The Clifford Goldstein Story:

The Clifford Goldstein Story Clifford Goldstein, 1996 **Seeking a Sanctuary** Malcolm Bull, Keith Lockhart, 2007 The story of a large yet little known Protestant denomination Adventist Review, 2008-07 *Adventism Re-examined: 75 Years of Changes, Challenges and Choices* Gordon Kainer, 2019-11-13 My book's objective is to describe the beliefs practices and ventures of the Adventist church that have had or still have a significant impact on my life Looking back I now have a better understanding why ancient Israel was repeatedly told to remember what God had done for them For this reason there will be much reminiscing retelling of personal experiences and evaluating church teachings and decisions all in the endeavor to make sense of what has happened That can only take place if we bathe our words and expressions in grace love and understanding The book endeavors to answer the underlying question what do we mean when we use the term church What are the primary reasons for its existence When you ask Adventists such a question we hope they answer with a reply that is inspiring and practical In presenting my view of Adventism over the past seventy five years it's had a positive effect on my knowing and understanding Jesus and I hope the same goes for you *The Gospel from Patmos* Jon Paulien, 2007 *Any Way Out* Ann Vitorovich, 2009-12 They had dreamed of this moment for years and on that that day in January their dream finally began coming true Identical twin brothers Voja and Cveja Vitorovic would escape from Communist Yugoslavia Voja defecting from a tour group in Rome and Cveja taking his chances at the heavily guarded border But would Cveja survive his encounters with the border and rejoin his brother What would happen to Voja after an unnamed individual made the very serious accusation that he had betrayed not only his church but Italy as well Would their faith be strong enough to weather the ordeal This is a true story of relying on God through every difficulty and believing that His will would be accomplished no matter what happened God had a plan for those twin boys of His and He worked mightily behind the scenes to overcome all their obstacles Book jacket **The Ellen G. Cain versus Abel: Not an Open and Shut Case Gordon Kainer, 2018-02-04 While this story reads like a short police report Cain and Abel s tragic narrative plays a definitive role in the biblical saga called the great controversy As we review their story we might assume that if we had a chance to meet Cain and Abel just by looking we could easily determine who was the kind Abel and who was the mean spirited Cain Are you sure Would you be surprised to learn Abel was guilty of viewing Cain from a superficial perspective that gave him a misleading impression of his brother As we study their lives it s easy for us to have preconceived ideas because we don t know what was going through Cain s mind until Cain s behavior plainly displays it for all of us to see It s human to be biased But that s not God s way of judging This book dives deeper into the story to reveal God s perspective I invite you to dive in with me as objectively as possible Don t prejudge Be persuaded by biblical evidence wherever it leads you
