**The Cloud of Unknowing**, 2018-06-12 A marvelously readable translation of the great Middle English classic of Christian mysticism now part of the beautifully designed Shambhala Pocket Library collection This anonymous fourteenth century text is the glory of English mysticism and one of the most practical and useful guides to finding union with God ever written Carmen Acevedo Butcher s new translation is the first to bring the text into a modern English idiom while remaining strictly faithful to the meaning of the original Middle English The Cloud of Unknowing consists of a series of letters written by a monk to his student or disciple instructing him or her in the way of Divine union Its theology is presented in a way that is remarkably easy to understand as well as practical providing advice on prayer and contemplation that anyone can use Previous translations of the Cloud have tended to veil its intimate even friendly tone under medieval sounding language Carmen Butcher has boldly brought the text into language as appealing to modern ears as it was to its original readers more than five hundred years ago

[The Cloud of Unknowing](#) Anonymous, 2022-05-17 The Cloud of Unknowing is a seminal work of mystical theology composed in the late 14th century presenting a unique blend of contemplative prayer and traditional Christian thought Written in Middle English the text employs a distinctive epistolary style addressing a spiritual seeker on the path to divine union The author emphasizes the limitations of human knowledge when approaching God advocating for a form of prayer that transcends intellectual understanding encapsulated in the metaphorical cloud that obscures divine truths This work is part of the broader mystic tradition resonating with the themes of unknowing and divine love found in the writings of figures like Julian of Norwich and Meister Eckhart The anonymity of the author adds an aura of universality to this mystical classic suggesting that the journey

toward God is deeply personal yet shared among believers Often interpreted as a response to the burgeoning interest in mysticism during the medieval period the author s insights reflect both personal spiritual experiences and the larger cultural context of contemplative practices emerging within Christianity at the time For those seeking a profound exploration of spirituality that transcends dogma The Cloud of Unknowing is an essential read Its meditative guidance and rich theological insights offer timeless wisdom for contemporary seekers encouraging readers to embrace the mystery of faith and the transformative power of unknowing

**The Cloud of Unknowing** HarperCollins Spiritual Classics,2004-08-31 Written by an anonymous English monk during the late fourteenth century The Cloud of Unknowing is a sublime expression of what separates God from humanity and is widely regarded as a hallmark of Western literature and spirituality A work of simplicity courage and lucidity it is a contemplative classic on the deep mysteries of faith Lift up your heart to God with a humble impulse of love and have himself as your aim not any of his goods Set yourself to rest in this darkness always crying out after him whom you love For if you are to experience him or to see him at all insofar as it is possible here it must always be in this cloud and in this darkness The Cloud of Unknowing
