The Coming Russian Invasion Of Israel:

The Coming Russian Invasion of Israel Thomas S. McCall, Zola Levitt, 1987 *The Coming Islamic Invasion of Israel* Mark Hitchcock, 2010-12-08 Writing 2 500 years ago the prophet Ezekiel predicted a Russian Islamic invasion of Israel in the last days The third book in Mark Hitchcock's fascinating prophecy series explains the relevance of this prediction to today's world First he establishes how the current global scene sets the stage for this event and focuses on the identity of the invading nations those mentioned in Ezekiel are like a Who's Who of Israel's current enemies Hitchcock then considers the time and motives for their attack Finally he discusses God's dramatic intervention that will pave the way for the Antichrist's worldwide empire **Coming: The End!** Thomas S. McCall, Zola Levitt, 1992-01-01 Our updated release of *The Coming Russian Invasion of Israel* this study of a primary End Times prophecy is vital for all who believe the Scriptures One chapter A Strategy for Unbelievers even tells unbelievers how to cope with the Tribulation Period This basic book of prophecy analyzes the world situation in surprising terms Hal Lindsey A must for everyone who wants to know where we are on God's timetable For many the idea of Russia attacking Israel is unbelievable if not outright preposterous After all hasn't Russia lost virtually all her military and political importance Almost everyone important says so the White House the Congress the Kremlin itself Everyone except God In two of the most riveting chapters in the Bible the prophet Ezekiel forces a great northern ground army descending upon Israel shortly before the return of Christ Who will that nation be The answer is easier to detect than you may think yet more startling than you may have imagined In *Coming The End* Thomas McCall and Zola Levitt offer the interpretive key that unlocks the identity of this nation and the important details of the invasion Using the prophet Ezekiel as a war correspondent and a historian of the future the authors answer such crucial questions as Why would Russia want to attack Israel What will the Russians' strategy be How soon could they attack And what does that mean for the United States and our foreign policy today Why wait for Dan Rather Ezekiel can show you one of history's most startling wars before it ever takes place *Last Days Madness: Obsession of the Modern Church* Gary DeMar, 1999-08 *Last Days Madness* explains the most difficult prophetic passages clearly and concisely Gary DeMar sheds the light on Daniel 7 13 14 9 24 27 Matthew 16 27 28 2 Thessalonians 2 2 Peter 3 3 13 and dozens more He identifies the Beast the Antichrist and the Man of Lawlessness and clears the haze regarding Armageddon the rebuilding of the temple the meaning of 666 and much more This ground breaking book is guaranteed to make you think and is your survival guide and spiritual compass to insure you escape the paralysis of last days madness **The Coming Russian Invasion of Israel** Ray W. Johnson, Donald Wesley Patten, 1978

End Time Scenario Moses L.H. Tay, 2015-08-13 The world can expect to witness the following events unfolding in the days and years ahead The USD losing its reserves currency status The collapse of the global financial system America further weakened by earthquakes and internal revolution The great tribulation Regional war between Israel and her neighbors The Third World War and the rise of Russia Russia invades Israel The rapture of the saints Israel rebuilding the third temple The

reign of the Antichrist through the New World Order The second coming of Christ Treacherous times are coming However there is safety and hope for the righteous King David the ancient king of Israel had once said I have been young and now am old yet I have not seen the righteous forsaken nor his descendants begging bread The righteous will find their way as they seek the face of the Lord The righteous will be delivered *The Prophecy Collection: The End Times Survival Guide, The Coming Apostasy, Russia Rising* Mark Hitchcock, 2021-10-05 Three popular books now collected for the first time in one special edition We live in a world that seems to be on the verge of coming apart Shootings Killer viruses The threat of nuclear war All of it is just too real What is happening in our world today is moving Christians to return to the foundations of our spiritual existence Believers everywhere must get back to what matters most We must always remember our battle at its most basic level is spiritual In *The Prophecy Collection* popular Bible teacher Mark Hitchcock helps you discover spiritual insight and spiritual tools to understand what's happening and to prepare for the future through three important works *The End Times Survival Guide* *The Coming Apostasy* coauthored with Jeff Kinley *Russia Rising* As we prepare for the Lord's coming it's time to understand the biblical truths you need to know in order to face an increasingly decaying darkening world No matter what the future holds anchor your spiritual health and welfare on the immovable rock of God's Word *Gods and Arms* Kjell-Åke Nordquist, 2013-02-12 This book brings together a variety of perspectives on how religion can be related to violence and war both in a destructive and constructive way Religion can justify and mobilize violence even terrorism or guerilla wars just like political ideology But how is such a link between religion and violent behavior established in the first place How can we go further in understanding this possible connection between religion and war Is religious peace work just the flip side of religious support of war Or can peace work be informed by knowing about how religion promotes violence and war In the search for answers to the puzzle of religion and war it is easy to focus on conflict and war situations but maybe there is as much to learn from peace work as from war studies Therefore this book also analyses religious peace work from different contexts The multifaceted presence of religion in conflict situations whether justifying violence or promoting peace is illustrated in this book using a variety of situations in an enlightening panorama of one of today's most puzzling social connections religion and armed conflict Contributors R Scott Appleby Goran Gunner Mariyahl Hoole Mark Juergensmeyer Anne Kubai Kjell Ake Nordquist Jehan Perera Jennifer Schirmer Nari Senanayake and Maria Smaberg *The Making of an Alliance* David Tal, 2022-01-06 Laying the foundation for an understanding of US Israeli relations this lively and accessible book provides critical background on the origins and development of the special relations between Israel and the United States Questioning the usual neo realist approach to understanding this relationship David Tal instead suggests that the relations between the two nations were constructed on idealism political culture and strategic ties Based on a diverse range of primary sources collected in archives in both Israel and the United States *The Making of an Alliance* discusses the development of relations built through constant contact between people and ideas showing how presidents and Prime

Ministers state officials and ordinary people from both countries impacted one another It was this constancy of religion values and history serving the bedrock of the relations between the two countries and peoples over which the ephemeral was negotiated *Power of the King's Blood* Ruth Schofield,2019-05-23 And he has made from one blood every nation of men to dwell on all the face of the earth and has determined their preappointed times and the boundaries of their dwellings Acts 17 26 Science has proven that the human race is related by blood and the Bible reveals how God s eternal covenant with mankind is based on blood Learn why this is a vital key for daily living Without the atoning blood of Jesus sinful man is separated from God Believers are redeemed by the power of the blood of Jesus which Christ himself has placed on the mercy seat in heaven Christians obtain righteousness and power over sin by the blood of Jesus by the merit of that blood which he offered up as an atoning sacrifice Christ s blood brings us into fellowship with God But now in Christ Jesus you who once were far away have been brought near through the blood of Christ Ephesians 2 13 The ability to enter God s presence is founded upon the blood of Jesus and his high priestly ministry Jesus says in John 14 6 I am the way the truth and the life No one comes to the Father except through me Jesus the High Priest is the living way through whom we can draw near to God to honor and devote ourselves to him with diligence with all our heart and without selfish motives Believers must be aware they are dependent upon God s divine grace and should have no other purpose but to please him Learn how the sacrificial blood of God s very own Son Jesus Christ becomes the spiritual DNA of all who receive him as Lord and Savior You too can experience a victorious life in this challenging world and know you have eternal life

Armageddon Grant R. Jeffrey,2009-02-04 As the world rushed toward the new millennium many were asking Is the Year 2000 significant in the plan of God Are we the generation that will see the return of Christ Will Israel actually rebuild the Temple Why are the Arabs willing to go to war over Jerusalem Why are the nations arming for Armageddon Grant R Jeffrey has thoroughly revised and expanded his prophetic best selling book Armageddon with more than eighty pages of incredible research that will give you the real story behind the fast breaking news from

Washington Europe and the Middle East Over half a million readers enjoyed the first edition Now for the rest of the story This book will challenge you with its unique discovery that virtually every major event in the history of Israel has occurred on the anniversary of Feast of the Passover Pentecost Feast of Tabernacles etc Discover the mysterious role of the ark of the covenant in Israel s past and its role in the rebuilding of the temple in our day Explore powerful prophecies that prove that Jesus is the Messiah Twenty prophetic signs warn our generation to prepare for the glorious return of Jesus Christ **A House Divided-7 Events Before Rapture & the Coming Christian Holocaust** Michael Johnson,2004-11 Just as Jesus Christ promised a book that simplifies and clarifies the End Times prophecies is finally here A House Divided chronicles in easy to understand terms the ENTIRE End Times scenario including SEVEN easy to remember End Events After years of scouring numerous passages and gathering all the prophecies scattered throughout the Old and New Testaments of The Bible the author has been able to piece together the prophecies to form a single coherent picture of the End Times During the process of gathering together the prophecies the Author also discovered a profound prophecy concerning the emergence of a book in the End Times that outlines seven events In The Revelation Chapter 10 John witnesses a powerful Angel descending from Heaven who holds open a book while he utters seven thunders Although John heard the thunders and was about to write them down he was told to conceal them The author of A House Divided feels that he has uncovered what those seven thunders are By themselves the seven End Events only scratch the surface of all the new prophetic interpretations that are presented in this book There are at least twenty COMPLETELY NEW interpretations of prophecy never before presented that are detailed in the book Many of the author s interpretations are as bold in its assertions as The Revelation is mysterious Jews also will find this work especially intriguing In rather blunt terms the author exalts Jews while diminishing the importance of many religious social and political organizations of our day including organized Christian hierarchy and the Catholic Church The book uses a minimum of scriptural quotes and explains in everyday language and terms what Christians must know to prepare themselves for a terrible Christian holocaust in the future And the book has been formatted to appeal to the less educated Christian Formerly most prophecy authors have ignored the larger portion of Christians who are not schooled in ancient text translations and scholarly jargon A House Divided dispenses with the scholarly chitchat that has inhibited understanding in past prophecy works It omits diplomacy and gets straight to the point Without a doubt A House Divided is as profound in fresh and new End Times understanding in this day as The Revelation was in the day of John Do not miss this opportunity to know understand and REMEMBER what has eluded all of us to this day the final revealing of the mystery of God and the WHOLE End Times Truth God's Country Samuel Goldman,2018-03-20 God s Country tells the complete story of Christian Zionism in American political and religious thought from the Puritans to 9 11 Combining original research with insights from the work of historians of American religion Samuel Goldman provides an accessible yet provocative introduction to Americans attachment to the State of Israel **When Time Shall Be No More** Paul

Boyer,1994-01-01 As influential as prophecy is in the worldview of so many the belief in the phenomenon remains a popular mystery largely unstudied and little understood When Time Shall Be No More offers for the first time an in depth look at the subtle pervasive ways in which prophecy belief shapes contemporary American thought and culture **Jesus** Grant R. Jeffrey,2009-01-21 JESUS The Great Debate The Question is Who do you say that I am An insightful new release addressing the identity of Jesus from a knowledgeable well researched perspective Who do you say that I am It s a question that has stirred great debate concerning the identity of Jesus in universities churches and most of all in the hearts of millions JESUS The Great Debate explored the criticism of the skeptics such as the Jesus Seminar a group of liberal scholars who deny that Jesus performed miracles and rose from the dead Fascinating new scientific evidence suggests the Shroud of Turin may prove to be the actual burial cloth of Christ Find out why many of the ancient Jews rejected Jesus despite their prophecies that revealed He was the true Messiah Read the censored passages about Jesus of Nazareth hidden in the Jewish Talmud and Targums Explore the astonishing discoveries of early Christian tombs Uncover the truth about Jesus regarding His mysterious birth His miracles and His remarkable resurrection This comprehensive study of evidence about Jesus provides compelling proof to both skeptics and believers that He is the true Messiah **The Ezekiel 38/Psalm 83 Prophecies** John Weldon,2012-03-06 The amazing prophecies in Ezekiel 38 39 written 2600 years ago have received a lot of attention recently because of current events in the Middle East North Africa Europe Russia Ezekiel has over 800 predictive verses This remarkable prophecy by one of the greatest of ancient Hebrew prophets never before literally fulfilled in history predicts that a great power to the far north of Israel a coalition of nations a massive horde of people will attack Israel be destroyed supernaturally by God on the mountains of Israel God promises this day is coming Perhaps it s coming soon The historically miraculous rebirth of the Jewish state in 1948 after 2000 years of nonexistence the conquering of East Jerusalem during the Six Day War in 1967 other factors seem to have set the stage for a time clock of sorts relative to the upcoming last days of Israel the fulfillment of many remaining prophecies relevant to that period indeed today Russia a great power to Israel s far north the Muslim nations particularly Iran are growing increasingly intertwined hostile toward Israel *Raptured* Thomas S. McCall,Zola Levitt,1975-01-01 The Rapture of the Church discussed in full with relevant Scriptures The various views of when it might happen are taken up with an even handed debate as to which seems most correct A doctrine not always understood by the Church but one that will affect everyone on Earth believer and unbeliever alike **Satan in the Sanctuary** Thomas S.
