Attitude Structure and Function Anthony R. Pratkanis, Steven J. Breckler, Anthony G. Greenwald, 2014-03-18 Utilizing new wave research including new psychological theories new statistical techniques and a stronger methodology this collection unites a diversity of recent research perspectives on attitudes and the psychological functions of an attitude The objective of the editors was to bring together the bits and pieces of validated data into one systematic and adequate set of general principles leading to the view of attitudes as predictions As the volume reformulates old concepts explores new angles and seeks a relationship among various sub areas it also shows improvements in the sophistication of research designs and methodologies the specifications of variables and the precision in defining concepts **The Affective and Cognitive Domains** Barbara L. Martin, Leslie J. Briggs, 1986 *An Analysis of Danish Sex-linked Attitudes* Henning Transgaard, 1981 I Attitude toward married women s employment 1974 II Mothers attitudes toward forms of childcare III The wish to be a housewife IV Sex role and sex role attitude V Sex role attitude change *A Study of the Beliefs Held about Vocational Education by School Board Members in Districts that Have Secondary Vocational Education* John Jay Farah, 1978

Attitudes and Persuasive Communication Prof. Dr. Bilal Semih Bozdemir, Attitudes and Persuasive Communication Defining Attitudes Components and Functions Attitude Formation and Change Cognitive Dissonance Resolving Inconsistencies Persuasion Theories ELM and HSM Compliance Gaining Strategies Rhetorical Devices and Persuasive Tactics Ethical Considerations in Persuasive Communication Conclusion and Key Takeaways **The American Journal of Psychology** Granville Stanley Hall, Edward Bradford Titchener, Karl M. Perkins Vocational Education Funding in 1987-88* Linda C. Abram, 1989 *Essentials of Job Attitudes and Other Workplace Psychological Constructs* Valerie I. Sessa, Nathan A. Bowling, 2020-12-21 Although the topic of job attitudes and other workplace psychological constructs such as perceptions identity bonds and motivational states is important there are no books addressing the topic as a whole *Essentials of Job Attitudes and Other Workplace Psychological Constructs* seeks to fill that void in a comprehensive edited volume that compiles chapters by experts on each construct *Essentials of Job Attitudes and Other Workplace Psychological Constructs* begins with a review of the concept of job attitudes and other workplace psychological constructs then devotes a single chapter to each construct These chapters focus on organizational

justice perceived organizational support organizational identification job involvement workplace commitments job embeddedness job satisfaction employee engagement and team related work attitudes Each of these chapters addresses parallel content including definitions history theory a critique of the field to date with future research recommendations and how the given construct can be used in practice There are two additional features that make this book unique first each chapter provides a nomological network figure of the workplace psychological construct addressed and second each chapter provides one or more of the current measures used to assess the construct of interest

Essentials of Job Attitudes and Other Workplace Psychological Constructs is an ideal text for students and professionals in industrial organizational psychology organizational behavior and human resource management **Moral Education Forum** ,1981 *Handbook of Artificial Intelligence in Education* Benedict du Boulay,Antonija Mitrovic,Kalina Yacef,2023-01-20 Gathering insightful and stimulating contributions from leading global experts in Artificial Intelligence in Education AIED this comprehensive Handbook traces the development of AIED from its early foundations in the 1970s to the present day **The Sage Handbook of Organizational Research Methods** Professor David Buchanan,Professor Alan Bryman,2009-05-01 The SAGE Handbook of Organizational Research Methods provides a rich resource for organizational researchers locating the technical aspects of organizational research in the wider context of the relevant personal epistemological theoretical historical ethical and political issues David Buchanan and Alan Bryman have gathered together many of the world s leading writers on theory method and analysis in organizational research and have made this the most comprehensive and cutting edge volume in this ever growing field **Bibliographic Guide to Business and Economics** New York Public Library. Research Libraries,1976 *Researching Risk and Uncertainty* Anna Olofsson,Jens O. Zinn,2018-09-27 Understanding and managing risk and uncertainty is a central task in contemporary societies characterised by rapid social technological and environmental change This book presents research approaches used by scholars who all share a passion to gain new insights in how individuals organisations and societies approach uncertain futures and their potential dangers The contributions illustrate the usefulness of particular methods and methodologies for researching risk in order to advance the understanding and management of social technological and environmental challenges With research strategies and approaches from sociology psychology history linguistics anthropology and gender studies *Researching Risk and Uncertainty* provides guidance and inspiration to students and scholars across a range of disciplines interested in risk disaster and social crisis **Subject Catalog** Library of Congress, [Attitudes and Opinions](#) Stuart Oskamp,P. Wesley Schultz,2005-01-15 Notable advances resulting from new research findings measurement approaches widespread uses of the Internet and increasingly sophisticated approaches to sampling and polling have stimulated a new generation of attitude scholars This extensively revised edition captures this excitement while remaining grounded in scholarly research *Attitudes and Opinions* 3 e maintains one of the main goals of the original edition breadth of coverage The book thoroughly reviews both implicit and

explicit measures of attitudes the structure and function of attitudes the nature of public opinion and polling attitude formation communication of attitudes and opinions and the relationship between attitudes and behaviors as well as theories and research on attitude change Over 2 000 references support the book s scientific integrity The authors second goal is to demonstrate the relevance of the topic to people s lives Subsequently the second part of the book examines many of the topics and research findings that are salient in the world today political and international attitudes including terrorism voting behavior racism and prejudice sexism and gender roles and environmental attitudes This thoroughly revised new edition features an entirely new chapter on implicit measures attitudes a new chapter on environmental attitudes updated opinion poll data throughout the book additional material on time trends in attitudes about many issues and expanded updated sections on international attitudes reflecting the events of 9 11 and the subsequent invasions of Afghanistan and Iraq Attitudes and Opinions broad and interdisciplinary perspective makes this an ideal text in courses on attitudes public opinion survey research or persuasion taught in a variety of departments including psychology communication marketing sociology and political science
