Midnight Memories Inside the Back Road Café Dale Rominger, 2021-03-18 Dale Rominger has lived a full life rich with experiences garnered from his international travels. In a collection of essays, reflections, and meditations, Rominger captures memories from his childhood and a career that took him around the world and places them alongside musings on his favorite books, films, and television shows. In his writings, Rominger begins with three short essays that reveal his diverse thoughts about memories and then shares chronological reflections that contemplate the meaning of poverty, rant about guns and fame, pay homage to the influence of scientists, philosophers, screenwriters, and storytellers, collect thoughts about human worth, life and death, and document his travels as history and politics unfolded from adventures across the world stage. Throughout his ponderances, Rominger views the troubles of the world with clarity while reminding us that we are more alike than different, no matter where we live or what we believe. *Midnight Memories Inside the Back Road Café* shares musings on memory, language, love, and meaning that reflect on a lifetime of treasured relationships and experiences.
