The Church And The Sword:

The Church And The Sword G. Russell Evans, 1983 *Constantine's Sword* James Carroll, 2002-04-01 The monumental New York Times bestseller in which a Catholic explores the problem of anti-Semitism through Church history The Washington Post A Los Angeles Times Best Book of the Year and a New York Times Notable Book In this masterly history Time National Book Award winning author James Carroll maps the profoundly troubling two thousand year course of the Church's battle against Judaism and faces the crisis of faith it has provoked in his own life as a Catholic More than a chronicle of religion this dark history is the central tragedy of Western civilization its fault lines reaching deep into our culture The Church's failure to protest the Holocaust the infamous silence of Pius XII is only part of the story the death camps Carroll shows are the culmination of a long entrenched tradition of anti Judaism From Gospel accounts of the death of Jesus on the cross to Constantine's transformation of the cross into a sword to the rise of blood libels scapegoating and modern anti-Semitism Carroll reconstructs the dramatic story of the Church's conflict not only with Jews but with itself Yet in tracing the arc of this narrative he implicitly affirms that it did not necessarily have to be so There were roads not taken heroes forgotten new roads can be taken yet Demanding that the Church finally face this past in full Carroll calls for a fundamental rethinking of the deepest questions of Christian faith Only then can Christians Jews and all who carry the burden of this history begin to forge a new future Carroll discusses the history of Christian Jewish relations honestly touchingly and personally Carroll investigates his own prejudices as a believing Christian a former Catholic priest and a long time civil rights activist As he unearths history using all the best sources he also encounters emotions he didn't realize he had and shows how his historical journey was also a personal pilgrimage of faith Booklist A triumph Atlantic Monthly [The Church and the Sword](#) G. STEPHENSON, 1834 [The Revelation of Jesus Christ to the Church](#) Henry E. Meredith, 2003-10 **Christians, the State, and War** Gordon L. Heath, 2022-03-14 In *Christians the State and War* An Ancient Tradition for the Modern World Gordon Heath argues that the pre-Constantinian Christian testimony regarding the state's just use of violence was remarkably uniform and that it was arguably a Catholic or universal tradition More specifically that tradition had five interrelated and intertwined constitutive areas of consensus that can best be understood as parts of one collective tradition Heath further argues that those five related areas of an early church tradition shaped all subsequent theological developments on views of the state its use of violence and the conditions of Christian participation in said violence Whereas the sorry and sordid instances in the church's history related to violence were times when the church drifted from those convictions of consensus the cases when Christians had a more stellar record of responding to the horrors of the world were times when they lived up to them Consequently the way forward today is for Christians to forgo beginning with the just war pacifist debate and instead to begin by letting their views on war and peace

be shaped by that ancient tradition **Sword's Pocket Almanack** ,1832 *The New Testament ... in the original Greek: with notes and introductions by C. Fitch,2019-07-16 We are living in angry times No matter where we go what we watch or how we communicate our culture is rife with conflict Unfortunately Christians appear to be caught up in the same animosity as the culture at large We are perceived as angry judgmental and defensive fighting among ourselves in various media while the world looks on How have we failed to be a people of reconciliation and renewal in the face of such tumult Claiming that the church has lost itself in the grip of an antagonistic culture David Fitch takes a close look at what drives the vitriol in our congregations He traces the enemy making patterns in church history and diagnoses the divisiveness that marks the contemporary evangelical church Fitch

shows a way for the church to be true to itself unwinding the antagonisms of our day and making space for Christ's reconciling presence in our day to day lives He offers new patterns and practices that move the church beyond making enemies to being the presence of Christ in the world helping us free ourselves from a faith that feeds on division
