The Church Is One:

The Church Is One Richard Bolland, 2018-02-17 When Jesus Christ ascended into heaven He did not leave His Church as a fragmented divided fractured fellowship of His people At that time the Church was truly catholic that is universally uniform in its teaching or doctrine Today s churchly institutions are a poor echo of our Lord s intent for His Church Today s institutional church bodies are not catholic in their understanding of a universally held doctrine taught by Christ and His Apostles Instead they engage in multiple choice truth agree to be in fellowship with those who hold diametrically opposed views of the Christian faith and engage in fellowship at the Lord s Supper that was never intended to accommodate variances of belief at what was to be an earthly expression of penultimate unity in Christ Richard Bolland has written in *The Church Is One* of the true and intended nature of Christ s Church on earth The unity which he describes is a far cry from the subjectivism pluralism and disarray that goes by the name Christian today His is a clarion call to look at the person and nature of God Father Son and Holy Spirit Himself as a model for the unity of the true visible Church on earth Pastor Bolland asserts that God cannot and did not call into being a Church that does not reflect the unity of His own nature For a Holy Righteous and Perfect God to do so would be to violate who He is Bolland insists that to be the true Church on earth she must be united in doctrine practice at the Lord s Table and the font of Holy Baptism Moreover the unity of the true Church should also be united in her most central activity where Word and Sacrament flow to empower all other activities of Christ s Church Her worship In a culture that idolizes personal preferences cultural accommodations and which worships at the false altar of innovation Rev Bolland seek a God pleasing uniformity to the greatest extent possible within Christ s Church He challenges the reader to find his way back to the foot of the Mount of the Ascension and to see the Church our Lord still intends for His people

The Church's One Foundation Is Not Cement James Charis, 2019-07-31 On any

Sunday morning there are millions of people in the U S who go to church many more in the rest of the world They may also have an evening and a weekday service That was my routine for most of my life The writings that follow will seek to draw a comparison between what I will call man s churches and the real Church of Jesus Christ I am not proposing any kind of revolution There will be no ugly criticism just some thoughts I will strive to show that it is a concern to our Lord and Savior Jesus Christ He wants all our love and I feel He is saddened over the heart soul mind and money we have kept from Him Instead we have given these things to the pastors priests rites services budgets and buildings of man s churches

Augustine and the Mystery of the Church James K. Lee,2017-09-01 Over the course of the past two centuries Augustine s ecclesiology has been subject to interpretations that overdraw the distinction between the visible and invisible dimensions of the church sometimes reducing the church to a purely spiritual invisible reality over against the visible church celebrating

the sacraments the empirical community is incidental at best and can be discarded By contrast this book argues that the church is a mystery that is visible and invisible Far from discarding the visible Augustine places greater emphasis on the empirical church as his thought develops This study traces Augustine s ecclesiology from early writings to later works in order to demonstrate this thesis His early thought is heavily influenced by Platonism and tends to focus on the ascent of the individual soul After his study of Scripture in the 390s Augustine gives priority to participation in the visible sacramental community In his mature thought the church is one mystery *mysterium sacramentum* revealed by Scripture with visible and invisible aspects This book explores Augustine s exegesis of biblical images of the church such as body of Christ bride of Christ city of God and sacrifice in order to show how the visible community is intrinsic to the mystery of the church *The one foundation ... The Church the body of Christ, 2 sermons* John Lindsay (F.R.Hist.S.),1883 *Church: One Pilgrim's Progress* David Rowe,2015-12-12 Part memoir part theology this book is an affirming theology of Church built on the stories of one pastor s life in ministry David Rowe has served churches throughout the Northeast His love for Church is grounded in scripture and experience **The Holy Spirit and Spiritual Gifts** Stephen J. Binz,2007-03 The Holy Spirit the Spirit of Jesus dwells among us and showers us with spiritual gifts Here Stephen Binz has chosen key biblical texts to help readers discover how to rekindle the fire of the Holy Spirit and allow Gods Spirit to manifest these divine graces and spiritual gifts more richly within them He shows how the same Spirit who inspired the prophets and evangelists and who filled the life of Jesus now blows within and among all Gods people **The Notes of the Church, as Laid Down by Cardinal Bellarmine** Thomas Tenison,2025-08-03 Reprint of the original first published in 1839 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **Being the Church** Edward Rommen,2017-07-18 If the divine liturgy really is as beautiful as we claim wouldn t more people attend Wouldn t the church grow Driven by our desire for growth we count we analyze we make charts and we strategize but often with few discernible results That is probably the result of focusing on secondary aspects of church life As we know the very existence of a church is a gift of God s presence and not the result of any particular actions taken by human beings For that reason church is primarily about being something rather than doing or achieving something So the growth of the church is not reflected in ever increasing numbers dollars and activities but rather in steadily growing conformity to the divine ideal So in order to evaluate ecclesial growth we will first have to ask what the church is supposed to be One answer to that question is captured in the four marks of the church given in the creed Oneness Holiness Catholicity and Apostolicity These four characteristics serve as a matrix or framework within which we can focus on the primary aspects of ecclesial being and help it grow and become what it was intended to be *Notes for one year's Sunday school lessons* James Maurice Wilson,1906 **The Practical Expression of the Church** Witness Lee,2016-03-01 Witness Lee speaks of the church in *The Practical Expression of the Church* not only from the viewpoint of God s eternal

purpose which is the church triumphant and universal but also from the viewpoint of the believers experience and enjoyment of the riches of Christ which produces a local expression of the church an expression that displays the oneness of the Body of Christ and brings in God s commanded blessing Psalm 133 *The Church of England Magazine* ,1854
