The Clarion Call:

The Clarion Call Judy Ross,2013-08-27 It is from within the kingdom of God that you will be welcomed home to speak with one voice one heart one love and one consciousness This is the clarion call for those that have awakened that have remembered To stand united in this truth So that the truth to the masses can and will set them free It is time now for this truth to be revealed To stand united as one voice Separation is the biggest lie on the planet today **Can You Hear The Clarion Call?** John Keith Vincent,2018-06-02 Can You Hear The Clarion Call is an up close and personal look into the life of a second generation pastor and church plant pioneer who through both practical and biblical text unveils the process of answering and heeding the call of God to affect positive and purposeful change in the world The call of God is like a seed planted into your life and when that seed is watered and nourished it grows into a sprouting tree that gives life to many others This book can be used as a training tool for those who have newly answered the call into the ministry and or any call to service as well as inspiration for those who desire to advance the Kingdom of God Cast Your Caste Away : The Clarion Call of Sanatana Dharma Rajeev Venkat,2023-02-02 About the Book This Book attempts to address the prevailing Caste System or the J ti parampara in the Indian society With the passage of time several misgivings have crept in the collective mis understanding of our society on this sensitive topic All in the name of correcting social injustice of the past This book retells some stories from the Puranas and Itihaas as interesting narratives with bold thought provoking counter arguments to provide course correction to the perspective The Book appeals to the ordinary informed inquisitive thinking sensible common man who finds this divide as a scar on the society Caste has become an elephant in the room and not many are willing to talk about it despite the fact that it is tearing the society and nation apart This is an attempt to honestly present facts in a simple language The Book does not claim to be some literary research work or discourses on spirituality and morality though the scriptural reference is unavoidable in such a Context About the Author Rajeev Venkat holds a post graduate Degree in Management in addition to his Degrees in Engineering and Law Yet he considers himself as a perennial student on the path of Advaita Vedanta his foremost introduction Being born and having spent his growing up years all over India allowed Rajeev to closely look at and observe the prevalent local social systems the varied culture and traditions However something always intrigued him which he saw as the invisible firewalls in the society referred as Caste or J ti In this Book the Author attempts to address the prevalent misconceptions about the Caste system that plagues the society **The Clarion Call** Don C. N. Ogbonah,1998 **The Clarion Call** ,1978 The Clarion Call Herbert Strang, Marconics Lisa Wilson,Alison David Bird C. Ht.,2016-01-12 Marconics The Human Upgrade is the story of a new multidimensional energy system that arrived on the planet at the end of 2012 marking the final phase of an operation by Galactic Founders to conclude the evolution of the human experience This is the Clarion Call as all Spiritual journeys will culminate with the Ascension of mankind out of the limited belief systems and paradigms of fear that have enslaved humanity in the density of the material realm for eons All will

pass through the Karmic Gates as free souls to traverse space without time to create new realities with limitless potential through higher love and compassion The Spiritual Hierarchy is interceding to assist the many who struggle to maintain their own higher vibrations in Earth's planetary ecosystem which has been disconnected from Source Marconic Energy Practitioners are the Gate Keepers and will facilitate the rapid integration of multiple bandwidths of harmonic resonance or Higher Selves within the human form as our own Soul Identities descend to meet us on the Rainbow Bridge to guide us back up through the Star Gates to the Ascension Path we lost when Atlantis fell Deities are returning to Earth to blend with their individualized incarnates Spiritual Teachers Guardians Angels and Ascended Masters are integrating with their human counterparts in the Birth of the Avatar Race The Avatars Grace Elohim Redeemer of Souls and Archangel Ariel Creator of Worlds have returned under Divine Directive to gather the lost souls of Atlantis and return them home to Source As they move through the karmic Gates of Ascension towards Event Horizon it is left to you our Gate Keepers to ensure the progressive integration of higher harmonics which will raise them up like chariots and deliver them home Grace Elohim
