The Code Of The West:

Code of the West Zane Grey, 2015-09-15 Hot blooded Georgiana Stockwell will break a man's heart while he's eating out of her hand Moving from the East to join her schoolteacher sister in the rugged wilds of Tonto Basin Arizona Georgiana makes quite an impression Despite her sister's best efforts Georgiana creates a culture clash as her modern free spirited personality comes up against the code of the West the unwritten law of the range that everyone is expected to follow Georgiana's flirtations and coquetry provoke and outrage the proud Westerners of Tonto Basin The young and steadfast Cal Thurman is especially taken with Georgiana Cal is a man of the West through and through courageous loyal sincere quiet spoken and hardworking Though she never expected to Georgiana finds herself falling for this man from another world But things are not as simple as either of them may want Georgiana soon realizes that loving Cal means coming up against a heritage of honor and violence she couldn't have imagined She's stirred things up too much and the pride of the West must be satisfied before things can be settled First published in 1934 Code of the West is another thrilling tale by the greatest novelist of the American West Better than any other writer Zane Grey vividly shows the West as it truly was defining itself through an unwritten code of honor and values and he details the consequences when an outsider refuses to live by it Skyhorse Publishing is proud to publish a broad range of books for readers interested in fiction that takes place in the old West Westerns books about outlaws sheriffs chiefs and warriors cowboys and Indians are a genre in which we publish regularly Our list includes international bestselling authors like Zane Grey and Louis L Amour and many more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home Deadwood Dick and the Code of the West Bruce H. Thorstad, 2014-06-10 Fourteen year old Mortimer Ridley Chalmers III had cracked the Code of the West back in Philadelphia in his treasured pulp novels But in the Black Hills Coffee Arbuckle is only aware of one code protecting your own life with the best gun you can get This Civil War Veteran is set spinning by the violent Gold Rush He's in for about as much trouble as the teenage dreamer Mortimer who's caught up in his books But a partnership may be just the solution for these two desperadoes in a land where every man fights for his own interests *Code of the West* J. Verl Silvester, 2011-05-01 The Code of the West was what made frontier America worthy of attention A lot of today's problems have been solved time and again across rural America Right and wrong must be taught but once learned is hard to ignore Folks raised with country values find it hard to believe that so many people find it so easy to be dishonest Freedom and the Code of the West are why we folks in the West are so unique This book has been an on going project for many years as J has expanded from cowboy to western historian Hollywood actor and stuntman He is past president of Chuck Wagon Trailers He has performed many live shows portraying Wild Bill Hickok John Muir Jim Bridger and Brigham Young He also did stunt shows as well as cowboy poetry all of which he has written himself But it seems that everything he writes has one theme The
