The Christie Legacy:

The Christie Affair Nina de Gramont,2022-02-01 Why would the world's most famous mystery writer disappear for eleven days What makes a woman desperate enough to destroy another woman's marriage How deeply can a person crave revenge Sizzles from its first sentence The Wall Street Journal A Reese's Book Club Pick In 1925 Miss Nan O'Dea infiltrated the wealthy rarefied world of author Agatha Christie and her husband Archie In every way she became a part of their life first both Christies Then just Archie Soon Nan became Archie's mistress luring him away from his devoted wife desperate to marry him Nan's plot didn't begin the day she met Archie and Agatha It began decades before in Ireland when Nan was a young girl She and the man she loved were a star-crossed couple who were destined to be together until the Great War a pandemic and shameful secrets tore them apart Then acts of unspeakable cruelty kept them separated What drives someone to murder What will someone do in the name of love What kind of crime can someone never forgive Nina de Gramont's brilliant unforgettable novel explores these questions and more *The Christie Legacy* Jennifer Marshall,2004-02 For twenty-four-year-old Sarah the death of her grandfather triggers a series of events that reveal capabilities she didn't know she had Just as she thought her life was mapped out before her she finds herself faced with a choice that means it will never be the same again For twenty-six-year-old Nathan James the death of Sarah's grandfather signals a whole range of complications that he and his community were hoping they would never have to face Set against the backdrop of the Great Plains of the American mid-west *The Christie Legacy* is a modern-day pioneering story with a difference It marries the complications of a dominant modern world with the simplicity of ethnic existence It is the story of two people and those around them who live worlds and cultures apart whose lives become unavoidably and irrevocably entwined through a series of mystical tender tense and sometimes dangerous events *The Christie Caper* Carolyn G. Hart,2010-08-04 A group of Christie buffs In honor of Agatha Christie's one hundredth birthday mystery bookstore owner Annie Laurance Darling plans a week-long celebration of mystery treasure hunts title clues and Christie trivia Yet even as the champagne is chilling and the happy guests begin arriving on Broward's Rock Island Annie feels a nagging sense of doom But the last thing she or her guests expect is that the scheduled fun and mayhem will include a real-life murder The unexpected arrival of Neil Bledsoe the most despised book critic in America was sure to raise a few hackles An advocate of hard-boiled detection and gory true crime Bledsoe drops a bombshell on the devoted Christie assemblage He's penning a scurrilous biography of the grand dame of suspense herself Before the first title clue is solved no less than two attempts are made on Bledsoe's life Now Annie and her unflappable husband Max Darling find themselves trying to stop a murder in the making only the first corpse isn't the one they're expecting and it isn't the last **Christie: A Family's Tragic Loss and a Mother's Fight for Justice** Anna Leask,Tracey Marceau,2013-04-24 On the morning of 7 November 2011 Tracey Marceau lived every mother's worst nightmare A young man entered her home pushing Tracey to the side before kicking and repeatedly stabbing her daughter

Christie died in her mother's arms Christie's killer Akshay Chand was released on bail just a month earlier for kidnapping Christie during which he threatened to rape and kill her Christie had begged the courts to keep him in custody fearing for her life Her death was entirely preventable Christie is the story of her life the events leading up to her killing and previously untold details of what happened that day Tracey shares how she and the family pulled together amid unthinkable tragedy and got their lives back on track Importantly this book questions how a calculating cold blooded killer could be found not guilty on grounds of insanity and how our country's bail laws could let an ordinary family down so disastrously Raw moving and thought provoking Christie is a tribute to a daughter taken too soon Christie will never be able to tell her story herself But as the mum of such a bright star I will ensure she is heard I will never give up because I know that she never would have Tracey Marceau Royalties from the sale of this book go to The Christie Marceau Charitable Trust

Christie Seigneuries Francoise Noël, 1992-04-01 During the period following New France's fall to the British Lieutenant Colonel Gabriel Christie acquired five seigneuries in the Upper Richelieu Valley They continued to belong to the Christie family until well after the end of seigneurial tenure Seigneurial property rights were used No 1 shows to control access to land timber mill sites and other resources Because of the increasing importance of these resources in the colonial economy the seignury itself began to have a more important impact on the social structure of the colony Significant changes in the management of the Christie Seigneuries came with each generation of the family changes that reflected the personality of the seigneur and the changing socio economic conditions There was however a persistent preoccupation with capitalist exploitation of the seigneur's domain property Accordingly No 1 maintains seigneurial tenure during the century of British colonial administration was important not so much because of its differences from freehold tenure but because of its similarities it could be used by large proprietors to monopolize scarce resources The role of entrepreneurial seigneurs in Lower Canada's socio economic development is thus only one variation of the many forms of interaction between traditional rural economies and the great merchants of the staples trades a historical phenomenon common to all of British North America No 1 also contends that the relationship between seigneur and censitaire was paternalistic operating in much the same way as the paternalism found elsewhere in British North America under other forms of tenure This is a break from conventional English Canadian historiography which sees seigneurial tenure as one of the major distinguishing characteristics of Quebec's history The Christie Seigneuries is one of the few studies in English on the last century of seigneurial tenure in Canada and one of the few to examine a seignury run by the laity rather than by ecclesiastics Putting the seigneuries in a wider context benefits both the history of the seignury and the history of pre industrial Canada
