The Circus in the Attic Robert Penn Warren, 2017-02-16 Excerpt from *The Circus in the Attic And Other Stories* The new war had not yet become real in the summer of 1917 The bandages prepared at Red Cross meetings in the basement of the St Luke's parish house or in the Sunday school room of the Baptist Church seemed to have no more importance than the baskets prepared there for the poor before Christmas The tears shed by mothers and sweethearts at the railroad station seemed to be no different from the tears shed when a boy went off to school or college No armless khaki sleeve had yet appeared on the streets of Bardsville So the tumescent rich meaningless emotionalism that ached sweetly in the breasts of the middle aged ladies of the community found release and focus in the monument The United Daughters of the Confederacy the defenders of ancient pieties and the repositories of ignorance of history undertook to raise the money Bardsville had had heroes before and it would have them again Soon now The monument would be an inspiration to the new heroes So the monument appeared and was dedicated and While the mayor made a speech a platoon of conscripts from a camp up in Kentucky in untarnished khaki with slick scrubbed faces stood stit y by with the wooden embarrassment of boys trapped on the platform at high school commencement About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The circus in the attic, and other stories Lond., Eyre & Spottiswoode, 1956 Robert Penn Warren, **Circus in the Attic** P. W. WARREN, 1952 **Robert Penn Warren's Circus Aesthetic and the Southern**

Renaissance Patricia L. Bradley, 2004 Robert Penn Warren's Circus Aesthetic and the Southern Renaissance aligns Warren's work with that of other authors of the Southern Renaissance and examines intertextuality among them. Further, it establishes The Circus in the Attic a short teachable Warren piece as central to his canon. Finally, this book reveals the expressive role of the circus in southern history and culture in the first half of the twentieth century. **BOOK JACKET** **The Story of**

Narrative Preaching Mike Graves, 2015-03-02 Forty years ago the one thing that could be said about sermons was they were biblical. Unfortunately, they were sometimes tedious too. Narrative preaching aimed to fix that, advocating for a dynamic experience of the text over against a static lecture. Preaching could be like the parables of Jesus, intriguing and compelling. The Story of Narrative Preaching is the story of seven students who are enrolled in Professor Freeman's preaching course. Once a new trend, narrative preaching is now older than most of them. As Professor Freeman notes, two things went wrong with narrative styles over time: the church became biblically and theologically illiterate, and the promised stress on experience didn't always measure up to the weight of the gospel. Readers are invited to sit in on the class to reflect on the expositional nature of preaching and to experience the stories of some modern storytellers: Flannery O'Connor, Alice Walker, and others, to see what they might teach us about narratives of depth. In the end, we discover what may be the most important word in preaching. **The Missing Link on Mary Lincoln** Anne G. Snow, 2011-10 Become a fan of Mary Lincoln by reading this shortest yet comprehensive book, which compares her life with that of her husband, President Abraham Lincoln, from their births to their deaths. Their life together is one of the greatest love stories in American history. First written over fifty years ago, the author was motivated to redeem Mary Lincoln in the eyes of the fifth graders she was teaching, who were getting lies from books in the library. It is time Americans show her respect. It has been a long wait, and many attempts to get this book published.

Understanding Robert Penn Warren James A. Grimshaw, 2001 Grimshaw examines the writer's views about the primacy of self-knowledge and explores the painful and arduous path his protagonists must follow to gain such knowledge and the interrelationship of his artistic endeavors, which were woven together by common thematic concerns: history, time, truth, responsibility, love, hope, and endurance. **A Literary Cavalcade-VI** Robert A. Parker, 2013-08-12 For six decades writer and editor Robert A. Parker has followed up each book he reads, mainly novels, with an evaluation of that book. His comments are informed by his Jesuit upbringing but also by an independent critical view that balances a moral and literary sensibility. In this sixth of six volumes, the authors covered range from Ignazio Silone to Emile Zola. They include Solzhenitsyn, Spark, Stegner, Styron, Tanizaki, Tolstoy, Turow, Unsworth, Updike, Vargas Llosa, Warren, Waugh, and Wilder. The commentaries are listed alphabetically by author and the books by the date of publication. At least 115 authors are included in this volume, some represented by one book, some by five or more. The writers here represent a broad range of writing styles, cultural influences, and moral philosophies. And all are rated on their literary achievement, on plot, character, and setting, plus the moral, ethical, and spiritual values of mankind. Here, the meaning of literature is measured against the meaning of life. The War

Within Daniel Joseph Singal, 2014-02-01 The years after World War I saw a different sort of war in the American South as Modernism began to contest the New South Creed for the allegiance of Southern intellectuals In *The War Within* Daniel Joseph Singal examines the struggle between the characteristic culture of twentieth century America and the South's tenacious blend of Victorianism and the Cavalier myth He explores the lives and works of historians Ulrich B Phillips and Broadus Mitchell novelists Ellen Glasgow William Faulkner and Robert Penn Warren publisher William T Couch sociologists Howard Odum Rupert Vance Guy Johnson and Arthur Raper and Agrarian poets John Crowe Ransom Donald Davidson and Allen Tate The drama Singal unfolds is as much national as regional in its implications His sophisticated and original analysis of the complex relationship between these southern writers and their heritage enables him to trace the transition to Modernism with unusual clarity and to address questions of major importance in American intellectual history How did Modernism come into being Does it display a fundamental underlying pattern What are its essential values beliefs and assumptions Singal marshals archival and published sources and combines them with oral history interviews to trace this process of change on the levels of both formal thought and individual experience He uses the interwar South as the locale for a pioneering examination of the momentous change that has affected all of Western culture **Robert Penn Warren,**

Shadowy Autobiography, and Other Makers of American Literature Joseph R. Millichap, 2023-08-18 Toward the end of his career Robert Penn Warren wrote It may be said that our lives are our own supreme fiction Although lauded for his writing in multiple genres Warren never wrote an autobiography Instead he created his own shadowy autobiography in his poetry and prose as well as his fiction and nonfiction As one of the most thoughtful scholars on Robert Penn Warren and the literature of the South Joseph Millichap builds on the accepted idea that Warren's poetry and fiction became more autobiographical in his later years by demonstrating that that same progression is replicated in Warren's literary criticism This meticulously researched study reexamines in particular Warren's later nonfiction in which autobiographical concerns come into play that is in those fraught with psychological crisis such as *Democracy and Poetry* Millichap reveals the interrelated literary genres of autobiography criticism and poetry as psychological modes encompassing the interplay of Warren's life and work in his later nonfiction He also shows how Warren's critical engagement with major American authors often centered on the ways their creative work intersected with their lives thus generating both autobiographical criticism and the working out of Warren's own autobiography under these influences Millichap's latest book focuses on Warren's critical responses to William Faulkner John Crowe Ransom Herman Melville Nathaniel Hawthorne John Greenleaf Whittier and Theodore Dreiser In addition the author carefully considers the black and female writers Warren assessed more briefly in *American Literature The Makers and the Making* Robert Penn Warren *Shadowy Autobiography and Other Makers of American Literature* presents the breadth of Millichap's scholarship the depth of his insight and the maturity of his judgment by giving us to understand that in his writing Robert Penn Warren came to know his own vocation as a poet and critic and as

Millichap,2021-12-14 In the South railroads have two meanings they are an economic force that can sustain a town and they are a metaphor for the process of southern industrialization Recognizing this duality Joseph Millichap s *Dixie Limited* is a detailed reading of the complex and often ambivalent relationships among technology culture and literature that railroads represent in selected writers and works of the Southern Renaissance Tackling such Southern Renaissance giants as Thomas Wolfe Eudora Welty Robert Penn Warren and William Faulkner Millichap mingles traditional American and Southern studies in their emphases on literary appreciation and evaluation in terms of national and regional concerns with contemporary cultural meaning in terms of gender race and class Millichap juxtaposes Faulkner s semi autobiographical families with Wolfe s fiction which represents changing attitudes toward the Southern Other Faulkner s later fiction is compared to that of Warren Welty and Ellison and Warren s later poetry moves toward the contemporary post Southernism of Dave Smith These disparate examples suggest the subject of the final chapter the continuing search for post Southern patterns of persistence and change that reiterate reject and perhaps reconfigure the Southern Renaissance As we enter the twenty first century that we recall how much the twentieth century South was shaped by railroads built in the nineteenth century It is also important that we recognize how much our future will be determined by the technological and cultural tracks we lay **Roman Circuses** John H.
