The contributions attempt to make sense of European Union law, reflecting Bruno's mission as a legal scholar and commenting on some of the themes that he has worked on: constitutional Europe, differentiated Europe, social and educational Europe, and minorities Europe. It culminates in reflections on the very nature of Bruno's scholarship and his academic persona. Not only is this book a public recognition and an expression of appreciation for all that Bruno has offered to the European legal community, but also an invitation to challenge the way many scholars think of academic careers and their ways to success.
