrifice. Four Sermons, Etc* Robert LIDDELL (Hon.), 1867 *The Christian Priesthood. A Sermon [on John XX 21, 22] Preached on the Ordination of B. N. Solomon, Etc* Lewis WAY (of Stansted Park, Sussex.), 1821

The Professional and Personal Responsibilities of the Christian Priesthood, Particularly at the Present Time. A Sermon [on 1 Pet. V. 2, 3, 4]. Henry Robert Lloyd, 1842 **My Beloved** S. Joseph Lionel, 2011 The Year of the Priest was celebrated from June 2009 to June 2010 It coincided with the jubilee year in honor of the hundred and fiftieth anniversary of St John Marie Vianney Cur d Ars as he is fondly known is the patron for priests This simple and saintly priest had drawn countless numbers of people to God through his ministry in one of the most challenging periods in history after the French Revolution The insignificant village Ars in the south western corner of France would not have been known at all but for the spiritual fervor and tireless priestly commitment of its cur who brought sinners close to the Sacred Heart of Jesus to experience God's love and forgiveness In 1929 Pope Pius XI declared him as the patron for the parochial clergy soon after his canonization When our Holy Father Pope Benedict XVI declared this jubilee year of St John Marie Vianney as the Year for Priests it opened multitude of new opportunities to learn more about the saint as well as to engage in profound reflection on the theology of priesthood It is personally a reawakening process for thousands of priests to pursue a refreshing meditation on their own identity and spirituality It is all the more important pastorally for Catholics around the world to have deep reflection on their own common priesthood by virtue of their Baptism and the ministerial priesthood as instituted by Christ The declaration of this Jubilee year serves a fertile pastoral ground to instruct and reflect on the theology and ministry of priesthood It promotes greater appreciation for the pastors of souls who are tirelessly serving the flock entrusted to their care in different parts of the world sometimes in most hostile and challenging assignments where their lives are at real risk It promotes greater coordination of the charisms realized among the laity and ecclesiastical offices in the Church because priests and laity together compose one priestly people as highlighted by Benedict XVI in his letter at the inauguration of this Jubilee year It is the author's wish to present this writing with three desired goals 1 a personal spiritual resource both for

priests and laity to deepen their self understanding of the identity 2 an academic scholarly tool to introduce to some deep biblical theological and liturgical foundations of priesthood and finally 3 a pastoral resource to facilitate and coordinate various gifts in the parish context with Christian leadership founded in Scripture theology and the Magisterium Therefore this writing will not only be useful during this year for priests but also valuable as a follow up and on going reflection on the Christian priesthood which is so central in nurturing our life of faith Joseph recommends reading this book together with scripture especially the references cited in each chapter Let the word of Christ dwell in you richly Col 3 16 It could serve as a tool for retreat preachers homily preparation talks seminars spiritual conferences liturgical study groups reflection for parish and diocesan liturgical committees and personal meditation for priests religious missionaries seminarians parish staff and any interested Catholic It could serve as a pastoral resource for religious education programs catechists permanent deacons Charismatic renewal movements and any organizations in the parish or diocese It would help Christian families to promote authentic vocations in their homes and offer spiritual and ministerial support to thousands of priests and religious joyfully engaged in pastoral ministries around the world in the midst of demanding self sacrifice and challenging times especially in mission countries
