The Chronicles Of Cain Beginnings One:

The Chronicles of Cain Ken Branscum, 2004-07 Please allow me to introduce myself I am a man yet not a man I possess many things that would constitute wealth and taste The truth of the matter is that these things are items from my past an accumulation that matters only to me I have been around for more years than I care to think of It is my blessing and my curse that I cannot die a fact of ultimate irony since I am being punished in this way for killing my brother Abel But this is not my story That story will come another time This is the story of two other brothers their god and their conflict with Isis herself I bring this journal forth once again to try to break the circle Little is remembered of human history in very ancient times but what has been recorded in the incomplete tomes you know as history has always told of religious struggle for dominance and that the dominating religion destroys all known evidence of any earlier religion in conflict with conquering belief system or ritual practice Even with absolute control is it possible to totally erase the existence of a proceeding civilization or religion I have ensured with this tome that the story of where we came from and where we are going will be re told in its entirety Cain

Race before Us Plammoottil V. Cherian, 2023-08-29 **FINISHING THE RACE** Stimulating theological and packed with fascinating historical details of Human Race from a Biblical perspective author s lively tour of the entire Bible traces the origin of human race from one man whose progeny spread to the entire earth filled the earth established their nations with set boundaries Author establishes the historical account of creation challenging the concept of Darwinian Evolution which claims man is an evolutionary product Author stresses that there is only One God who created the universe the cosmos the planets stars life and the multitude of living species of organisms with the command endowed in their DNA when God said to herbs plants and animals to multiply according to its kind according to their kind which is the basis for biological variation and speciation Whereas God s command to human beings was Be fruitful and multiply fill the earth and subdue it meaning there is only one single race of humanity Author has a profound Christian vision of humanity s temporal and eternal destiny and thus he relates in *Finishing the Race* In an age when truth is relative and vanishing conscience the nations are the crossroads confused about the true direction as nations are estranged from God The present culture is as in the Days of Noah quoting Jesus and citing world events and conditions as signs of the end An end time scenario of world and the second coming of Christ when a northern and a southern army will clash in fierce battle over Jerusalem the Holy City of God the capital of the Messianic Kingdom Not claiming any superiority like many of the past and famous scientists like Galilei Galileo Blaise Pascal Isaac Newton Louis Pasteur Robert Boyle etc Cherian attempt to convince his readers God is in control of human and world affairs and natural events Heaven and hell are not mysterious realms of imagination but true physical entities invisible to human eyes and calls the nations to submit to God who only is the answer to national and global unrest
