The Comintern In Mexico:

The Comintern in Mexico Donald L. Herman, 1974 Stumbling Its Way Through Mexico Daniela Spenser, 2011-07-15

Based on documents found principally in the Soviet archives recently opened to the public *Stumbling Its Way through Mexico* is an invitation to rethink the history of Communism in Mexico and Latin America Latin America and the Comintern, 1919-1943 Manuel Caballero, 2002-06-06 A study of Latin American participation in the Third communist International

The Comintern and the Global South Anne Garland Mahler, Paolo Capuzzo, 2022-12-30 The Comintern and the Global South *Global Designs Local Encounters* studies the relations and productive tensions between the Third International intellectual histories of racial justice and anti imperialism as well as other forms of internationalism Building on extant institutional histories of the Third International it moves in new directions by focusing on the points of intersection often conflictual and short lived with anti imperialist anti racist and nationalist organizing making the Third International a site of encounter between a global political project and more local and regional contexts Due to the broad range of geographic and linguistic expertise of the contributors this book traces routes of exchange that are often elided in existing studies of the Third International The chapters address how actors from Global South contexts shaped key debates on for example the role of Black Indigenous and migrant labor the Islamic question and the peasant question which challenged Bolshevik epistemological frameworks All such questions involved political subjectivities that the Comintern tried to reductively frame within a global revolution driven by Moscow resulting in the Comintern s ultimate disintegration Nevertheless this juncture between the Comintern s global designs and its local encounters left a significant legacy that would later be reconfigured in mid century anticolonial movements *Secret Cables of the Comintern, 1933-1943* Fridrikh Igorevich Firsov, Harvey Klehr, John Earl Haynes, 2014-05-28 Drawing on secret and therefore candid coded telegraphs exchanged between Communist Party leaders around the world and their overseers at the Communist International Comintern headquarters in Moscow this book uncovers key aspects of the history of the Comintern and its significant role in the Stalinist ruling system during the years 1933 to 1943 New information on aspects of the People s Front in France civil wars in Spain and China World War II and the extent of the Comintern s cooperation with Soviet intelligence is brought to light through these archival records never examined before **From PKI to the Comintern, 1924-1941** Boon Kheng Cheah, 1992 A compilation of selected documents that provide rare glimpses into the development thought and policies of the early Malaysian Communist Party MCP **Revolution and Ideology** John A. Britton, 2014-07-15 Mexico and the United States share a border of more than 2 000 miles and their histories and interests have often intertwined The Mexican Revolution which began in 1910 and continued in one form or another for the next thirty years was keenly observed by U S citizens especially those directly involved in Mexico through property ownership investment missionary work tourism journalism and education It differed from many other revolutions in this century in that Marxist Leninist theory was only one of many radical and reformist

influences Historian John A Britton examines contemporary accounts written by Americans commenting on social upheaval south of the border radical writers John Reed Anita Brenner and Carlton Beals novelists Katherine Anne Porter and D H Lawrence social critics Stuart Chase and Waldo Frank and banker diplomat Dwight Morrow to mention a few Their writings constitute a valuable body of information and opinion concerning a revolution that offers important parallels with liberation movements throughout the world today Britton s sources also shed light on the many contradictions and complexities inherent in the relationship between the United States and Mexico *Radicals in the Barrio* Justin Akers Chacón,2018-06-26

Radicals in the Barrio uncovers a long and rich history of political radicalism within the Mexican and Chicano working class in the United States Chacón clearly and sympathetically documents the ways that migratory workers carried with them radical political ideologies new organizational models and shared class experience as they crossed the border into southwestern barrios during the first three decades of the twentieth century Justin Akers Chacón previous work includes *No One is Illegal Fighting Racism and State Violence on the U S Mexico Border* with Mike Davis [Investigation of Communist Propaganda](#) United States. Congress. House. Special Committee on Communist Activities in the United States,1930

Hearings United States. Congress. House,1940 **Investigation of Un-American Propaganda Activities in the United States** United States. Congress. House. Special Committee on Un-American Activities,1940 [Communist International](#) Communist International,1971 First Published in 1971 Routledge is an imprint of Taylor Francis an informa company *Investigation of Un-American Propaganda Activities in the United States: Hearings, Aug. 12-23, 1938, at Washington, D.C* United States. Congress. House. Special Committee on Un-American Activities,1938 **Communist International** Jane Degras,2014-10-13 First published in 1971 The Communist International 1919 1943 is a collection of documents from The Comintern Third Communist International led by Lenin and Stalin selected and edited by Jane Degras Documents are organised by year and date Documents of interest concern Communist trade union policy instructions for Communist fraction work in non Communist organizations and the origins of the Communist movement in such countries as India and Indonesia *Investigation of Un-American Activities and Propaganda* United States. Congress. House. Special Committee on Un-American Activities (1938-1944),1939 **Investigation of Un-American Propaganda Activities in the United States** United States. Congress. House. Transnational Communism across the Americas Marc Becker,Margaret Power,Tony Wood,Jacob A. Zumoff,2023-07-04 Transnational Communism across the Americas offers an innovative approach to the study of Latin American communism It convincingly illustrates that communist parties were both deeply rooted in their own local realities and maintained significant relationships with other communists across the region and around the world The essays in this collection use a transnational lens to examine the relationships of the region s communist parties with each other their international counterparts and non communist groups dedicated to anti imperialism women s rights and other causes Topics

include the shifting relationship between Mexican communists and the Comintern Black migrant workers in the Caribbean race relations in Cuba Latin American communists in the USSR Lu s Carlos Prestes in Brazil the U S and Puerto Rican communist and Nationalist parties peace activist networks in Latin America communist women in Guatemala transnational student groups and guerrillas in El Salvador Contributors Marc Becker Jacob Blanc Tanya Harmer Patricia Harms Lazar Jeifets Victor Jeifets Adriana Petra Margaret M Power Frances Peace Sullivan Tony Wood Kevin A Young and Jacob Zumoff

Rethinking Post-Cold War Russian-Latin American Relations Vladimir Rouvinski, Victor Jeifets, 2022-06-07 Today there is plenty of evidence that Russia has become a prominent external actor in Latin America and the Caribbean Yet few books have attempted to better understand the reasons behind Russia s return and Moscow s continuous engagement in the region In order to fill the gap this volume offers the first interdisciplinary study of Russian Latin American relations after the end of the Cold War Across 16 chapters leading experts from Russia Europe the United States and Latin America collectively re examine the Soviet legacy to reveal the conditions in which Russia operates today and identify the key trends of contemporary Russian relations with this part of the world The book then moves on to provide a detailed case study analysis of Russia s bilateral relations with Venezuela Cuba Mexico Brazil Argentina and Colombia identifying the most critical dimensions of Russian engagement Rethinking Post Cold War Russian Latin American Relations allows readers to identify the fundamental driving forces of Russia s renewed commitment to the area its strategies and experiences The book will be of interest to readers of international relations and area studies historians of modern Latin America migration studies political economy and any political scientists interested in Russian decision making *Biographical Dictionary of the Comintern* Milorad M. Drachkovitch, 1973 **Strange Pilgrimages** Ingrid Elizabeth Fey, Karen Racine, 2000 This fascinating collection of essays and articles shows how Latin Americans travels and residency abroad helped them re examine their own origins and perceptions of their homeland Latin Americans traveled both purposefully and frequently in the nineteenth and twentieth centuries Strange Pilgrimages reveals their experiences in Europe and the United States and explores their power to shape opinions and bring outside influence back to Latin America This new book analyzes Latin Americans longstanding attraction to and interest in other cultures as barometers of their own progress In addition Strange Pilgrimages examines the invention of tradition cultural practice and identity formation among nation states A combination of articles and primary sources provides readers with both informed analysis of the experiences of Latin American travellers and entertaining first hand accounts from the travellers and exiles themselves These travellers were a diverse group that included artists diplomats political exiles athletes dilettantes and more Readers will learn that Latin Americans came to understand their homelands better and in fact helped to define their own countries identities through their experiences traveling and living abroad
