Pedagogy of the Clown Sean McCusker, 2023-08-28 This book discusses the tradition of clowning from an educational perspective highlighting the resonant philosophies between the two professions and asking what one can learn from the

other Modern day clowning follows an age old tradition with a set of principles and beliefs expounded by proponents of the profession Throughout the principles of clowning themes of subversion inversion play and challenge recur These same ideas have a place in the classroom not as everyday practice but perhaps as a leitmotif The book is therefore a call for educators to consider their position within the learning environment and to embody the clown spirit By looking outside of traditional pedagogical thinking and training this book demonstrates ideas and techniques from which educators can borrow or learn allowing them to enhance their own methods and practices It offers an opportunity to revisit the dynamics of the classroom through the recognition of the important role that the clown can play in society *The Clown Motel* PA Cadaver, 2015-06-29

Don t touch the clowns and don t let the clowns touch you Just off of highway 95 in the state of Nevada there lies the small town of Tonopah For miles around it s desolate and in the silence there lies one lonely motel Across from the motel is an old cemetery where miners were buried It s not the ghosts within the cemetery that will make you run in fear for those of you faint of heart and fearful of clowns this is not a delicate story America s scariest motel is haunted by hundreds of clowns Spending the night in this creepy Motel is definitely a true test of courage because it s full of clowns There are clowns tacked onto the doors shelves of clown dolls starring at you with their beady glass eyes and collectibles in the lobby that are neatly seated in chairs as if guarding the place from harmful intruders There are clown paintings on the walls that look at you And if you have a second floor room you can look out from the balcony and see why the motel is so eerily quiet and dark at night It s the cemetery The Clown Motel stands right next to Tonopah s old dusty unlit cemetery Closed for over one hundred years it s packed with the graves of the town s miners who died very unpleasantly That should be cause for panic and even more so if you ve ever watched the movie Poltergeist and you decide to spend a night at this unique lodge Spend at least a minute or two wondering if just maybe part of a cemetery full of graves of men who died horrible deaths once stretched underneath land now occupied by the Clown Motel I tell this story with locked doors and windows I was one of the lucky ones They are coming They are coming for me As the saying goes you can check out any time you want but you can t leave There s a lot more buried there than you might think *The King and the Clown in South Indian Myth and Poetry* David Dean
